MEETING DATE: 10/10/2022
SUBJECT: Colonial Heritage Month
PREPARED BY: LeAnne Williams, Deputy City Clerk

RECOMMENDED ACTION:
Mayor Coerper read the proclamation and present it to President Kaye Hall.

Summary

National Colonial Heritage month brings to mind the first courageous settlers who arrived in America and who determined the direction for the formation of our country. It is a reminder to uphold and continue the values of our ancestors to love our country, obey its laws, respect its flag, and defend it against all enemies. Kaye Hall, President of the Abraham Venable I Chapter National Society Colonial Dames XVII Century is here to receive the Colonial Heritage Month proclamation.

Office of Mayor Gib Coerper

PROCLAMATION

WHEREAS, Abraham Venable I Chapter of the National Society Colonial Dames XVII (17) Century of Gainesville, FL is locally sponsoring National Colonial Heritage Month during the month of October 2022; and,

WHEREAS, National Colonial Heritage Month brings to mind the first courageous settlers who arrived in America and who determined the direction for the formation of our country; and

WHEREAS, The members of this Society, by virtue of their lineal descent from those early arrivals, feel an obligation to work for the preservation of the priceless legacy that these early arrivals left to all American citizens; and

WHEREAS, They continue to convey the true meaning of the inheritance by reminding us that our privilege to live in a free country has stemmed from "loving our country, obeying its laws, respecting its flag and defending it against all enemies"

NOW, THEREFORE, I, Gib Coerper, Mayor of the City of Alachua, representing the City and the City Commission, do hereby proclaim **October** as

COLONIAL HERITAGE MONTH

IN WITNESS WHEREOF, I have hereunto set my hand this 1th day of October, 2022, and encourage all Citizens of the City of Alachua to observe this month as a means of reinforcing the priceless legacy that we inherit with our citizenship, in order to help preserve our rich culture and heritage with deep respect for the principles upon which our great country was founded.

MEETING DATE: 10/10/2022
SUBJECT: Florida City Government Week Proclamation 2022
PREPARED BY: LeAnne Williams, Deputy City Clerk

RECOMMENDED ACTION:
Mayor Coerper to read the Proclamation and proclaim October 17th through October 23rd, 2022, as Florida City Government Week.

Summary

Because City government is the government closest to most citizens, and the one with the most direct daily impact upon its residents, it is important that residents understand how their city operates, the services it provides, and the importance of their active involvement in the life of the city.

Florida City Government Week is an opportunity to help residents become more informed about the many services city governments provide. This in turn will lead to more citizen participation and provides additional knowledge to citizens for the future. This year our Public Services will be educating students at Alachua Elementary, W.W. Irby Elementary, and Mebane Middle School by bringing the electrical bucket truck, a waste water truck, and other items to share with the students. City Manager Mike DaRoza will be speaking at the schools about City Government Week. Florida City Government Week is October 17 through October 23, 2022.

MEETING DATE: 10/10/2022
SUBJECT: White Cane Safety Month Proclamation
PREPARED BY: LeAnne Williams, Deputy City Clerk

RECOMMENDED ACTION:
Mayor to read the proclamation and present it to the Alachua Lions Club.

Summary

"White canes" are the universally recognized symbol identifying the blind or visually impaired. Since 1964, by a joint resolution of the U.S. Congress, October 15th of each year has been designated White Cane Safety Day. Further, the month of October each year is also designated as White Cane Safety Month.

The Lions Club is known internationally for its commitment to the prevention of blindness and to improve eye health and eye care. The Alachua Lions Club each years sponsor a public awareness campaign and White Cane Awareness Walk to publicize its support of Florida's "White Cane Law" that requires vehicles to stop when an individual guided by a guide dog or carrying a white cane is crossing a public street or highway.

Proclaiming October as White Cane Safety Month and October 15th as White Cane Safety Day is a way to show the City's commitment to making the public aware of the "White Cane Law" and to the safety of the blind and visually impaired on Alachua's public streets.

INTRODUCTION TO FISCAL ANALYSIS REPORT

Purpose

The fiscal analysis report is used to report the operating condition of the City, and where applicable, identify potential trends and, if necessary, recommend options for corrective action. The report first looks at all City Funds, and then looks at the major fund types (General Fund, Enterprise Funds, etc.). This report is merely a snapshot that fairly represents the City's financial position at a given point in time. While materially accurate, these are unaudited figures.

Defining Revenue

Revenues are the financial resources available to the City. The City of Alachua has a variety of revenue sources. These revenue sources include taxes, permits and fees, charges for services, fines and forfeitures, grants, and other miscellaneous revenues.

Defining Expenditure

Expenditures constitute a use of financial resources. There are four basic types of expenditures: personal services, operating, capital and debt. Personal services include all salary and salary related expenditures. Operating expenditures include the day-to-day expenses such as supplies, utilities, and equipment purchases. Capital expenditures include construction of roads, parks, buildings and the purchase of land. Debt is the expense related to principal and interest on long-term bonds and notes issued by the City. Expenditure figures within this report include encumbrances. Encumbrances are expenditure commitments that have not yet been actually incurred.

Defining Expenditure Function

Expenditure functions are expenditure classifications according to the principal purposes for which expenditures are made. Examples are general government, public safety, economic environment, physical environment, transportation, and culture/recreation.

Defining Fund Balance

Fund balances are the funds carried over from the previous fiscal year. The City has a variety of uses for fund balance including reserve for future capital projects, for emergencies and catastrophes, for certain bond issues, and for other contingencies and expenditures.

Conclusion

The report gives a more comprehensive view by fund type of the financial operations of the City. The Finance and Administrative Services Department welcomes any feedback you may have.

INVESTMENTS AND CASH

Purpose

The purpose of this section is to report the City's cash and investment holdings at the end of each month. These funds are managed in accordance with the City's Investment Policies, which are designed to ensure the prudent management of public funds, the availability of operating and capital funds when needed, and an investment return competitive with comparable funds and financial market indices.

Investment Objectives

The foremost objective of the City's investment program is the safety of the principal of those funds within the portfolios. The portfolio is managed in a manner that funds are available to meet reasonably anticipated cash flow requirements in an orderly manner. The portfolio is designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into account the investment risk constraints and liquidity needs. However, return on investment is insignificant in comparison to the safety and liquidity objectives described above. The City's core investments are limited to relatively low risk investment instruments in anticipation of earning fair return relative to the risk being assumed.

Defining Principal

Principal, when dealing with investments, can be defined as the original amount invested in a security.

Defining of Portfolio

A portfolio can be defined as various investment instruments possessed by an individual or organization.

Defining Rate of Return on Investment

The Rate of Return on Investment refers to the benefits (the profits) to an investor or organization relative to the cost of the initial investment. It is similar to the rate of profit as a measure of profitability.

Conclusion

The City's cash and investments are pursuant to Section 218.415, Florida Statutes as well as the City's own adopted Investment Policy. To ensure that the City's funds are effectively managed, the Finance Director and other appropriate staff shall annually complete eight (8) hours of continuing professional education in subjects or courses of study related to investment practices and products.

INVESTMENTS AND CASH

Commission Agenda Item

MEETING DATE: 10/10/2022
SUBJECT: Ordinance 23-01: Second Reading; Land Development Regulations Text Amendment: A request by Seth Wood, of Causseaux, Hewett & Walpole Inc., to amend the City of Alachua Land Development Regulations (LDRs) by amending Article 4, Table 4.1-1, Table of Allowed Uses, to allow self-service storage as a permitted use in the Light and Warehouse Industrial (ILW) zoning district. (Legislative).
PREPARED BY: Kathy Winburn, Planning & Community Development Director

RECOMMENDED ACTION:
Based upon the presentation before the Commission and Staff's recommendation, adopt Ordinance 23-01 on second and final reading.

Summary

This application is a request by Seth Wood of Causseaux, Hewett & Walpole, Inc., to amend the City of Alachua Land Development Regulations (LDRs) by amending Article 4, Table 4.1-1, Table of Allowed Uses, to allow self-service storage as a permitted use in the Light & Warehouse Industrial (ILW) zoning district.

The applicant contends that this amendment will expand the range of uses allowed in the ILW zoning district and thus allow more property owners the opportunity to pursue a growing market trend in a growing community. The applicant cites the LDR definition of business districts and the ILW zoning district, which states that these districts are established and intended to provide a wide, varied range of non-residential uses, which meet the needs of the City's residents, business owners, and workforce. The applicant also cites lifestyle changes in recent years that have positively influenced demand for self-service storage uses. Currently, self-service storage is permitted by right in three (3) of the City's nine (9) business districts- Community Commercial (CC), Commercial Intensive (CI), and Industrial General (IG); and by

Special Exception Permit in one (1) district- Corporate Park (CP). Additionally, per the Comprehensive Plan Future Land Use Element Policy 1.5.b, self-storage facilities may be included in the underlying INDUSTRIAL Future Land Use designation.

On September 13, 2022, the Planning & Zoning Board held a public hearing and

voted 3-0 to transit this item to the City Commission with a recommendation to APPROVE.

On September 26, 2022, the City Commission voted 5-0 to approve Ordinance 23-01 on first reading and schedule second and final reading for October 10, 2022.

Planning & Zoning Board Hearing Date: September 13, 2022
Legislative Hearing

SUBJECT:	A request to amend the City of Alachua Land Development Regulations by amending Article 4, Table 4.1-1, Table of Allowed Uses, to allow Self-Service Storage as a Permitted Use in the Light and Warehouse Industrial (ILW) zoning district.
APPLICANT/AGENT:	Seth Wood, Causseaux, Hewett & Walpole, Inc.
PROJECT PLANNER:	Kathy Winburn, Planning & Community Development Director
RECOMMENDATION:	Staff recommends that the Planning & Zoning Board find the proposed text amendment to the City's Land Development Regulations to be consistent with the City of Alachua Comprehensive Plan and in compliance with the City's Land Development Regulations and transmit such finding to the City Commission with a recommendation to approve.
RECOMMENDED MOTION:	*Based upon the presentation to this Board and Staff's recommendation, this Board finds the proposed text amendments to the City's Land Development Regulations to be consistent with the City of Alachua Comprehensive Plan and in compliance with the City's Land Development Regulations and transmits such finding to the City Commission with a recommendation to approve.*

SUMMARY

This application is a request submitted by Seth Wood of Causseaux, Hewett & Walpole Inc., to amend the City of Alachua Land Development Regulations (LDRs). The proposed amendments would amend Table 4.1-1, *Table of Allowed Uses*, to allow self-service storage as a permitted use in the Light and Warehouse Industrial (ILW) zoning district.

The applicant contends that this amendment will expand the range of uses allowed in the ILW zoning district and thus allow more property owners the opportunity to purse a growing market trend in a growing community. The applicant cites the definition of business districts and the ILW Zoning District in the LDRs, which states that these districts are established and intended to provide a wide, varied range of non-residential uses, which meet the needs of the City's residents, business owners and workforce. The applicant also cites lifestyle changes in recent years that have positively influenced demand for self-service storage facilities. Currently, self-service storage is permitted by right in three (3) of the City's nine (9) business zoning districts- Community Commercial (CC), Commercial Intensive (CI) and Industrial General (IG); and permitted by Special Exception in one business district- Corporate Park (CP). As such, self-service storage facilities are currently allowed in both less intense and more intense zoning districts than ILW.

CONSISTENCY WITH THE COMPREHENSIVE PLAN

The Goals, Objectives, and Policies (GOPs) identified below are provided to establish a basis of the application's consistency with the Comprehensive Plan. There may be additional GOPs which the application is consistent with that are not identified within this report. An evaluation and findings of consistency with the identified GOPs is also provided below.

VISION ELEMENT

GOAL 1: Economic Development: The City of Alachua has a unique business climate. The City is home to corporations, incubators, local businesses and start-up companies. The City will maintain its focus on a welcoming business environment and encourage business development in the downtown area and along the US 441 corridor. Alachua desires to continue to be a home to innovative businesses and an employment center where jobs are provided at every level. The City will continue to encourage the growth and development of established industries, such as biotechnology, and encourage the diversification

and expansion of commercial businesses which provide integral services to the City's residents.

Evaluation & Findings: The proposed LDR text amendments support this goal by supporting local businesses that fall within the newly defined Use Type, thus promoting job creation and increasing the local tax base.

FUTURE LAND USE ELEMENT

Objective 1.5: Industrial

The City shall establish one industrial land use category: Industrial. This land use category shall provide a broad range of clean industry, warehousing, research, and technology industries, to provide a variety of job opportunities to the citizens of Alachua and North Central Florida.

Policy 1.5.a.: Industrial uses are generally intense uses that require large land area and convenient access to transportation facilities, such as roads, highways, and rail lines, or specialized uses that require specialized laboratory space and utility services. Industrial uses, such as warehousing and manufacturing, shall be located and designed in such a manner as to prevent unwanted impacts to adjacent properties.

Evaluation & Findings: The proposed LDR text amendment will encourage business development by expanding the development potential for all ILW-zoned land in the City.

Policy 1.5.b: The Industrial land use category may include Industrial service uses, office/business parks, biotechnology and other technologies, business incubators, self-storage facilities, a limited amount of retail sales and services, traditional neighborhood design planned developments, employment center planned developments, outdoor storage yards or lots, and construction industry uses either as allowed uses or with special exceptions.

Evaluation & Findings: The proposed amendment to allow self-service storage facilities in the ILW is compatible with the zoning district's underlying FLU category and will enhance the zoning-land use compatibility.

ECONOMIC ELEMENT

Objective 1.5: Economic Rehabilitation. The City of Alachua shall uphold a productive economic climate in all areas of the City. In order to accomplish this goal, the City may, by way of illustration, but not by limitation…..

Evaluation & Findings: The proposed change to allow self-service storage in the ILW zoning district will expand the development potential of ILW-zoned land in the City, thus expanding the property owners' ability to maintain a productive land use and withstand economic changes.

FINDINGS OF FACT: COMPLIANCE WITH LAND DEVELOPMENT REGULATIONS

Subsection 2.4.1(E)(1) of the Land Development Regulations (LDRs) states that, "in determining whether to approve a proposed text amendment to the Land Development Regulations, the City Commission shall find that an application is consistent with the following standards." These standards are listed below, followed by Staff's evaluation.

(a) ***Consistent with Comprehensive Plan*** – *Whether and the extent to which the proposed amendment is consistent with the Comprehensive Plan.*

Evaluation & Findings: An evaluation of the application's consistency with the City's Comprehensive Plan has been provided within this report.

(b) ***Consistent with Ordinances*** – *Whether the proposed amendment is in conflict with any provision of these LDRs or the City Code of Ordinances.*

Evaluation & Findings: The proposed amendment to the LDR Table 4.1-1 is not in conflict with any other development standard or requirement for the ILW zoning district and is not in conflict with the use-specific standards for self-service storage outlined in LDR Section 4.3.4(H).

(c) ***Changed Conditions*** *– Whether and the extent to which there are changed conditions that require an amendment.*

Evaluation & Findings: The amendment proposes an expansion of allowed uses is the ILW zoning district to include self-service storage as a by-right use. The proposed change is in direct response to market trends. Factors contributing to this trend include urbanization, population growth, and positive economic outlooks, which all contribute to a growing interest by consumers in self-service storage.

Community Need *– Whether and the extent to which the proposed amendment addresses a demonstrated community need.*

Evaluation & Findings: The applicant indicates that market trends show that there is increased interest in self-storage facilities; population trends indicate that the City of Alachua is steadily growing; and development trends indicate a shift toward smaller dwelling unit sizes. As the City grows and urbanizes, the community need grows for a resident's ability to store their belongings in a safe, secure location beyond their home.

(d) ***Compatible with Surrounding Uses*** *– Whether and the extent to which the proposed amendment is consistent with the purpose and intent of the zone districts in these LDRs, or will improve compatibility among uses and will ensure efficient development within the City.*

Evaluation & Findings: The proposed amendment is consistent with the purpose and intent of the ILW zoning district. The purpose of the ILW district is to accommodate a wide range of employment-generating office, institutional, research and development, and light manufacturing uses. The intent underlying the business districts is to provide a wide range of uses to meet consumer and business needs.

(e) ***Development Patterns*** *– Whether and the extent to which the proposed amendment would result in a logical and orderly development pattern.*

Evaluation & Findings: Per FLU Policy 1.5.b, self-storage facilities may be included in the Industrial FLU category. The Industrial FLU category underlies land zoned ILW in the City of Alachua. Thus, a development pattern inclusive of self-storage facilities on ILW-zoned land would be logical and in conformance with the City's Comprehensive Plan.

(f) ***Effect on Natural Environment*** – *Whether and the extent to which the proposed amendment would result in significantly adverse impacts on the natural environment, including but not limited to water, air, noise, storm water management, wildlife, vegetation, wetlands, and the natural functioning of the environment.*

Evaluation & Findings: The proposed LDR Text Amendment will not impact or change any City regulations related to protection of the natural environment.

(g) ***Public Facilities*** – *Whether and the extent to which the proposed amendment would result in development that is adequately served by public facilities (roads, potable water, sewage, storm water management, parks, and solid wastes).*

Evaluation & Findings: The proposed LDR Text Amendment will continue to ensure development is served by adequate public facilities.

RE: LDR Text Amendment Application – Light and Warehouse Industrial Allowed Uses

Dear Kathy,

CHW submits three (3) copies of the LDR Text Amendment application package. Application materials include the LDR Text Amendment Application and a corresponding Justification Report. Also submitted with this application is a fee payment check for $5,000, and a PDF copy of the application package via an FTP link.

This LDR Text Amendment application requests an amendment to City of Alachua Land Development Regulations (LDR) Table 4.1-1. The amendment proposes allowing self-service storage as a permitted use in the Light and Warehouse Industrial (ILW) zoning district. As detailed in the Justification Report provided, this expansion of potential uses in ILW can allow property owners greater ability to weather economic changes and proactively meet a growing consumer demand.

We trust this submittal is sufficient for your review and subsequent approval by the City Commission. If you have any questions or need additional information, please email sethw@chw-inc.com or call (352) 331-1976.

Sincerely,
CHW

1. EXPLANATION OF REQUEST AND NEED

INTRODUCTION

This Land Development Regulations (LDR) Text Amendment application proposes amending *Table 4.1-1. - Table of Allowed Uses* to allow self-service storage in the Light and Warehouse Industrial (ILW) zoning district. In reviewing the City's LDR, no impacts to other regulations were found that warranted amending as a result of this proposal. This will expand the range of uses allowed in the ILW zoning district and thus allow more property owners the opportunity to pursue a growing market trend in a growing community.

THE BUSINESS DISTRICTS

The ILW zoning district is a business district. Per LDR §3.5.1. (*emphasis added*),

> *"The business zone districts are established for the general purpose of ensuring there are lands in the City that provide a wide range of office, retail, service, light industrial and related uses to meet household and business needs, and more specifically:*
> 1. *Provide appropriately located lands for business uses consistent with Comprehensive Plan: Provide appropriately located lands in areas served by water and sewer for the full range of business uses needed by Alachua's residents, businesses, and workers, consistent with the goals, objectives, and policies of the Comprehensive Plan;*
> 2. *Strengthen economic base: Strengthen the City's economic base, and provide employment opportunities close to home for residents of the City and surrounding communities;*
> 3. *Provide suitable environment for business uses: Create suitable environments for various types of business uses, and protect them from the adverse effects of incompatible uses; and*
> 4. *Minimize impact of business development on residential districts and uses: Minimize the impact of business development on residential districts and uses."*

ILW specifically is defined in LDR §3.5.2.(G) as follows *(emphasis added)*:

> *"The ILW district is established and intended to accommodate a wide range of employment-generating office, institutional, research and development, and light manufacturing uses. Such uses shall be developed in a manner compatible with surrounding land uses, and to minimize potential nuisances or damage to the environment. In addition, by allowing a wide range of permitted uses, the ILW district is intended to accommodate the development of "flex space" arrangements, where the developer can establish different combinations of uses on a site over time, as the market dictates, as long as all uses and development conform to the standards established by these LDRs to protect adjacent land uses and the natural environment. Residential uses are limited to caretaker dwellings, live/work units, and upper-story dwellings."*

The business zone districts generally, and the ILW district specifically, are established to provide a wide, varied range of nonresidential uses that meet the needs of the City's residents, business owners, and workforce. Currently, self-service storage is permitted by right in only three (3) of the nine (9) business districts—Community Commercial (CC); Commercial Intensity (CI); and Industrial General (IG)—and permitted by special exception in only one (1) of the business districts—Corporate Park (CP).

MARKET TRENDS

Per the United States Census Bureau, construction spending on self-storage increased 584% between 2015 and 2020. This market segment, globally, is projected to have a Compound Annual Growth Rate (CAGR) of 5.45% between 2020-2026. Factors including urbanization, which results in smaller homes and more frequent moves between homes; population growth; and positive economic outlooks resulting in increased purchasing of goods all contribute to this growth in interest in self-service storage. Lifestyle changes resulting from the COVID-19 pandemic have also positively influenced demand for self-storage facilities. The rise of remote work yielded increased interest for self-storage facilities. Workers began to approach self-storage as an opportunity to either buy or rent a smaller home, or to free up space in one's home. Employers began to approach self-storage as an opportunity to keep valuable office equipment without the need to maintain costly office space leases[1,2].

POPULATION TRENDS

Local trends indicate a growing population in the City of Alachua. The United States Census Bureau reported the population of the City of Alachua as 10,574 as of April 1, 2020. From 2010 to 2019, the population of the city had a percent change of 9.5%, exceeding the population change rate of Alachua County overall, which was 8.8% in the same time period[3]. It is anticipated that the City could grow by approximately 7,100 people by 2035[4]. This population growth has been coupled with a steady rate of new housing being developed throughout the City, with notable recent examples include the Savannah Station subdivision and the Convergence Park master plan.

CONCLUSION

This text amendment application proposed amending LDR Table 4-1.1 to allow self-service storage facilities as a by-right use in the ILW business district. This change will not result in a need to amend any other sections of the LDR. Allowing self-service storage in ILW will enable the City to further expand the range of uses possible in the ILW business district and proactively meet one of many growing consumer trends in a growing City.

3. CONSISTENCY WITH LAND DEVELOPMENT REGULATIONS SECTION 2.4.1(E)(1)

This section identifies the specific text amendment standards listed in City of Alachua LDR Section 2.4.1(E)(1) and identifies how this application is consistent with each. Text from the City of Alachua LDR is provided in standard font. Consistency statements are provided in **bold font**.

LDR Section 2.4.1 *Text Amendments and General Amendments to the Official Zoning Atlas*

(E) *Standards.*

1. *Text amendments.* Amending the text of these LDRs is a matter committed to the legislative discretion of the City Commission. In determining whether to adopt or deny the proposed amendment, the City Commission shall consider and weight the relevance of the following factors:
   a) *Consistent with Comprehensive Plan.* Whether and the extent to which the proposed amendment is consistent with the Comprehensive Plan.

The proposed LDR text amendment is consistent with multiple portions of the Comprehensive Plan.

The proposed amendment is consistent with Goal 1 of the VISION ELEMENT. Goal 1—Economic Development states:

> *The City of Alachua has a unique business climate. The City is home to corporations, technology incubators, local businesses, and start-up companies. The City will maintain its focus on a welcoming business environment and encourage business development in the downtown area and along the U.S. 441 corridor. Alachua desires to continue to be a home to innovative businesses and an employment center where jobs are provided at every level. The City will continue to encourage the growth and development of established industries, such as biotechnology, and encourage the diversification and expansion of commercial businesses which provide integral services to the City's residents.*

The proposed change to allow self-service storage in the ILW business district will welcome business and encourage business development by expanding the development potential for all ILW-zoned land in the City.

The ILW zoning district is compatible with the Industrial Future Land Use (FLU) classification, as detailed in the FUTURE LAND USE ELEMENT.

> *Objective 1.5 Industrial*
> *The City shall establish one industrial land use category: Industrial. This land use category shall provide a broad range of clean industry, warehousing, research, and technology industries, to provide a variety of job opportunities to the citizens of Alachua and the North Central Florida Region.*
>
> *Policy 1.5.a: Industrial: Industrial uses are generally intense uses that require large land area and convenient access to transportation facilities, such as roads, highways, and rail lines, or specialized uses that require specialized laboratory space and utility services. Industrial uses, such as warehousing and manufacturing, shall be located and designed in such a manner as to prevent unwanted impacts to adjacent properties.*

The proposed text amendment to allow self-service storage facilities in the ILW zoning district will further the intention of the Industrial Future Land Use classification. This text amendment will broaden the range of warehousing-related uses possible for Industrial land.

> *Policy 1.5.b: The Industrial land use category may include industrial service uses, office/business parks, biotechnology and other technologies, business incubators, self-storage facilities, a limited amount of retail sales and services, traditional neighborhood design planned developments, employment center planned developments, outdoor storage yard or lots, and construction industry uses either as allowed uses or with special exceptions.*

The proposed change to allow self-service storage in the ILW zoning district is compatible with the zoning district's underlying FLU category and will enhance the zoning-land use compatibility.

Objective 1.5 of the ECONOMIC ELEMENT expresses a desire by the City to uphold a productive economic climate in all areas of the City.

> *Objective 1.5: Economic Rehabilitation*
> *The City of Alachua shall uphold a productive economic climate in all areas of the City. In order to accomplish this goal, the City of Alachua may, by way of illustration, but not by way of limitation:*

The proposed change to allow self-service storage in the ILW zoning district will expand the development potential of ILW-zoned land in the City, thus expanding property owners' ability to maintain a productive land use and withstand economic changes.

b) Consistent with ordinances. Whether the proposed amendment is in conflict with any provision of these LDRs or the City Code of Ordinances.

The proposed change to LDR Table 4.1-1 is not in conflict with any other development standard or requirement for the ILW zoning district and is not in conflict with the use-specific standards for self-service storage outlined in LDR §4.3.4.(H). This amendment will not cause a need for further changes to the LDR.

c) Changed conditions. Whether and the extent to which there are changed conditions that require an amendment.

This amendment proposes an expansion of allowed uses in the ILW business district to include self-service storage as a by-right use. This proposed change is in direct response to market trends, which indicate that construction spending on self-storage increased 584% between 2015 and 2020. Factors contributing to this trend include urbanization, population growth, and positive economic outlooks, which all contribute to a growing interest by consumers in self-service storage[5].

This proposed change is in alignment with other jurisdictions in Alachua County.

- **In the City of Gainesville, self-storage facilities or "mini-warehouses" are permitted by right in both the Limited Industrial (I-1) and General Industrial (I-2) zoning districts (City of Gainesville Land Development Code Table V-7).**
- **In Unincorporated Alachua County, self-service storage facilities are permitted as a limited uses in all Industrial zoning districts—Wholesale/Warehousing (BW), Light Industrial (ML),**

[5] *United States Self-Storage Market - Growth, Trends, COVID-19 Impact, and Forecasts (2021 - 2026)*. (2021, November 24). Retrieved from Globe News Wire: https://www.globenewswire.com/news-release/2021/11/24/2340509/0/en/United-States-Self-Storage-Market-Growth-Trends-COVID-19-Impact-and-Forecasts-2021-2026.html

and Industrial Services and Manufacturing (MS, MP). They are not permitted by right in any zoning district (Alachua County Unified Land Development Code Article II).

- **In the City of High Springs, mini-warehouses are permitted by right in the Industrial/Commercial zoning district (IND), and as a conditional use in the Business/Commerce zoning district (BC).**

d) *Community need.* Whether and the extent to which the proposed amendment addresses a demonstrated community need.

As discussed in Section 1 of this report, market trends indicate that there is increased interest in self-storage facilities; population trends indicate that the City of Alachua is steadily growing; and development trends indicate a shift towards smaller dwelling unit sizes. As the City of Alachua grows and urbanizes, the community need grows for a resident's ability to store their belongings in a safe, secure location beyond their home.

The proposed amendment addresses this demonstrated community need by expanding the areas in the City where self-service storage facilities are permitted.

e) *Compatible with surrounding uses.* Whether and the extent to which the proposed amendment is consistent with the purpose and intent of the zone districts in these LDRs, or will improve compatibility among uses and will ensure efficient development within the City.

The proposed amendment is consistent with the purpose and intent of the ILW zoning district. The purpose of the ILW district is to accommodate a wide range of employment-generating office, institutional, research and development, and light manufacturing uses. The intent underlying the business districts is to provide a wide range of uses to meet consumer and business needs.

Furthermore, the proposed amendment is consistent with the underlying Industrial FLU classification. Self-storage facilities are explicitly stated as a compatible use for the Industrial FLU classification in Comprehensive Plan FLU Element policy 1.5.b.

f) *Development patterns.* Whether and the extent to which the proposed amendment would result in a logical and orderly development pattern.

The proposed amendment would result in a logical and orderly development pattern. Per FLU Element Policy 1.5.b, self-storage facilities may be included in the Industrial FLU category. The Industrial FLU category underlies land zoned ILW in the City of Alachua. Thus, a development pattern inclusive of self-service storage facilities on ILW-zoned land would be logical and in conformance with the City's Comprehensive Plan.

g) *Effect on natural environment.* Whether and the extent to which the proposed amendment would result in significantly adverse impacts on the natural environment, including but not limited to water, air, noise, stormwater management, wildlife, vegetation, wetlands, and the natural functioning of the environment.

The proposed LDR Text Amendment will not impact or change any City regulations related to protection of the natural environment.

h) *Public facilities.* Whether and the extent to which the proposed amendment would result in development that is adequately served by public facilities (roads, potable water, sewage, stormwater management, parks, and solid wastes).

The proposed LDR Text Amendment will continue to ensure development is served by adequate public facilities.

Motorcyclist killed in crash on Archer Road near Clark Butler Blvd.

Special to Gainesville Sun | USA TODAY NETWORK

A 23-year-old man is dead following a Tuesday morning crash involving an SUV and motorcycle in the area of Southwest Archer Road and Clarke Butler Boulevard, the Gainesville Police Department reported.

After several calls received by the Combined Communication Center at 6:31 a.m., police located the driver of the motorcycle, the victim, in the roadway with obvious signs of head trauma, according to the report.

The cause of the crash is still under investigation. Charges, if any, have not been determined.

Hearing

Continued from Page 1A

Lawmakers say there is more to come. The nine-member panel – seven Democrats and two Republicans – interviewed witnesses through all of August, and panelists are hoping to have at least one hearing by the end of the month. Members met Tuesday to discuss the panel's next steps.

Because the Jan. 6 panel is a temporary, or "select," committee, it expires at the end of the current Congress. If Republicans take the majority in November's elections, as they are favored to do, they are expected to dissolve the committee in January. So the panel is planning to issue a final report by the end of December.

What's left for the committee in 2022:

Hearings

The panel's Democratic chairman, Mississippi Rep. Bennie Thompson, said after the private members' meeting Tuesday in the Capitol that the committee's goal is to hold a hearing Sept. 28, but that members were still discussing whether it would happen at all.

"We're still in the process of talking," Thompson said. "If it happens, it will be that date. We're not sure at this point."

Members of the committee had promised more hearings in September as they wrapped up the series of summer hearings. Wyoming Rep. Liz Cheney, the Republican vice chairwoman, said the committee "has far more evidence to share with the American people and more to gather."

"Doors have opened, new subpoenas have been issued, and the dam has begun to break," Cheney said at a July 21 hearing that was held in prime time and watched by 17.7 million people. "We have considerably more to do."

It's unclear if the hearing would provide a general overview of what the panel has learned or if members would be focused on new information and evidence. The committee conducted several interviews at the end of July and into August with Trump's Cabinet secretaries, some of whom had discussed invoking the constitutional process in the 25th Amendment to remove Trump from office after the insurrection.

Witnesses

The panel has already interviewed more than 1,000 people, but lawmakers and staff are still pursuing new threads. The committee recently spoke to several of the Cabinet secretaries, including former Treasury Secretary Steven Mnuchin in July and former Secretary of State Mike Pompeo and former Transportation Secretary Elaine Chao in August.

The committee also wants to get to the bottom of missing Secret Service texts from Jan. 5-6, 2021, which could shed further light on Trump's actions during the insurrection, particularly after earlier testimony about his confrontation with security as he tried to join supporters at the Capitol. Thompson said Tuesday that the committee has recently obtained "thousands" of documents from the Secret Service.

The committee has also pursued an interview with conservative activist Virginia "Ginni" Thomas, who's married to Supreme Court Justice Clarence Thomas. Lawmakers want to know more about her role in trying to help Trump overturn the election. She contacted lawmakers in Arizona and Wisconsin as part of that effort.

Trump and Pence

Members of the committee are still debating how aggressively to pursue testimony from Trump and former Vice President Mike Pence.

Some have questioned whether the committee needs to call Pence, who resisted Trump's pressure to try and block Biden's certification on Jan. 6. Many of his closest aides have already testified, including Greg Jacob, his top lawyer at the White House who was with him during the insurrection as they hid from rioters who were threatening the vice president's life. Jacobs characterized much of Pence's thought process during the time when Trump was pressuring him.

The panel has been in discussions with Pence's lawyers for months, without any discernible progress. Still, the committee could invite Pence for closed-door testimony or ask him to answer written questions.

The calculation is different for the former president. Members have debated whether they should call Trump, who is the focus of their probe but also a witness who has fought against the investigation in court, denied much of the evidence and floated the idea of presidential pardons for Jan. 6 rioters. Trump is also facing scrutiny in several other investigations, including at the Justice Department and over the classified documents he took to his private club.

House Republicans

Another bit of unfinished business is the committee's subpoenas to five House Republicans, including Minority Leader Kevin McCarthy.

In May the panel subpoenaed McCarthy, R-Calif., and Reps. Jim Jordan of Ohio, Scott Perry of Pennsylvania, Andy Biggs of Arizona and Mo Brooks of Alabama. The panel has investigated McCarthy's conversations with Trump the day of the attack and meetings the four other lawmakers had with the White House beforehand as Trump and some of his allies worked to overturn his election defeat.

The five Republicans, all of whom have repeatedly downplayed the investigation's legitimacy, have simply ignored the request to testify. But the Jan. 6 committee seems unlikely to meet their defiance with contempt charges, as it has with other witnesses, in the weeks before the November elections. Not only would it be a politically risky move, but it is unclear what eventual recourse the panel would have against its own colleagues.

Final report

The committee must shut down within a month after issuing a final report, per its rules. But lawmakers could issue some smaller reports before then, perhaps even before the November elections. Thompson said earlier this summer that there may be an interim report in the fall.

The release of the final report will likely come close to the end of the year so the panel can maximize its time. While much of the findings will already be known, the report is expected to thread the story together in a definitive way that lays out the committee's conclusions for history.

Legislative recommendations

The committee is expected to weigh in on possible legislative changes to the Electoral Count Act, which governs how a presidential election is certified by Congress.

A bipartisan group of senators released proposed changes over the summer that would clarify the way states submit electors and the vice president tallies the votes. Trump and his allies tried to find loopholes in that law ahead of Jan. 6 as the former president worked to overturn his defeat to Biden and unsuccessfully pressured Pence to go along.

The Jan. 6 panel's final report is expected to include a larger swath of legislative recommendations.

Each year the Alachua City Commission honors the drafting of the Constitution of the United States of America with a proclamation celebrating the historic event. By Presidential Proclamation, Sept. 17 through Sept. 23 is designated Constitution Week. At the Sept. 12 Commission meeting, Mayor Gib Coerper presented Kay Hall, the Past Regent for the Gainesville Chapter of the National Society Daughters of the American Revolution, with the City of Alachua proclamation of Constitution Week. Hall offered a brief speech discussing the founding of the nation and uniqueness of the country's democracy and Constitution.

In other business, Mayor Coerper read a proclamation declaring October as American Pharmacists Month. Coerper said pharmacists are important members of a healthcare team who are well versed in medications, the effects they produce in a body, and how they interact or interfere with each other to safely providing medicine to the public. The Opioid Task Force is working to get all communities in Alachua County to provide funds to combat the epidemic and educate children in schools to the problem to keep them from becoming victims. The agreement is for the Children's Trust to distribute funds on behalf of the municipalities that have entered into the agreement. The Opioid Task Force is asking for a $10,000 contribution from each community and have had agreements signed by High Springs, Micanopy, Archer and $15,000 from the City of Newberry. The Alachua Commission agreed to contribute $10,000 to the Opioid Task Force.

The City's Youth Advisory Council (YAC) will be seeing new faces as the Commission voted on approving three appointments to the five-member council. Santa Fe High School 11th graders Abigail Blumer, Emma Cedeno-Alonso and Keyosha Queen were elected for two-year terms. The purpose of the council is to stimulate and foster the active participation of young individuals in addressing the issues impacting the youth of the community. It also ensures that the leaders of tomorrow have input in the local government process today. The YAC also makes recommendations to the City Commission on policies and procedures affecting the community youths.

CEDAR KEY WATER AND SEWER DISTRICT
INVITATION TO BID ITB No. 22-1
FOR:
SLUDGE/BIOSOLID HAULING, LIFT STATION CLEANING, EMERGENCY SEWAGE TRANSPORTATION
Proposal Due Date/Time: September 15, 2022 @ 3:00 PM EST

The Cedar Key Water and Sewer District (the "District") is seeking proposals from qualified companies to provide sludge/biosolid hauling (pretreatment unstabilized biosolids), lift station cleaning, and emergency sewage transportation services.

Sealed bids for the above-described services will be received at 510 3rd Street, Cedar Key, FL 32625 until September 15, 2022, at 3:00 PM Eastern Standard Time, at which time the bids will be opened and read aloud. Bids received after said time will be returned unopened.

A mandatory pre-bid conference will be held on August 31, 2022, at 10:00 AM Eastern Standard Time, at the District's office located at 510 3rd Street, Cedar Key, FL 32625. The purpose of this pre-bid conference is for prospective bidders to view the District's plant and the location where biosolid hauling pickups will be conducted. Failure to attend the pre-bid conference may result in the Bidder being disqualified from consideration, at the District's discretion.

If you are interested in submitting a proposal, you must obtain the complete ITB package, which contains additional information regarding this solicitation and instructions related to submitting a bid, from the Cedar Key Water and Sewer District website at www.ckwater.org or by contacting Alicia M. Johns at (352) 543-5285.

All inquiries and requests for clarification concerning the ITB shall be submitted in writing and in accordance with the ITB. Verbal clarifications will not be provided.

The District reserves the right to waive informalities in any proposal; reject any or all proposals, in whole or in part; re-bid the project, in whole or in part; accept a proposal that in its judgment is the lowest and best bid of a responsible bidder; or accept multiple proposals. The District does not discriminate on the basis of race, color, national origin, sex, religion, age, marital status and disability/handicapped status in employment or provision of service.

CEDAR KEY WATER AND SEWER DISTRICT
INVITATION TO BID ITB No. 22-1
FOR:
SLUDGE/BIOSOLID HAULING, LIFT STATION CLEANING, EMERGENCY SEWAGE TRANSPORTATION
Proposal Due Date/Time: September 15, 2022 @ 3:00 PM EST

The Cedar Key Water and Sewer District (the "District") is seeking proposals from qualified companies to provide sludge/biosolid hauling (pretreatment unstabilized biosolids), lift station cleaning, and emergency sewage transportation services.

Sealed bids for the above-described services will be received at 510 3rd Street, Cedar Key, FL 32625 until September 15, 2022, at 3:00 PM Eastern Standard Time, at which time the bids will be opened and read aloud. Bids received after said time will be returned unopened.

A mandatory pre-bid conference will be held on August 31, 2022, at 10:00 AM Eastern Standard Time, at the District's office located at 510 3rd Street, Cedar Key, FL 32625. The purpose of this pre-bid conference is for prospective bidders to view the District's plant and the location where biosolid hauling pickups will be conducted. Failure to attend the pre-bid conference may result in the Bidder being disqualified from consideration, at the District's discretion.

If you are interested in submitting a proposal, you must obtain the complete ITB package, which contains additional information regarding this solicitation and instructions related to submitting a bid, from the Cedar Key Water and Sewer District website at www.ckwater.org or by contacting Alicia M. Johns at (352) 543-5285.

All inquiries and requests for clarification concerning the ITB shall be submitted in writing and in accordance with the ITB. Verbal clarifications will not be provided.

The District reserves the right to waive informalities in any proposal; reject any or all proposals, in whole or in part; re-bid the project, in whole or in part; accept a proposal that in its judgment is the lowest and best bid of a responsible bidder; or accept multiple proposals. The District does not discriminate on the basis of race, color, national origin, sex, religion, age, marital status and disability/handicapped status in employment or provision of service.

ADA – Special Accommodations: Any person requiring accommodations by the District due to a disability should call Alicia M. Johns at (352) 543-5285 at least five (5) days prior to any pre-response conference, response opening, or meeting. If you are hearing or speech impaired, please contact Alicia M. Johns via the Florida Relay Service, which can be reached at 1-800-955-8771 (TDD).

Idaho universities disallow abortion, contraception referral

Rebecca Boone
ASSOCIATED PRESS

BOISE, Idaho – Idaho universities are warning staffers not to refer students to abortion providers, and at least one public university is barring employees from telling students how to obtain emergency contraception or birth control as well. It's the latest restriction in a state that already holds some of the strictest abortion laws in the nation.

"This is going to have a very broad impact," said Mike Satz, an attorney and former faculty member and interim dean at the University of Idaho's College of Law. "It's going to have a very strong chilling effect on free speech and it's going to scare people. I'm afraid it's going to scare people from going to school here or sending their kids to school at Idaho institutions."

The prohibition against referring students to abortion providers or "promoting" abortion in any way comes from the "No Public Funds for Abortion Act," a law passed by Idaho's Republican-led Legislature in 2021. Boise State University, like the University of Idaho, told faculty members in a newsletter earlier this month that they could face felony charges for violating the law. Idaho State University did not respond to phone messages from The Associated Press asking if it had issued similar guidance.

The law also bars staffers and school-based health clinics from dispensing or telling students where to obtain emergency contraception, such as the Plan B pill, except for in cases of rape. Emergency contraception drugs prevent pregnancy from occurring and do not work in cases where someone is already pregnant.

The University of Idaho's guidance released Friday goes a step further, also warning employees about a law written in 1867, 23 years before Idaho became a state. That law prohibits dispensing or "advertising" abortion services and birth control – leading to UI's advice that condoms be distributed only to prevent sexually transmitted diseases, but not to prevent pregnancy.

It's not yet clear how the law barring "advertising or promoting" abortion and birth control services could impact students or other state employees who may use state-owned computers or wireless networks to share information about how to access reproductive health care on Instagram or other social media sites. Scott Graf, a spokesman for Idaho Attorney General Lawrence Wasden, said his office planned to discuss the guidance given to university staffers and the abortion laws in an internal call Tuesday morning.

Jodi Walker, spokeswoman for the University of Idaho, said the university follows all laws and said UI officials were still "working through some of the details."

"This is a challenging law for many and has real ramifications for individuals in that it calls for individual criminal prosecution," she said of the public funds law. "The section does not specify what is meant by promoting abortion, however, it is clear that university employees are paid with public funds. Employees engaging in their course of work in a manner that favors abortion could be deemed as promoting abortion."

Abortion can still be discussed as a policy issue in classrooms, Walker said, but the university recommends that the employees in charge of the class "remain neutral or risk violating this law."

"We support our students and employees, as well as academic freedom, but understand the need to work within the laws set out by our state," she said.

But that could be nearly impossible, said Satz. Both the University of Idaho and Boise State University rely on grants to fund major research and academic projects, and the federal government is among the largest sources of those grants. The federal government also provides abortions through the Veteran's Administration, Satz noted, and the "No Public Funds for Abortion Act" bars the state from contracting with abortion providers.

Idaho's lawmakers could fine-tune the laws to ensure they don't violate 1st Amendment free speech rights or lead to major funding losses, but the deeply conservative state Legislature isn't scheduled to meet again until January.

Boise State's advisory to employees noted that abortion-producing medications or procedures can still be prescribed if they are used to remove a dead fetus caused by spontaneous abortion, to treat an ectopic pregnancy or to "save the life or preserve the health of the unborn child." But some of those scenarios are gray areas under other state laws criminalizing abortions, including one targeted in a U.S. Department of Justice federal lawsuit against the state of Idaho.

Idaho isn't the only state where employees have been cautioned not to give abortion advice. In the summer, librarians in Oklahoma City were warned against using the word "abortion," though that changed after the city's library team reviewed the laws. Still, social workers, clergy members and others have raised concerns in Oklahoma about being exposed to criminal or civil liability just for discussing abortions.

Teen interest in long-lasting birth control soars post-Roe

Heather Hollingsworth and Arleigh Rodgers

Sixteen-year-old Adismarys Abreu had been discussing a long-lasting birth control implant with her mother for about a year as a potential solution to increasing menstrual pain.

Then Roe v. Wade was overturned, and Abreu joined the throng of teens rushing to their doctors as states began to ban or severely limit abortion.

"I'm definitely not ready to be pregnant," said Abreu, who had Nexplanon – a reversible, matchstick-sized contraceptive – implanted in her arm in August. Her home state of Florida bans most abortions after 15 weeks, and not having that option is "such a scary thought," she said.

Experts say the U.S. Supreme Court's June ruling appears to be accelerating a trend of increased birth control use among teens, including long-acting reversible forms such as intrauterine devices and implants. Appointments have surged and Planned Parenthood has been flooded with questions as doctors report demand even among teens who aren't sexually active.

Some patients are especially fearful because the new abortion laws in several states don't include exceptions for sexual assault.

"Please, I need some birth control in case I get raped," patients tell Dr. Judith Simms-Cendan, a pediatric-adolescent gynecologist in Miami, where state law does not provide exceptions for rape or incest after 15 weeks.

Simms-Cendan, the president-elect of the North American Society for Pediatric and Adolescent Gynecology, said parents who might have been hesitant in the past now want to discuss birth control.

"It's a sea change of, 'I don't have room to play. We have got to get my child on something,' " she said.

Teens already were shifting to more effective long-acting forms of birth control, which have similar or even lower failure rates than sterilization, said Laura Lindberg, a professor at Rutgers University's School of Public Health in New Jersey. Her research found the number of 15- to 19-year-olds using those methods rose to 15% during the period 2015 to 2019, up from 3% during the 2006 to 2010 period.

No national data is available for the months since Roe was overturned, said Lindberg, who previously worked for nearly two decades at the Guttmacher Institute, a research group that supports abortion rights.

But she said "major ripple effects" have to be expected from the loss of abortion access and noted that it wouldn't be the first time politics has led to a shift in birth control usage. In the weeks after former President Donald Trump's election, as women raised concerns online that the Affordable Care Act would be repealed, demand for long-acting birth control rose by nearly 22% across all age groups, according to a 2019 research letter published in JAMA Internal Medicine.

In Ohio, where a judge this month blocked a ban on virtually all abortions, patients – both male and female – now listen with rapt attention to the contraception talk that Dr. Peggy Stager has long made a part of routine appointments at her pediatric practice in Cleveland.

Stager said her practice's dedicated spots for insertion of the Nexplanon implant are consistently filled. Requests for contraceptive refills have increased by up to 40% since Roe was overturned. Recently, she talked to a college-bound student who wasn't sexually active but decided to get an IUD anyway.

"She was real clear: 'I want to have a great four years without any worry,' " recalled Stager, who is the chair of the section on adolescent health at the American Academy of Pediatrics. "And that's a change."

In Missouri, among the first states in the country with a trigger law in effect to ban abortions at any point in pregnancy, Dr. David Eisenberg also has seen a similar sense of urgency from college-bound teens to choose the most effective option.

"Fear is an amazing motivator," said Eisenberg, an associate professor at the Washington University School of Medicine in St. Louis, who performs abortions in neighboring Illinois. "They understand the consequence of a contraceptive failure might mean they become a parent because they might not be able to access an abortion."

PUBLIC NOTICE OF ENACTMENT OF AN ORDINANCE OF THE CITY OF ALACHUA, FLORIDA

Notice is hereby given that the City Commission of the City of Alachua will hold a public hearing on a proposed ordinance. The hearing will be held on October 10, 2022 at 6:00 p.m., in the James A. Lewis Commission Chambers in City Hall, located at 15100 NW 142nd Terrace, Alachua, Florida.

The ordinance title is as follows:

Commission Agenda Item

MEETING DATE: 10/10/2022
SUBJECT: Final Plat – Briarwood Phase 2 and 3: A request by Tivia Bryan, of Allen & Company, applicant and agent for Troon Creek, LLC, property owner, for consideration of the Final Plat for Briarwood Phase 2 and 3, which proposes to subdivide a ±45.16 acre subject property into a total of 145 lots with associated common areas and road right-of-way; Consisting of Tax Parcel Number 03044-010-003(Quasi-Judicial Hearing).
PREPARED BY: Adam Hall, AICP, Principal Planner

RECOMMENDED ACTION:
Staff recommends that the City Commission:

1. Approve the Final Plat of Briarwood Phase 2 and 3 ("Final Plat");
2. Approve the "Subdividers Agreement for Briarwood Phase 2 and 3" ("Subdividers Agreement");
3. Authorize the Mayor and City Attorney to sign the Final Plat and Subdividers Agreement; and,
4. Accept the Common Law Performance Bond from Troon Creek, LLC in the amount of $5,703,808.01 as the surety instrument for infrastructure improvements, other than the house sidewalks; and
5. Accept the Common Law Performance Bond from Troon Creek, LLC in the amount of $245,875.08 as the surety instrument for the house sidewalks.

Summary

This application is a request by Tivia Bryan of Allen & Company, applicant and agent for Troon Creek LLC, property owner, for consideration of the final plat of Briarwood Phase 2 and 3, which proposes to subdivide a ±45.16 acre subject property into a total of 145 lots with associated common areas and road right-of-way.
The subject property consists of Tax Parcel Number 03044-010-003, and is located in the 17000 block of CR 235A, west of CR 235A and Santa Fe High School, south of the Meadowglen subdivision, and north of the Santa Fe Hills subdivision.

A portion of the subject property was part of the previously proposed Benton Hills development, for which a preliminary plat was approved on January 11, 2016 by the City Commission. The preliminary plat for Briarwood was approved on November 4, 2019 by the City Commission. The construction plans for Phase 1 were approved by the City on June 11, 2020. The Final Plat for Phase 1 of Briarwood was approved

November 9, 2020. The Construction Plans for Phases 2 and 3 were approved on September 20, 2022.

The proposed Briarwood subdivision consists of lots ranging size from ±7,500 square feet to ±12,196 square feet, with the majority of lots between ±7,500 square feet and ± 8,000 square feet. As proposed with the preliminary plat, the lots located along the northern portion of the site are a minimum of 8,309 square feet in area and a minimum of 72 feet wide. The plat proposes a series of common areas throughout the project area and along the northern and eastern boundaries. A 50' wide common area will be located between any lots and the northern property line, including an approximately 15' wide area outside of the stormwater drainage system.

Development within the proposed subdivision will connect to potable water and wastewater facilities. Stormwater for the proposed development would be conveyed to and treated by a connected, distributed linear network of retention basins to be located throughout the subject property. An analysis of the development's impact on other public facilities, including transportation, potable water, sanitary sewer, solid waste, and public schools, is provided within this report.

Section 2.4.10(G)(5) of the City's Land Development Regulations (LDRs) establishes the requirements for a final plat. An analysis of the application's compliance with the applicable standards of this section has been provided within this report.

At the September 26, 2022 meeting, the Commission voted to defer the item until the October 10, 2022 Commission meeting.

SUMMARY

This application is a request by Tivia Bryan of Allen & Company, applicant and agent for Troon Creek LLC, property owner, for consideration of the final plat of Briarwood Phase 2 and 3, which proposes to subdivide a ±45.16 acre subject property into a total of 145 lots with associated common areas and road right-of-way.

The subject property consists of Tax Parcel Number 03044-010-003, and is located in the 17000 block of CR 235A, west of CR 235A and Santa Fe High School, south of the Meadowglen subdivision, and north of the Santa Fe Hills subdivision.

A portion of the subject property was part of the previously proposed Benton Hills development, for which a preliminary plat was approved on January 11, 2016 by the City Commission. The preliminary plat for Briarwood was approved on November 4, 2019 by the City Commission. The construction plans for Phase 1 were approved by the City on June 11, 2020. The Final Plat for Phase 1 of Briarwood was approved November 9, 2020. The Construction Plans for Phases 2 and 3 were approved on September 20, 2022.

The proposed Briarwood subdivision consists of lots ranging size from ±7,500 square feet to ±10,780 square feet, with the majority of lots between ±7,500 square feet and ± 8,000 square feet. As proposed with the preliminary plat, the lots located along the northern portion of the site are a minimum of 8,309 square feet in area and a minimum of 72 feet wide. The plat proposes a series of common areas throughout the project area and along the northern and eastern boundaries. A 50' wide common area will be located between any lots and the northern property line, including an approximately 15' wide area outside of the stormwater drainage system.

Development within the proposed subdivision will connect to potable water and wastewater facilities. Stormwater for the proposed development would be conveyed to and treated by a connected, distributed linear network of retention basins to be located throughout the subject property. An analysis of the development's impact on other public facilities, including transportation, potable water, sanitary sewer, solid waste, and public schools, is provided within this report.

Section 2.4.10(G)(5) of the City's Land Development Regulations (LDRs) establishes the requirements for a final plat. An analysis of the application's compliance with the applicable standards of this section has been provided within this report.

SURROUNDING USES

The existing uses, Future Land Use Map (FLUM) Designations, and zoning districts of the surrounding area are identified in Table 1. Map 1 provides an overview of the vicinity of the subject property. (NOTE: The information below is intended to provide a general overview of the area surrounding the subject property and to generally orient the reader. It is not intended to be all-inclusive, and may not identify all existing uses, FLUM Designations, and/or zoning districts surrounding the subject property.)

CONSISTENCY WITH THE COMPREHENSIVE PLAN

The Goals, Objectives, and Policies (GOPs) identified below are provided to establish a basis of the application's consistency with the Comprehensive Plan. There may be additional GOPs which the application is consistent with that are not identified within this report. An evaluation and findings of consistency with the identified GOPs is also provided below.

Future Land Use Element

GOAL 1: Future Land Use Map 2025:
The City of Alachua shall maintain a Future Land Use Map in order to effectively guide development in a sustainable manner and to ensure economic prosperity and stability while maintaining a high quality of life for all of its present and future citizens.

Objective 1.2: Residential

The City of Alachua shall establish three Residential land use categories to ensure an orderly urban growth pattern that makes the best use of available lands for residential development.

Policy 1.2.a: Moderate density residential (0 to 4 dwelling units per acre): The moderate density residential land use category allows residential development at a maximum density of 4 dwelling units per acre. The following uses are allowed in the moderate density residential land use category:

1. Single family, conventional dwelling units;
2. Accessory dwelling units;
3. Manufactured or modular homes meeting certain design criteria
4. Mobile homes only within mobile home parks;
5. Duplexes and quadplexes;
6. Townhomes;
7. Residential Planned Developments;
8. Supporting community services, such as schools, houses of worship, parks, and community centers

Analysis of Consistency with Goal 1, Objective 1.2, and Policy 1.2.a: The proposed rezoning would comply with this Policy as the maximum number of dwelling units per acre would not be exceeded, and the uses proposed are consistent with the uses allowed under this policy.

Objective 5.1: Natural features: The City shall coordinate Future Land Use designations with appropriate topography, soils, areas of seasonal flooding, wetlands and habitat during review of proposed amendments to the Future Land Use Map and the development review process. Natural features may be included as amenities within a development project.

Policy 5.1.a: Topography: The City shall protect the natural topography of the City, including steep and seepage slopes, by requiring new development to include techniques to minimize negative impacts on the natural terrain. An emphasis will be placed on retaining the natural function of seepage slopes during development. Additionally, retention of existing native vegetation will be encouraged as one method of protecting slopes.

Policy 5.1.b: Soils: The City shall ensure soil protection and intervention measures are included in the development review process.

Policy 5.1.c: Flood prone areas: The City shall require as part of the development review process the identification of FEMA flood zone areas. Where necessary, base flood elevations and minimum finished floor elevations shall be established. The City shall also require finished floor elevations on subdivision plats, site plans and building permit plans when necessary to determine compliance with flood prone area regulations. The City shall establish standards for a limitation on filling in flood prone areas.

Policy 5.1.d: Wetlands: The City shall utilize statewide wetland delineation methodology in accordance with Florida Administrative Code (FAC) and

regulations adopted by the FDEP and the Suwannee River Water Management District.

Policy 5.1.e: Habitat: The City shall require as part of the development review process, an inventory of listed species for all new developments in areas identified as known habitat for listed species if listed species are known to exist in close proximity to the development. The survey shall include detailed information regarding type, quantity, location, and habitat requirements for any listed species identified. A de minimus threshold for properties required to complete the inventory shall be established in the City's Land Development Regulations.

Analysis of Consistency with Objective 5.1 and Policies 5.1.a – e: Based on the environmental assessment provided by the applicant, there are no significant environmental resources that would limit or impact development, except for the potential presence of gopher tortoises, FL burrowing owls, and eastern indigo snakes. As a condition of approval, the applicant will be required to provide a 100% gopher tortoise and FL burrowing owl survey prior to commencement of construction activities. The applicant will also be required to comply with standard measures of protection regarding eastern indigo snakes.

Objective 5.2: Availability of facilities and services: All new development shall be planned and constructed concurrently with the availability of facilities and services necessary for the development.

Analysis of Consistency with Objective 5.2: The subject property is located within the City's potable water and wastewater service areas, as defined in Policies 1.2.a and 4.2.a of the Community Facilities and Natural Groundwater Aquifer Recharge Element of the Comprehensive Plan, and will be required to connect to the City of Alachua's potable water and wastewater system.

GOAL 9: Water and Wastewater Service:

The City will ensure that new development within the corporate limits, where potable water and wastewater service are available, as defined in Policy 1.2.a and Policy 4.2.a of the Community Facilities and Natural Groundwater Aquifer Recharge Element of the Comprehensive Plan, shall connect to the City of Alachua's potable water and wastewater system.

Policy 9.2: Any new residential subdivision within the corporate limits, where potable water service is available, as defined in Policy 4.2.a of the Community Facilities and Natural Groundwater Aquifer Recharge Element of the City of Alachua Comprehensive Plan, regardless of size, that is within either a Residential or Agriculture Future Land Use Map Designation shall connect to the City of Alachua's potable water system. Any new residential subdivision within the corporate limits, where wastewater service is available, as defined in Policy 1.2.a of the Community Facilities and Natural Groundwater Aquifer Recharge

Element of the City of Alachua Comprehensive Plan, regardless of size, that is within a Residential Future Land Use Map Designation shall connect to the City of Alachua's wastewater system.

Analysis of Consistency with Goal 9 and Policy 9.2: The subject property is within the potable water and wastewater service area. Any development of the subject property will be required to connect to the potable water and wastewater systems at the time of development.

Housing Element

Policy 1.1.a: The City shall encourage development of a variety of housing types including conventional single family homes, accessory dwelling units, multi-family units, group homes, assisted living facilities, foster care facilities, mobile homes and manufactured housing, and shall ensure that appropriate land use designations and zoning districts exist to accommodate each type.

Analysis of Consistency with Policy 1.1.a: This project would support additional housing within the City, thereby furthering Policy 1.1.a.

Recreation Element

Policy 1.2.b: The City shall adhere to a minimum level of service of five (5.0) acres of community, neighborhood or pocket park, per 1,000 persons, with a minimum of 20 percent of this in improved, passive parks.

Analysis of Consistency with Policy 1.2.b: An analysis of the impacts to recreation facilities has been provided within this report. The proposed development would not result in a failure of the City's adopted level of service for recreation and park area.

Transportation Element

Objective 1.1: Level of Service: The City shall establish a safe, convenient and efficient level of service standard for all motorized and non-motorized transportation systems.

Analysis of Consistency with Objective 1.1: An analysis of the impacts to transportation facilities has been provided within this report. The proposed development would not result in a decrease in the level of service for transportation facilities monitored for concurrency.

Community Facilities & Natural Groundwater Aquifer Recharge Element

Policy 1.2.a: The City shall establish a Community Wastewater Service Area, which includes all areas where wastewater service is available. Wastewater

service shall be deemed available if:

1. A gravity wastewater system, wastewater pumping station, or force main exists within · mile of the property line of any residential subdivision with more than 5 units, or any multi-family residential development, or any commercial development, or any industrial development and the gravity wastewater system, wastewater pumping station, or force main can be accessed through public utility easements or right of ways. The distance shall be measured as required for construction of the infrastructure along public utility easements and right of ways.

Analysis of Consistency with Policy 1.2.a: The subject property is located within the wastewater service area, and any future development on the subject property will be required to connect to the wastewater system.

Policy 2.1.a: The City hereby establishes the following level of service standards for solid waste disposal facilities:

FACILITY TYPE	LEVEL OF SERVICE STANDARD
Solid Waste Landfill	.73 tons per capita per year

Analysis of Consistency with Objective 2.1.a: An analysis of the impacts to solid waste facilities has been provided within this report. The proposed amendment would not result in a decrease in the level of service for solid waste disposal facilities.

Policy 4.1.b: The City shall establish a Community Potable Water Service Area, which includes all areas where potable water service is available. Water service shall be deemed available if:

1. A water main exists within · mile of any residential subdivision with more than 5 units, or any multi-family residential development, or any commercial development, or any industrial development and water service can be accessed through public utility easements or right of ways. The distance shall be measured as required for construction of the infrastructure along public utility easements and right of ways.

Analysis of Consistency with Policy 4.1.b: The subject property is located within the potable water service area, and any future development on the subject property will be required to connect to the potable water system.

Conservation and Open Space Element

OBJECTIVE 1.3: Listed Species

The City shall protect species listed by State and Federal agencies as endangered, threatened or of special concern, and their habitats.

Policy 1.3.a: The City shall ensure that its ordinances, regulations and policies protect listed species and their habitats.

Policy 1.3.b: The City shall utilize the development review process, land acquisition programs, environmental regulatory partnerships, stewardship programs and public education to protect listed species and their habitat, and prevent extinction of or reduction in populations of listed species.

Policy 1.3.c: The City shall obtain data from the Florida Fish and Wildlife Conservation Commission, Alachua County Environmental Protection Department, Florida Department of Environmental Protection, to maintain a periodically updated inventory of listed species and habitats located within City limits or immediately adjacent to City limits. The City will use the Florida Natural Areas Inventory as a base inventory.

Policy 1.3.d: The City shall require prior to development approval, an inventory of listed species for all new developments in areas identified as known habitat for listed species. The inventory shall include detailed information regarding type, quantity, and location and habitat requirements for any listed species identified. De minimus threshold for properties required to complete the inventory shall be established in the City's Land Development Regulations.

Policy 1.3.e: The City's land use designations shall provide for the protection of threatened and endangered species.

Analysis of Consistency with Objective 1.3 and Policies 1.3.a – e: Based on the environmental assessment provided by the applicant, there are no significant environmental resources that would limit or impact development, except for the potential presence of gopher tortoises, FL burrowing owls, and eastern indigo snakes. As a condition of approval, the applicant will be required to provide a 100% gopher tortoise and FL burrowing owl survey prior to commencement of construction activities. The applicant will also be required to comply with standard measures of protection regarding eastern indigo snakes. The 100% gopher tortoise survey was completed on April 14, 2022 and submitted with the Construction Plans for Briarwood Phase 2 and 3.

ENVIRONMENTAL CONDITIONS & SITE SUITIBILITY ANALYSIS

Wetlands

According to the National Wetlands Inventory, no potential wetlands are located on the subject property. Any wetlands identified must be delineated and protected in accordance with the applicable protection standards.

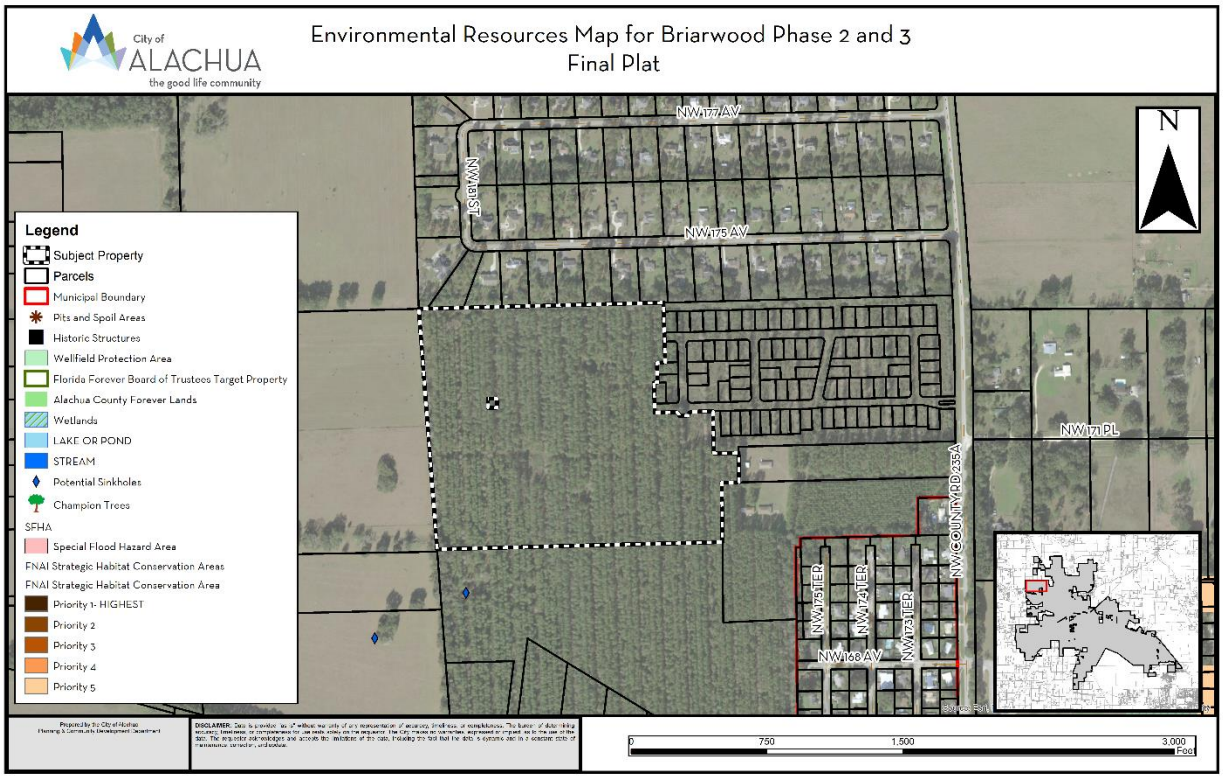
Evaluation: No wetlands have been identified on subject property. If wetlands are identified on subject property at a later time, the applicable standards in the City's Comprehensive Plan, Land Development Regulations, and Suwannee River Water Management District (SRWMD) regulations would apply to those areas identified as wetlands; therefore, there are no issues related to wetland protection.

Strategic Ecosystems

Strategic Ecosystems were identified by an ecological inventory project in a report prepared for Alachua County Department of Growth Management in 1987 and updated in 1996. The purpose of the inventory was to identify, inventory, map, describe, and evaluate the most significant natural biological communities in private ownership in Alachua County.

Evaluation: The subject property is not located within or adjacent to a Strategic Ecosystem, therefore, the development will not adversely impact any Strategic Ecosystem(s) identified within the ecological inventory report.

Map 2. Environmental Features



Regulated Plant & Animal Species

A wildlife survey report was conducted on April 14, 2022 by Bio-Tech Consulting, Inc,. for the area of Phases 2 and 3. The report included a 100% gopher tortoise survey and 100% FL

burrowing owl survey. The report indicated the presence of 4 (four) potentially occupied gopher tortoise burrows on site.

Evaluation: Based upon the findings of the 100% listed species survey and 100% gopher tortoise survey conducted by Bio-Tech Consulting, Inc. conducted on April 14, 2022, potential impacts upon protected species has been adequately addressed. The report indicates that a permit for relocation of the tortoises will be required through the Florida Fish and Wildlife Conservation Commission.

Soil Survey

The hydrologic soil group is an indicator of potential soil limitations. The hydrologic soil group, as defined for each specific soil, refers to a group of soils which have been categorized according to their runoff-producing characteristics. These hydrologic groups are defined by the Soil Survey of Alachua County, Florida, dated August 1985. The chief consideration with respect to runoff potential is the capacity of each soil to permit infiltration (the slope and kind of plant cover are not considered, but are separate factors in predicting runoff). There are four hydrologic groups: A, B, C, and D. "Group A" soils have a higher infiltration rate when thoroughly wet and therefore have a lower runoff potential. "Group D" soils have very lower infiltration rates and therefore a higher runoff potential.

There are five (5) soil type found within the development area:

Soil Type	Hydrologic Group	Drainage Class	Residential Buildings Without Basements	% of Subject Property (may not total to 100% due to rounding)
Arredondo fine sand, 0 to 5 percent slopes	A	Well drained	Not limited	35.0
Fort Meade fine sand, 0 to 5 percent slopes	A	Well drained	Not limited	21.3
Kendrick sand, 2 to 5 percent slopes	B	Well drained	Not limited	27.1
Norfolk loamy fine sand, 2 to 5 percent slopes	B	Well drained	Not limited	5.6
Arredondo fine sand, 5 to 8 percent slopes	A	Well drained	Not limited	10.9

Evaluation: The soil types located within the subject property do not pose any significant limitations for residential dwellings. Therefore, there are no issues related to soil suitability.

Flood Potential

Panel 0120D of the Federal Emergency Management Agency (FEMA) Flood Insurance Rate Map (FIRM) Series, dated June 16, 2006, indicates that the subject property contains areas with Flood Zone "X" designations (areas determined to be outside of the 500-year floodplain).

Evaluation: The subject property is located in Flood Zone "X" (areas determined to be outside of the 500-year floodplain. Therefore, there are no issues related to flood potential.

Karst-Sensitive Features

Karst sensitive areas include geologic features, such as fissures, sinkholes, underground streams, and caverns, and are generally the result of irregular limestone formations. The subject property is located within an area where sinkholes may potentially allow hydrologic access to the Floridan Aquifer System, however, best available data indicates that no sinkholes or known indicators of sinkhole activity are located on the subject property.

Evaluation: There are no geologic features located on the subject property which indicate an increased potential for karst sensitivity.

Wellfield Protection Zone

Policy 7.2.1 of the Future Land Use Element of the Comprehensive Plan establishes a 500 foot radial buffer around city-owned potable water well.

Evaluation: The subject property is not located within a City of Alachua wellhead protection zone as identified on the City of Alachua Wellfield Primary Protection Zones Map of the Comprehensive Plan, therefore, there are no issues related to wellfield protection.

Historic Structures and Markers

The subject property does not contain any historic structures or markers as determined by the State of Florida and the Alachua County Historic Resources Inventory.

Evaluation: There are no issues related to historic markers or structures.

FINDINGS OF FACT: COMPLIANCE WITH LAND DEVELOPMENT REGULATIONS

Section 2.4.10(G)(5)(d) of the City's Land Development Regulations (LDRs) establishes the standards with which all final plats must be found to be compliant. The application has been reviewed for compliance with the standards of Section 2.4.10(G)(5)(d). An evaluation and

findings of the application's compliance with the applicable standards of Section 2.4.10(G)(5)(d) is provided below.

2.4.10(G)(5)(d) *Final plat standards.* The final plat for subdivision shall:

(i) Comply with the standards contained in Article 7, *Subdivision Standards*;

Evaluation & Findings: The application has been reviewed for and is found to be in compliance with the applicable standards of Article 7, *Subdivision Standards*. Compliance with Article 7 is demonstrated collectively within the Preliminary Plat, Construction Plans, and Final Plat.

(ii) Be in substantial conformance with the preliminary plat, and the construction plans;

Evaluation & Findings: The application has been reviewed for and is found to be in substantial conformance with the preliminary plat and construction plans.

(iii) Be consistent with all other relevant provisions of these LDRs;

Evaluation & Findings: The application has been reviewed for and is found to be in compliance with all other applicable provisions of the LDRs, including but not limited to: Article 3, *Zone Districts*; Article 4, *Use Regulations*; Article 5, *Density, Intensity, and Dimensional Standards*; and Article 6, *Development Standards*.

(iv) Be consistent with all other relevant City ordinances and regulations;

Evaluation & Findings: An evaluation of the application's consistency with the City's Comprehensive Plan has been provided within this report. The application is consistent with all other relevant City ordinances and regulations.

(v) Address the provision of required public improvements in the following ways:
a. Submittal of a subdivider agreement in accordance with Subsection 2.4.10(G)(4) of this section, Subdivider agreement;
b. Provide the City with surety device in accordance with Section 7.4, Improvement guarantees for public improvements;

Evaluation & Findings: A subdivider agreement has been prepared in accordance with Subsection 2.4.10(G)(4). The subdivider agreement (included within the supporting application materials attached as Exhibit "A" to this report) establishes the requirements for the construction of infrastructure, inspection of infrastructure during construction, and the maintenance guarantee for infrastructure improvements. The foregoing provisions within the subdivider agreement meet the requirements of Sections 2.4.10(G)(4) and 7.4 of the LDRs.

(vi) Include the following certificates, which shall be signed by the subdivider and the LDR Administrator:
a. Certificate of subdivider's surveyor;

b. Certificate of City's review surveyor;
c. Certificate of approval by County Health Department, if applicable;
d. Certificate of approval by the Attorney for the City;
e. Certificate of approval by the City Commission; and
f. Certificate of filing with the Alachua County Clerk of Court.

Evaluation & Findings: The face of the plat provides all certificates as listed in Subsection 2.4.10(G)(5)(d)(vi).

PUBLIC FACILITIES IMPACT

The analysis of each public facility provided below represents an analysis of the impacts which would be generated by the proposed development, which consists of 145 single-family residential units.

At present, the impacts which would be generated by the proposed development are acceptable and are not anticipated to degrade the Level of Service (LOS) of any public facility. A final plat is a final development order so concurrency will be reserved, if the Plat is approved by the City Commission.

Evaluation: The proposed development would increase the maximum potential demand from the development of the subject property to 39,875 gallons per day. This analysis is based on the maximum development potential of 145 single-family residential dwellings that would be permitted by the proposed final plat. Concurrency and impacts to the City's utility systems will be reevaluated at construction plan and Final Plat stage. It is anticipated that the proposed amendment will not adversely affect the Level of Service ("LOS") for potable water facilities, and the impacts are therefore acceptable.

It is anticipated that the proposed amendment will not adversely affect the Level of Service ("LOS") of solid waste facilities; therefore, the impacts are acceptable.

Public School Impact

A School Capacity Review was submitted to The School Board of Alachua County (SBAC) in accordance with the City's Comprehensive Plan, specifically Policies 1.1.b, 1.1.c, 1.1.e, and 1.1.f of the Public School Facilities Element. According to the School Capacity Review report submitted to the City by the School Board of Alachua County on August 25, 2022 the students generated by the proposed development can be reasonably accommodated for the five, ten, and twenty year planning periods at the elementary, middle, and high school levels.

RE: Briarwood Phases 2 and 3 Construction Plans Approval

Dear Mr Rouhier:

The City of Alachua has reviewed the revised Construction Plans of Briarwood Phases 2 and 3, as submitted on and dated August 4, 2022, and has determined that the plans are in substantial conformance with the approved Preliminary Plat/Final PD Plan, Article 7, *Subdivision Standards*, of the City's Land Development Regulations (LDRs), and City construction standards. The Preliminary Plat for Briarwood was approved by the City Commission on November 4, 2019.

In accordance with Section 2.4.10(G)(4)(e) of the City's LDRs, the Construction Plans are hereby approved as of September 20, 2022.

Two approved sets of the Construction Plans will be provided to you. One approved set of the Construction Plans must be located on-site and available for inspection by City Staff while any construction-related activities associated with this Development Order are in occurrence. The second approved set of Construction Plans must serve as the project's as-built set and must be returned to the City upon completion of the project.

Section 2.4.10(G)(3)(h) of the City's LDRs establishes the period of validity for preliminary plats. The Preliminary Plat for the Briarwood subdivision is currently valid until **March 20, 2023,** which is 6 months from the date of approval of construction plans for a portion of the approved preliminary plat. In no case shall a preliminary plat be valid for a period of more than six (6) years from the original date of approval by the City Commission (Maximum Period of Validity of the Briarwood Preliminary Plat: November 4, 2025).

Should the Preliminary Plat for Briarwood expire, this approval of the Construction Plans for Phases 2 and 3 shall be null and void. In order to reinstate this approval, the applicant will be required to resubmit the Preliminary Plat and Construction Plans, supporting materials, fees, and re-obtain approval.

If you have any questions regarding this approval, please feel free to contact me at (386) 418-6100 x 1603.

Sincerely,

Adam Hall, AICP

A determination that there is adequate school capacity for a specific project will satisfy requirements for review for school concurrency for the periods of time consistent with the Interlocal Agreement and specified in local government land development regulations; an agreement by the School Board with the developer and local government is required to extend the period for approvals for phased projects beyond the generally applicable time period

EXPLANATION OF STUDENT GENERATION CALCULATION

Student Generation is calculated based on the type of residential development and the type of schools. The number of student stations (by school type - Elementary, Middle and High School) used for calculating the school concurrency impacts is equal to the number of dwelling units by housing type multiplied by the student generation multiplier (for housing type & school type) established by the School Board. Calculations are rounded to the nearest whole number. Student Generation for each school type is calculated individually to assess the impact on the **School Concurrency Service Area (SCSA)** for each school type (Elementary, Middle and High School).

SCHOOL CONCURRENCY SERVICE AREAS (SCSA) FOR PROJECT LOCATION

Based on the project location, please identify the corresponding School Concurrency Service Areas for each school type. Maps of the SCSAs may be viewed on the Alachua County Public Schools website.

SUBDIVIDERS AGREEMENT FOR BRIARWOOD PHASE 2 AND PHASE 3

This SUBDIVIDERS AGREEMENT for Briarwood Phase 2 and Phase 3 (the "Agreement") is made this _____ day of _____, 2022.

BETWEEN

DEVELOPER: Troon Creek, LLC,
a Florida Limited Liability Company ("Developer")
Whose address is:
643 Egret Place Drive
Winter Garden, FL 34787

AND

CITY: CITY OF ALACHUA, a municipality in Alachua County, FL ("City")

RECITALS:

WHEREAS, the DEVELOPER is developing a residential subdivision in the City known as Briarwood Phase 2 and Phase 3 (the "Project"), legally described in attached Exhibit "A" (the "Property" or "Land") and further described in the Plat for Briarwood Phase 2 and Phase 3 as set forth in Plat Book _____ page _____ of the Public Records of Alachua County (the "Plat"), a copy of which is attached hereto as Exhibit "B";

WHEREAS, the Property or Land which is described in the Plat for the Project is owned by Troon Creek, LLC, a Florida Limited Liability Company, whose mailing address is: 405 Cinnamon Oak Court, Lake Mary, FL 32746;

WHEREAS, the Developer wishes to enter into a Subdividers Agreement with City as part of the City's site specific regulations for applications for development orders for the subdivision of land as further set forth and required in Section 2.4.10(G)(4) of the City's Land Development Regulations (the "LDRs");

WHEREAS, the Developer acknowledges that this Agreement is a valid exercise of the City's police powers and it is authorized by, among other things, Article VIII, Section 2(b) of the Florida Constitution, Section 163.3161, *et. seq.,* Fla. Stat., Section 163.3202, Fla. Stat., and Section 166.201 Fla. Stat.;

WHEREAS, the Developer acknowledges that this Agreement is governed by the City's LDRs and, as such, the Developer must utilize the administrative procedures contained in the LDRs in the event there is any dispute regarding or in any way arising out of this Agreement; and

WHEREAS, the Developer acknowledges that this Agreement is a regulatory agreement required as part of the process for the issuance of Development permits for the Project and, as such, Developer shall not have and waives any claim for monetary damages against the City in the event of any dispute regarding or in any way arising out of this Agreement.

NOW THEREFORE, in consideration of the foregoing recitals, the Developer and City hereby agree to and specify the following:

1. **Recitals:** The above information and recitals are true and correct and are incorporated as material terms of this Agreement by reference.

2. **Certificate of Concurrency Compliance:** The City agrees to reserve public facilities for the Project as set forth in the Certificate of Concurrency Compliance attached hereto as Exhibit "C" and incorporated herein by reference.

3. **Construction:** The Developer shall construct, at Developer's sole expense, the public and private improvements [including, but not limited to, roadways, streetlights, water facilities, wastewater facilities, electric system facilities, right of ways, easements, stormwater conveyance systems, and drainage facilities as reflected on the Plat which will be recorded for the Project (the "Improvements")], for the Project according to the specifications for MAJOR SUBDIVISIONS as set forth in the City's LDRs and in accordance with the design documents, including, but not limited to the Construction Plans prepared by the Developer's design engineer (the "Plans"), which were filed with the City by the Developer, and have been reviewed and approved by the City in accordance with the LDRs. Developer agrees to proceed with the construction of the Improvements for the Project, with the exception of the sidewalks depicted on the Construction Plans which sidewalks abut or are immediately adjacent to a residential house lots depicted on the Plat (herein referred as "House Sidewalk" or "House Sidewalks" which are further addressed in paragraph 15 below), in a diligent manner, and Developer shall complete these Improvements on or before September 28, 2023. Developer will be accessing the Project through the Briarwood Phase 1 Subdivision. Developer shall be responsible for any damages caused in or to the Briarwood Phase 1 Subdivision by any of the construction vehicles or equipment utilized on or in conjunction with the construction in the Project. In the event the City's Public Services Director, in his sole discretion, determines such damages have been sustained, he shall provide the Developer written notice of the damages with a time frame in which the Developer shall cure the damages. The failure of the Developer to timely cure the damages shall be a default under this Agreement and the City shall be able to make a claim for payment for the correction of damages under the Common Law Performance Bond referenced in paragraph 9 below.

4. **Drainage:** Drainage facilities for the Property shall be maintained in accordance with the approved Plans for the Project at the sole expense of the Developer.

5. **Fire Flow:** The Developer specifically acknowledges that future development and buildings constructed within the Project shall comply with the fire flow standards as set forth in the Florida Fire Prevention Code (the "FFPC"), which is adopted as part of the Florida Building Code (the "FBC"), as amended and effective at the time of such future development. It is the Developer's sole responsibility to comply with these fire flow standards. Nothing in this Agreement, including, but not limited to, the Plans and or the Certificate of Concurrency Compliance for the Project, attached hereto as Exhibit "C" in any way impacts or waives the requirement for future development and buildings within the Project from complying with the FFPC and FBC, as amended and effective at the time of such future development.

6. **Conveyance:** The Developer shall convey all of the required public Improvements to the City, however, the parties agree that the public Improvements shall not be accepted by the City until the public Improvements have been completed, approved by the City, a one-year warranty period as described below has concluded, and the City Commission of the City of Alachua (the "Commission") officially accepts the Improvements. Acceptance of the House Sidewalks shall be as set forth in paragraph 15 below.

7. **Compliance:** The Developer warrants that it will construct all of the Improvements in accordance with the approved Plans and Plat for the Project, City's LDRs, and all applicable regulations, ordinances, laws, rules and the terms of this Agreement.

8. **Recording:** The Plat for the Project shall be recorded by the Developer in the Public Records of Alachua County, Florida, immediately after its approval by the Commission. The Developer shall record the Plat and provide the City with a certified copy of the recorded Plat within one (1) business day of the recording of the Plat. The City shall record this Agreement within five (5) business days of receiving the certified copy of the recorded Plat. The Developer shall pay all costs associated with the recording of this Agreement.

9. **Surety Devices:** With the exception of the construction of the House Sidewalks, and in order to comply with Sections 2.4.10(G)(4), 6.10.2, and 7.4.1 of the LDRs, the Developer further warrants and agrees, as follows:

    a. Upon the approval of this Agreement and prior to the recordation of the Plat for the Project, Developer shall provide the City with a Common Law Performance Bond ("Bond") in a form acceptable to the City in the amount of $5,703,808.01 (120% of the $4,753,173.34 estimated construction costs as set forth in the Certification in attached Exhibit "D") as the surety instrument and guarantee of the satisfactory construction of all of the Improvements required for the Project in accordance with this Agreement. This Bond shall remain in full force and effect unit the terms of this Agreement have been fulfilled.
    b. Upon Developer's timely and satisfactory completion of the Improvements and the City's approval (but not acceptance) of these Improvements, and the Developer providing an acceptable maintenance surety instrument to the City in the amount of 10 percent of the certified value of the complete Improvements (approximately

$475,371.33 as set forth in the Certification in attached Exhibit "D"), the City will return the original $5,703,808.01 Common Law Performance Bond to the Developer, less any reductions requested by the City for the completion of any Improvements.

10. **Inspections:** Upon the City's approval of the Plans, the Plat, and the Developer's compliance with the terms of this Agreement, including surety instruments, the Developer may commence construction of the Improvements. Construction shall be completed on or before September 28, 2023 (with the exception of House Sidewalks – see paragraph 15 below). During the construction period, the Project's Engineer of Record, or Professional Engineer with a Professional Engineering Services Agreement with the City of Alachua, shall perform Construction Inspection Services (CIS) and shall prepare and provide to the City inspection reports at the following benchmarks:

    a. Inspection of Underground Stormwater System: at beginning of process; during 2 pipe laying activities; during 3 random backfilling operations; and inspection of the completed system by visual and TV camera.
    b. Inspections of sewer system: at the beginning of work; during 3 random manhole placements; 3 random pipe placements; 3 backfilling operations; and inspection of the completed system with TV camera.
    c. Inspection of water system: at the beginning of work; during all taps or city connections; 3 random pipe placements; 3 backfilling operations; and inspection of the completed system including disinfection and pressure testing.
    d. Inspection of the electrical conduit: at the beginning of work; during all city connections; 3 random pipe placements, 3 backfilling operations; and inspection of completed system.
    e. Inspection of Stormwater Management basin: at the rough grade stage, outfall placement; final grassing and inspection of completed system.
    f. Inspection of pavement: at sub grade of all roads for line and grade and yielding; lime rock base for placement and finish; asphalt inspections at the beginning of operations; at least 3 random quality control checks during placement, asphalt inspection; and inspection of completed pavement. If necessary, a thin asphalt coat shall be added to any areas of the streets in order to provide a smooth graded finish, in particular, around curbs.

    The Project's Engineer of Record or the Professional Engineer performing CIS shall submit the inspection reports to the City. The inspection reports shall show any discrepancies and shall note the correction of each discrepancy in a subsequent report. The Developer shall provide each inspection report to the City's Public Services Department with a copy to the City's Department of Planning and Community Development within three (3) business days of each inspection. City may, in its sole discretion, demand in writing the immediate correction of any discrepancies contained on any of the inspection reports within a reasonable period set forth in the written demand. If the correction is not completed in the timeframe in the demand, the City is authorized to make a demand on the Common Law Surety Bond for the amount needed in order to correct the discrepancy.

Upon completion of the Improvements, the Developer shall have the Project's Engineer of Record, or the Professional Engineer performing the CIS conduct a final inspection and compile a final punch list. Upon the Project's Engineer of Record or the Professional Engineer performing the CIS providing a final report to the Developer and the City indicating that all of the deficiencies noted in any inspection report and on the final punch list have been completed and the Improvements are in working order and in accordance with the Plans and LDRs, the LDR Administrator or designee shall thereafter perform a final inspection and provide a list specifying all defects, deficiencies, and necessary repairs to the Developer within 60 days of receipt of the final report. Upon completion of any and all repairs and a certification by the Project's Engineer of Record or the Professional Engineer performing the CIS that the Improvements have been completed in accordance with the requirements of this Agreement, the Plans, and the LDRs, the Project's Engineer of Record or the Professional Engineer performing the CIS shall submit a certified cost of construction for the completed Improvements. The Developer shall then provide a Common Law Performance Bond in the amount of 10% of the certified cost of construction as the one-year maintenance surety to the City as set forth in Paragraphs 9.b. above.

11. **No Final Inspections or Occupancy**: In the event the Developer conveys any interest, legal or equitable, to any property in the Project, notice hereby given to the Developer that the City shall not conduct a final inspection on any house nor will the City provide permanent City utility services to any house in the Project until the Improvements required in this Agreement have been completed and approved in accordance with this Agreement. The Developer is responsible for the repair of any Improvements damaged as a result of the construction of any single-family homes. Developer agrees that there is no reasonable business backed expectation that any purchasers of lots or houses will be able to occupy or inhabit houses in the Project until this approval of the Improvements has occurred.

12. **Warranty Period:** The Developer warrants all Improvements for the Project for a period of one year from the City's approval, other than routine maintenance. Should the City, in the City's sole discretion, deem repairs are needed to the Improvements, the City shall provide notice to the Developer and the repairs shall be made within thirty (30) days of written notice. In the event the Project's Engineer of Record determines that a requested repair will take more than thirty days to complete, the repair shall be completed in the amount of time determined in the sole discretion of the City's Public Services Director. The Developer shall be responsible for making all repairs so long as notice is sent or delivered to the Developer within the one-year warranty period. The warranty period shall be automatically extended until the completion of all requested repairs. If the Developer does not complete the repairs within thirty days from the notice, it shall constitute a breach of this Agreement.

13. **Inspections Following Warranty Period:** After the warranty period, the Developer shall submit a final certification prepared by the Developer's Engineer of Record that all of the Improvements have been completed and constructed in accordance with the plans and applicable regulations and are functional and in good working order. The installation of the public Improvements shall in no case bind the City to accept the public Improvements for public maintenance or operation until the Public Services

Director has approved that the Improvements to be constructed in accordance with the LDRs, the City of Alachua Requirements for Design and Construction, applicable Florida Department of Transportation standards, and all other applicable requirements and regulations and the Commission has accepted the public Improvements. Within 60 days of the Public Services Director's approval, the Commission will formally accept maintenance of the public Improvements and release the Maintenance Common Law Performance Bond. The maintenance of the stormwater management system shall be the responsibility of the Developer and its successors.

14. **Maintenance of Landscape Improvements within City Rights-of-Way:** The Developer agrees to construct, install and maintain all landscape improvements located within the right-of-way as shown in the approved Construction Plans for the Project at its sole cost and expense. Should the developer or successor fail to install or maintain the landscape improvements in accordance with the approved Construction Plans, the City may provide written notice to the Developer or its successor, specifying the nature of the deficiency. Within 30 days following receipt of such notice, the Developer or successor homeowner's association shall cause the appropriate repairs or cure to be effected. In the event damage or failure to maintain results in a situation where public safety is at risk, the City may, in its sole discretion, effect repairs to the Improvements without the need of prior notice to the Developer or its successor. The City will promptly bill the Developer, its successors or assigns. If the bill is not paid within 30 days, it shall be a default hereunder and the City shall have the right, but not the obligation, to make a claim under the Bond.

15. **Construction, Installation, and Surety Devices for House Sidewalks:** The Construction, deadlines and surety devices for the House Sidewalks shall be as follows:

    a. Construction Deadline: The developer shall complete the construction and installation of the House Sidewalks in accordance with the Plans and attached Exhibit E. The construction of all of the House Sidewalks shall be completed on or before September 28, 2028. If Developer has not completed all of the House Sidewalks by September 28, 2028, the City shall have the right, but not the obligation, to make a demand on the House Sidewalks Common Law Performance Bond describing in paragraph b. below, for completing as many of the remaining sidewalks as possible with this money. The City shall not, however, have any obligation to expend any money other than the proceeds from the House Sidewalk Common Law Performance Bond to construct sidewalks in the Project.
    b. Surety Devices: In order to comply with Sections 2.4.10(G)(4), 6.10.2, and 7.4.1 of the LDRs, the Developer shall provide the City with a Common Law Performance Bond, in a form acceptable to the City, as the surety instrument to guarantee the satisfactory completion of the House Sidewalks as required in this Agreement. The amount of the House Sidewalk Common Law Performance Bond shall be $245,875.08 ($204,895.90 x 120% of the certified estimated cost of completion in attached Exhibit E). Upon the satisfactory completion and inspection of the House Sidewalks, but not the acceptance, the Developer shall provide the

City with a Maintenance House Sidewalk Common Law Performance Bond in the amount of $20,489.59 ($204,895.90 x 10%) for the one-year maintenance period. The City will then release and return the House Sidewalk Common Law Performance Bond.

c. Final Approval and Acceptance: Within one year of the completion of all of the House Sidewalks, the City's Public Services Department will do a final inspection and notify the Developer in writing of any deficiencies, in the City's sole discretion. The Developer shall have 30 days to cure these deficiencies. If the Developer does not cure these deficiencies within 30 days, the City shall be authorized to have the work done and make a demand on the House Sidewalks Maintenance Common Law Performance Bond to pay for the remedial work. Once the remedial work is complete, the House Sidewalks will be submitted to the Commission for acceptance. After the Commission's acceptance of the House Sidewalks, the House Sidewalks Maintenance Common Law Performance Bond will be released and returned to the Developer.

d. The Developer shall have complete and exclusive liability for all claims and shall indemnify the City for all claims, including but not limited to claims for bodily injury and damages, in any way related to or arising out of the construction, completion or non-completion of the House Sidewalks undertaken by the Developer until the Commission has officially accepted the House Sidewalks.

16. **Non-Interest-Bearing Account:** All cash deposits made by Developer to the City under this Agreement shall be separately segregated on the books of the City and deposited into a non-interest-bearing bank account.

17. **No Inordinate Burden on Land:** The Developer further agrees that the requirements under this Agreement in no way inordinately burdens any existing use of the Land or vested right to specific use of the Land described in Exhibit "A" and set forth in the Plat to be recorded for the Project, attached hereto as Exhibit "B".

18. **Withholding Permits:** The City may, in its sole discretion, withhold any and all inspections, permits, and/or certificates for the Project if such action is deemed necessary by the City to secure the Developer's compliance with the terms of this Agreement.

19. **Compliance with Other Laws:** Nothing contained in this Agreement shall relieve the Developer or its successor or assigns from obtaining any local, regional, state or federal permits or complying with any ordinances, laws, rules, or regulations applicable to the development of the Project.

20. **Police Powers:** In the event the Developer, the Developer's agents, contractor, subcontractors, or anyone else acting on behalf of the Developer or the Developer's contractor or subcontractors may be liable or responsible, fails to comply with any applicable ordinance, law, rule or regulation and such failure tends to or does pose an imminent threat or danger to life or of great bodily injury to any person working on the

job or to any member of the general public, the City, in its sole discretion through its City Manager or designee, has the right to exercise its police powers and to stop work on the Project until appropriate corrective measures are taken, without limiting any other remedies available to the City.

21. **Indemnity:** The Developer shall indemnify and hold harmless the City of Alachua, its officers, agents, employees, attorneys, or anyone's action directly or indirectly on behalf of the City, from and against all claims, damages, losses, and expenses, including reasonable attorney's fees, arising out of or resulting from a loss in performance of work, down-time of equipment, or any claim that may arise from bodily injury, sickness, disease or death, or the injury to or destruction of tangible property, including the loss of use resulting therefrom, caused in whole or in part by a negligent or wrongful act or omission on the part of the Developer, Developer's agent, contractor, subcontractors, or anyone directly or indirectly employed or working on behalf of the Developer for whose acts the Developer or its agent, contractors, or subcontractors may be liable or responsible. The Developer further agrees that the Developer shall not insulate itself from liability or responsibility to the City for a default in or failure to perform any of the terms of this Agreement, or from responsibility under this indemnification clause by employment of independent contractors or subcontractors or other entities. The Developer shall remain liable to the City notwithstanding any attempt by the Developer to pass any responsibility set forth herein to its contract, subcontractors, or other agent or employee.

22. **Payments:** Any payments due from the Developer to the City shall be made either by bank check or cashier's check payable to the City of Alachua, Florida, and provided to the City at the address in Paragraph 25 below.

23. **Agreement Runs with Land:** This Agreement shall be recorded in the Public Records of Alachua County, Florida and shall run with the Land.

24. **Default by Developer:** Should Developer fail to complete the Improvements in accordance with this Agreement, the City shall be entitled to make immediate demand on any Common Law Performance Bond provided by Developer hereunder, and also be entitled to any other remedies allowed by law. The City's rights to declare a default are cumulative and the City's failure to declare a default at any time shall not waive its right to declare a future default.

25. **Notices:** Except as otherwise provided in this Agreement, any notice, request, or approval, from either party to the other party must be in writing and sent by certified mail, return receipt requested, or by personal delivery. Such notice will be deemed to have been received when either deposited in the United States Postal Service mailbox or personally delivered with a signed proof of delivery. For purposes of notice, the parties and their respective representatives and addresses are:

City: City of Alachua
Attn: City Manager / LDR Administrator

Via Hand Delivery:	15100 NW 142nd Terrace Alachua, FL, 32615
Via U.S. Mail:	Post Office Box 9 Alachua, FL 32616
Developer/Owners: *Via USPS or* *Hand Delivery:*	Troon Creek, LLC 643 Egret Place Dr. Winter Garden, FL 34787

26. **Binding Effect:** The City and Developer each bind the other and their respective successors and assigns to all of the terms, conditions, covenants and provisions of this Agreement.

27. **Severability:** If any provision of this Agreement is declared void by a court of law, all other provisions will remain in full force and effect.

28. **Not Assignable Without Approval:** This Agreement shall not be assignable by the Developer without the written approval of the Commission.

29. **Enforcement:** The failure of either City or Developer to exercise any right under this Agreement shall not waive such right in the event of any future default or non-compliance with this Agreement.

30. **Jurisdiction and Venue:** This Agreement is governed in accordance with the laws of the State of Florida. Venue for any action regarding this Agreement shall be in the Circuit Court in Alachua County, Florida.

31. **Amendment:** This Agreement may only be amended by mutual written agreement by the City and the Developer with prior approval of the Commission.

32. **Legal Advice:** The Developer and the City have each had the advice of their respective attorneys before entering into this Agreement, including all exhibits hereto.

33. **Joint Preparation:** This Agreement has been drafted with participation of the City and the Developer and shall not be construed against either the City or Developer on account of draftsmanship.

34. **Captions and Headings:** Paragraph headings are for convenience only and shall not be used to construe or interpret this Agreement.

35. **Time of Essence:** Time is of the essence in complying with each and every term and condition of this Agreement.

36. **Entire Agreement:** This Agreement constitutes the entire agreement of the City and the Developer and supersedes all prior written or oral agreements, understanding or representations.

37. **Exclusive Remedy:** In the event of any question or dispute arising out of or related to this Agreement, the sole and exclusive remedy of the Developer against the City, after Developer exhausts all administrative remedies in the City's LDRs, shall be an action for declaratory judgment. Developer specifically waives all other remedies it may have against the City. In no event shall Developer have a cause of action for monetary damages against the City for anything in any way related to or arising out of this Agreement.

38. **Sovereign Immunity:** The City does not waive its sovereign immunity in entering into this Agreement. Nothing herein, expressed or implied, waives or should be construed to be a waiver or an attempt to waive the sovereign immunity of the City under the Florida Constitution and the laws of the State of Florida.

39. **No Future Representations**: The City's approval of this Subdividers Agreement for Briarwood Phase 2 and Phase 3 does not in any way imply, represent, require or guarantee that the City will approve the application for any other phase of the development of Briarwood.

CERTIFICATE OF CONCURRENCY COMPLIANCE FOR BRIARWOOD PHASE 2 AND PHASE 3

This Certificate of Concurrency Compliance ("Certificate") is hereby issued to Troon Creek, LLC, a Florida Limited Liability Company authorizes to transact business in the State of Florida and ("Developer/Owner") by City of Alachua, Florida ("City") this ___ day of _____, 2022.

RECITALS

WHEREAS, the Developer/Owner is developing a residential subdivision in the CITY known as Briarwood Phase 2 and Phase 3 (the "Project"), legally described in attached Exhibit '1'.

WHEREAS, the Developer/Owner has secured a Subdivider Regulatory Agreement for the Project from the City for the Project (herein "Subdivider Agreement") as part of the City's site specific requirements for applications for Development permits for the subdivision as further set forth in Section 2.4.10(G)(4) of the City's Land Development Regulations (the "LDRs");

WHEREAS, the LDRs provide in Article 2, Section 2.4.14 for the issuance of a Certificate of Concurrency Compliance by the City as to provide a mechanism for reviewing applications for development approval to ensure that no development order is issued unless there is adequate public facility capacity for roads, sanitary sewer, solid waste, stormwater management, potable water, recreation, or public school facilities. This review is part of a regulatory program of the City to ensure that the adopted level of service standard for each public facility is available to serve development concurrent with the impacts of development;

WHEREAS, Section 2.4.14, requires that a project have one or more of the following land development permits in order to be eligible for issuance of a Certificate of Concurrency Compliance;

WHEREAS, the Project is zoned Residential Single Family- 4 ("RSF-4");

WHEREAS, the Project has an approved preliminary plat approval for a residential subdivision for the Project;

WHEREAS, the Project is now ready to proceed to approval of a Final Plat comprised of 145 residential lots;

WHEREAS, the Developer/Owner intends to immediately initiate construction on the Project;

WHEREAS, the Developer/Owner of the Project agrees to submit payment for sewer connection fees as determined in the City's Capital Facilities charges and as set forth in Section

38-139 of the City of Alachua Code of Ordinances, as those fees exist prior to the final inspection of each residential unit;

WHEREAS, the Developer/Owner of the Project further agrees to submit payment for water connection fees as determined in the City's Capital Facilities charges and as set forth in Section 38-139 of the City of Alachua Code of Ordinances, as those fees exist prior to the final inspection of each residential unit; and

WHEREAS, the City has determined that adequate water and wastewater capacity exists to the Project;

WHEREAS, the Developer/Owner acknowledges that this Certificate of Concurrency Compliance is a valid exercise of the City's police powers and is authorized by, among other things, Article VIII, Section 2(b) of the Florida Constitution, Section 163.3161, *et. seq.,* Fla. Stat., Section 163.3202, Fla. Stat., and Section 166.201 Fla. Stat.;

WHEREAS, the Developer/Owner acknowledges that this Certificate of Concurrency Compliance is governed by the City's LDRs and, as such, the Developer/Owner must utilize the administrative procedures contained in the LDRs in the event there is any dispute regarding this Certificate; and

WHEREAS, the Developer/Owner acknowledges that this Certificate of Concurrency Compliance constitutes a regulatory agreement required as part of the process for the issuance of Development permits for the Project and, as such, Developer/Owner has no claim for monetary damages against the City in the event of any dispute regarding this Certificate, Developer/Owner's sole remedy for any dispute in any way relating to this Certificate is an action for declaratory relief, and nothing in this Certificate expressed or implied waives or should be construed to as a waiver or attempted waiver by the City of its sovereign immunity under the Florida Constitution and the laws of the State of Florida;

NOW THEREFORE, BASED UPON THE FOREGOING RECITALS, findings of fact and conclusion of law, the City issues this Certificate of Concurrency Compliance subject to the following conditions of issuance:

1. The above recitals are true and correct and are incorporated into this Certificate of Concurrency Compliance by reference.

2. The City will reserve 36,250 gallons per day (145 lots x 250 gallons per day) of wastewater capacity for the 145 units proposed in the Project. This capacity reservation is intended solely for residential uses to be constructed within the Project as defined by applicable development permits including, but not limited to construction plans and Subdivider Agreement, on file with the City.

3. The City will reserve 39,785 gallons per day (145 lots x 275 gallons per day) of water capacity for the 145 units proposed in the Project. This capacity reservation is intended solely for residential uses to be constructed within the Project as defined

by applicable development permits including, but not limited to construction plans and Subdivider Agreement, on file with the City.

4. The City will reserve the following trips of traffic capacity for the 145 units proposed in Briarwood Phase 2 and Phase 3 as defined by applicable development permits, including construction plans and subdividers agreement, on file with the City: 1,369 Average Annual Daily Trips ("AADT") and 144 Peak Hour Trips along CR 235- A (north of US Highway 441); 868 AADT and 91 Peak Hour Trips along US Highway 441(from I-75 to CR 235-A); 87 AADT and 9 Peak Hour Trips along US Highway 441 (from CR 235-A to NW 188th Street).

5. The City will reserve 1.81 acres (2.5 persons per household x 145 units x 5 acres per 1,000 persons) of recreation capacity for the 145 units proposed in Briarwood Phase 2 and Phase 3 as defined by applicable development permits, including but not limited to the construction plans and subdividers agreement, on file with the City.

6. The City will reserve 264.63 tons per year (0.73 tons per capita per year x 2.5 persons per household x 145 units) of solid waste capacity for the 145 units proposed in Briarwood Phase 2 and Phase 3 as defined by applicable development permits on file, including but not limited to, construction plans and subdividers agreement, on file with the City.

7. The City will reserve seventeen (17) student stations in the Alachua School Concurrency Service Area (ACSA) for elementary schools, nine (9) student stations in the Alachua SCSA for middle schools, and thirteen (13) student stations in the Alachua SCSA for high schools, for the 145 units proposed in Briarwood Phase 2 and Phase 3.

8. This Certificate of Concurrency Compliance shall remain in effect for a period of one (1) year from the date of the approval of the Subdivider Agreement between the parties hereto.

9. It is the intent of the City and Developer/Owner that this Certificate of Concurrency Compliance be incorporated into and considered a part of the Subdividers Regulatory Agreement executed by the Developer/Owner and City for the Project dated the ___ day of _____, 2022. Failure to comply with the term of that Subdivider Regulatory Agreement shall result in the termination of the reservations in this Certificate.

10. This Certificate of Concurrency Compliance shall not be construed to be an absolute guarantee for the reservations should events occur which are outside the control of the City.

THIS CERTIFICATE OF CONCURRENCY COMPLIANCE IS ISSUED this ____day of _____, 2022, and is subject to the terms and findings as stated herein.

RE: Project Assistance Team Comments for Briarwood Phase 2 and Phase 3 Final Plat - *REVISED*

Dear Ms Bryan:

On July 19, 2022 the City of Alachua received your revised and complete application for the Final Plat for Briarwood Phase 2 and Phase 3, which proposes to subdivide a ±45.16 acre tract (Parcel 03044-010-003) into a total of 145 lots, with associated open spaces and rights-of-way. On November 4, 20219, the City Commission of the City of Alachua approved the application for the Preliminary Plat of Briarwood, which proposed to subdivide a ±74.17 acre subject property into a total of 229 lots, with associated open space areas and right-of-way. Construction Plans for Briarwood Phases 2 and 3 have not yet been approved.

The application has been reviewed for compliance with the applicable review standards, including the approved Planned Development Ordinance, approved Preliminary Plat, the City's Comprehensive Plan and Land Development Regulations (LDRs). Based upon Staff's review, revisions must be made to the application before it will be approved. Please address all insufficiencies outlined below in writing and provide an indication as to how they have been addressed by 5:00 PM on **Thursday, August 11, 2022.** Upon receipt of your revised application, Staff will notify you of any remaining insufficiencies which must be resolved, if any, before the item may be forwarded to the City's Planning and Zoning Board. A Project Assistance Team (PAT) meeting has been scheduled for August 1, 2022 to discuss these comments.

Please address the following insufficiencies:

Deficiencies to be Addressed

Unless otherwise noted, references to code Sections refer to City of Alachua Land Development Regulations. Where applicable, new comments are noted.

1. **Plat**
    a. Clarify owner's dedication. Will Troon Creek be taking title to property prior to hearing before the City Commission? Title and title opinion must reflect actual ownership and correspond with owner's information on plat.
    b. County Health Department signature not required as the subdivision will be connecting to the City's potable water and wastewater systems.
    c. Confirm lift station deed as Book 4830, Page 1485, Official Records of Alachua County. Include as part of Note 16 of Plat.

d. Note 8 of Plat indicates that the Plat includes 144 lots, but all other documents indicate 145 lots.
e. Notation must be added on plat that the street stubs at western terminus of 120th Place and southern terminus of NW 167th Way will be converted to traffic calming devices. See Section 7.2.5 (D)(2).
f. Sheet 2 of Plat mislabels street numbers.
g. Line 8 of paragraph 1 of Owner's Dedication misspells "hereby".
h. Last line of paragraph of Owner's Dedication should read (emphasis added) - "**a** municipality **in** Alachua County, Florida".
i. Add signature block for City Attorney on plat.
j. Verify title of Mortgagee's Approval signature blocks (mortgage vs mortgagee).
k. Related off-site easements adjacent to this proposed plat must be labeled and displayed.
l. Paragraph 2 of Owner's Dedication states "additional rights-of-way". Clarify or remove "additional".
m. Add "Tract RW-1" to NW 176th Way street label on Sheet 2 and Sheet 6.

2. **Subdividers Agreement**
   a. Applicant must provide estimate for sidewalks to be constructed in front of lots and indicate type of surety to be used in order to complete draft of Subdividers Agreement.
3. **Public Services/ Outside Review**
   a. Applicant must address all comments issued by the City's Compliance and Risk Management Department in an email dated July 28, 2022 and attached to this letter.
   b. Applicant must address all comments issued by Rodolfo Valladares, P.E., Public Services Director, and Tom Ridgik, P.E., Engineering Supervisor in a memo dated August 1, 2022 and attached to this letter.
   c. Applicant must address all comments issued by eda consultants, inc in a forthcoming letter.
4. **Completeness Review**
   a. Authorized agent form remains deficient. Submitted authorized agent form is not signed by current Property Owner of subject property and does not authorize Allen and Company to submit on behalf of the property owner.
   b. Provide title certification for review and inspection by reviewing surveyor and City Attorney.

If you have any questions regarding the information above, please contact me at 386-418-6100 x 1603 or via e-mail at ahall@cityofalachua.com. We look forward to receiving your revised application.

Adam,

I mentioned to you today, after a quick review of the proposed plat, several changes in the plat "Dedication". Included here are the changes previously mentioned along with other comments.

Substitute the following paragraph 1:
KNOW ALL MEN BY THESE PRESENTS: THAT TROON CREEK, LLC. A FLORIDA LIMITED LIABILITY COMPANY, FEE SIMPLE OWNER OF THE LAND DESCRIBED AND PLATTED HEREIN AS "BRIARWOOD PHASES 2 AND 3", BEING IN THE CITY OF ALACHUA, A MUNICIPALITY IN ALACHUA COUNTY, FLORIDA , HAS CAUSED SAID LANDS TO BE SURVEYED AND PLATTED AS SHOWN HEREON AND DOES HEREBY DEDICATE AND DECLARE AS FOLLOWS: ALL STREETS AND RIGHTS-OF-WAY, STORMWATER DRAINAGE AND PUBLIC UTILITY EASEMENTS AS SHOWN AND IDENTIFIED ON THIS PLAT ARE HEREBY DEDICATED TO THE PUBLIC AND THE CITY OF ALACHUA, FOR THE PUBLIC PURPOSES DESCRIBED AND REFLECTED ON THIS PLAT.

Substitute Paragraph 2
ALL STREETS AND RIGHTS OF WAY IDENTIFIED AS TRACT RW-1 ARE ACCEPTED AND TO BE MAINTAINED BY THE CITY OF ALACHUA. TRACTS "A2, B3, F2, G, K1, 11, J1, K AND L" ARE TO BE CONVEYED IN FEE SIMPLE BY DEED, SUBJECT TO THE NON-EXCLUSIVE STORMWATER DRAINAGE AND PUBLIC UTILITY EASEMENTS TH THE CITY OF ALACHUA SHOWN ON AND IDENTIFIED ON THIS PLAT AND FURTHER BE MAINTAINED AS LANDSCAPE, RECREATION, INGRESS, EGRESS, MAINTENANCE, DRAINAGE, AND UTILITY EASEMENTS BY THE "BRIARWOOD HOMEOWNERS ASSOCIATION OF ALACHUA, INC" ESTABLISHED FOR THIS COMMUNITY.

Strike Paragraph 3.

Note: All tracts identified on the Plat are not listed in the dedication (Paragraph 2).

Add:

Acknowledgement and Acceptance of HOA

The B HOA, Inc. hereby acknowledges and accepts the maintenance and other responsibilities contemplated, described and shown on this plat of Briarwood Phases 2 and 3 and as further set forth in (The Document)

RE: Project Assistance Team Comments for Briarwood Phase 2 and Phase 3 Final Plat

Dear Ms Bryan:

On July 19, 2022 the City of Alachua received your revised and complete application for the Final Plat for Briarwood Phase 2 and Phase 3, which proposes to subdivide a ±45.16 acre tract (Parcel 03044-010-003) into a total of 145 lots, with associated open spaces and rights-of-way. On November 4, 20219, the City Commission of the City of Alachua approved the application for the Preliminary Plat of Briarwood, which proposed to subdivide a ±74.17 acre subject property into a total of 229 lots, with associated open space areas and right-of-way. Construction Plans for Briarwood Phases 2 and 3 have not yet been approved.

The application has been reviewed for compliance with the applicable review standards, including the approved Planned Development Ordinance, approved Preliminary Plat, the City's Comprehensive Plan and Land Development Regulations (LDRs). Based upon Staff's review, revisions must be made to the application before it will be approved. Please address all insufficiencies outlined below in writing and provide an indication as to how they have been addressed by 5:00 PM on **Thursday, August 11, 2022.** Upon receipt of your revised application, Staff will notify you of any remaining insufficiencies which must be resolved, if any, before the item may be forwarded to the City's Planning and Zoning Board. A Project Assistance Team (PAT) meeting has been scheduled for August 1, 2022 to discuss these comments.

Please address the following insufficiencies:

RE: Completeness Review: Briarwood Phase 2 and 3 Final Plat Application

Dear Tivia Bryan:

On July 11, 2022, the City of Alachua received your application for the Final Plat of Briarwood Phase 2 and 3, which proposes to subdivide a ±45.16 acre subject property into a total of 145 lots with associated common area, open space, and right-of-way.

According to Section 2.2.6 of the Land Development Regulations (LDRs), upon receipt of an application, a completeness review shall be conducted to determine that the application contains all the necessary information and materials, is in proper form and of sufficient detail, and is accompanied by the appropriate fee. The Planning Department has reviewed the aforementioned application is complete, conditional upon the submission of the information as listed below. Please address the following deficiencies no later than **5:00 PM on Thursday, July 14, 2022.** If not received by that time, then the application shall be deemed to be incomplete.

The time frame and cycle for review shall be based upon the date the application is determined to be complete. If the applicant fails to respond to the identified deficiencies within forty-five (45) calendar days, the application shall be considered withdrawn.

The comments below are based solely on a preliminary review of your application for completeness. An in-depth review of the content of the application will be performed, and the findings of the in-depth review will be discussed at a Project Assistance Team (PAT) Meeting, which will be scheduled after the application is determined to be complete.

Please address the following:

1. **Proper Application :** The submitted application uses an application for Preliminary Plat, however, the project is currently at the Final Plat stage. Please utilize the City of Alachua Application for Final Plat.

2. **Final Plat Application Section B.3, Authorized Agent:** Submitted authorized agent form is not signed by Property Owner and does not authorize Allen and Company to submit

applications on behalf of the property owner. Please provide revised Authorized Agent Form.

3. **Final Plat Attachment #2, Title Certification:** Title certification must be submitted for consideration and inspection by the reviewing surveyor and the City Attorney.

4. **Final Plat Attachment #5, Covenants and Restrictions:** Please provide copy of proposed covenants and restrictions for the proposed subdivision.

5. **Final Plat Attachment #11, Mailing Labels:** Mailing labels not provided. Please provide mailing labels for all property owners within 400' of the subject property and those person's and organizations registered with the City to receive public notice, which is available at the City's website at this location: https://www.cityofalachua.com/home/showpublisheddocument/535/637867287412770000

If you have any questions regarding the information above, please contact me at 386-418-6100 x 1603 or via e-mail at ahall@cityofalachua.com.

A determination that there is adequate school capacity for a specific project will satisfy requirements for review for school concurrency for the periods of time consistent with the Interlocal Agreement and specified in local government land development regulations; an agreement by the School Board with the developer and local government is required to extend the period for approvals for phased projects beyond the generally applicable time period

EXPLANATION OF STUDENT GENERATION CALCULATION

Student Generation is calculated based on the type of residential development and the type of schools. The number of student stations (by school type - Elementary, Middle and High School) used for calculating the school concurrency impacts is equal to the number of dwelling units by housing type multiplied by the student generation multiplier (for housing type & school type) established by the School Board. Calculations are rounded to the nearest whole number. Student Generation for each school type is calculated individually to assess the impact on the **School Concurrency Service Area (SCSA)** for each school type (Elementary, Middle and High School).

SCHOOL CONCURRENCY SERVICE AREAS (SCSA) FOR PROJECT LOCATION

Based on the project location, please identify the corresponding School Concurrency Service Areas for each school type. Maps of the SCSAs may be viewed on the Alachua County Public Schools website.

EXEMPT DEVELOPMENTS (click all that apply)

☐ *Existing legal lots eligible for a building permit*

☐ *Development that includes residential uses that has received final development plan approval prior to the effective date for public school concurrency, or has received development plan approval prior to June 24, 2008, provided the development approval has not expired*

☐ *Amendments to final development orders for residential development approved prior to the effective date for public school concurrency, and which do not increase the number of students generated by the development*

☐ *Age-restricted developments that prohibit permanent occupancy by persons of school age, provided this condition is satisfied in accordance with the standards of the Public School Facilities Element or the ILA*

☐ *Group quarters that do not generate public school students, as described in the ILA*

CONCURRENCY IMPACT ANALYSIS MEMO

To: Adam Hall, AICP, City of Alachua Planning & Community Development
From: David F. Glunt, PE
Date: July 7, 2022
RE: Briarwood Phases 2A, 2B and 3

This application is for the 145 lots in Phases 2 and 3 of the 229-lot single-family detached subdivision on ±74.17 acres of Alachua County Tax Parcels 03044-011-001, 03044-011-002, 03044-011-003 and 03044-010-003. The site is located north of the US Highway 441 on CR 235-A. The onsite Future Land Use (FLU) category is Moderate Density Residential and the Zoning District classification is Residential Single Family 4(RSF-4), which allows up to four (4) dwelling units per acre. The Benton Hills preliminary plat was previously approved for 210 lots in 2016 for the subject parcel. The site is proposed to be developed in 4 phases.

The following analysis estimates the potential impacts on City of Alachua's public facilities from the proposed Phase 2 and 3 development of 145 single family homes. The 84 single family lots in Phase 1 are platted and constructed.

ROADWAYS / TRANSPORTATION

Single-Family Detached Housing (ITE 210)	145	9.44	1369	0.74	107	0.99	144

DATA SOURCE IS FROM THE ITE TRIP GENERATION 10TH EDITION

Approval of this application may generate **1369 average daily vehicle trips**. The proposed development *is not anticipated to negatively* impact the adopted LOS for adjacent and nearby roadways, as demonstrated in the tables below.

Available Capacity	12904	1141
Project Trip Generation	1369	144
Remaining Capacity	11535	997

DATA SOURCE IS FROM THE CITY OF ALACHUA JUNE 2022 DEVELOPMENT MONITORING REPORT

Per City LDR §2.4.14(H)(2), affected roadways are those within one-half mile of the subject property for developments generating 1,000 external average daily trips (ADT). The only affected roadways are CR 235-A, which the project site is directly fronting and US Hwy 441, which is the nearest major intersection. This development is not anticipated to contribute more than 5% to any other roadway's maximum service volume within the City of Alachua. The data above demonstrates that each affected roadway segment will have sufficient capacity to serve the project and the roadway segments will continue to operate within the allowable LOS.

COMPREHENSIVE PLAN CONSISTENCY MEMO

To:	Adam Hall, AICP, City of Alachua Planning & Community Development
From:	David F Glunt P.E.
Date:	July 30, 2019
RE:	Briarwood Phases 1A, 1B, 2 and 3

This application is for a 229-lot single-family detached subdivision on ±74.17 acres of Alachua County Tax Parcels 03044-011-001, 03044-011-002, 03044-011-003 and 03044-010-003. The site is located north of the US Highway 441 on CR 235-A. The onsite Future Land Use (FLU) category is Moderate Density Residential and the Zoning District classification is Residential Single Family 4(RSF-4), which allows up to four (4) dwelling units per acre. The Benton Hills preliminary plat was previously approved for 210 lots in 2016 for the subject parcel. The site is proposed to be developed in 4 phases. The developer's future development plans will consist of providing medium density residential and town center commercial components to be constructed in 3 additional phases on the properties to the south.

The following narrative explains the project's conformance and consistency to specific City of Alachua Comprehensive Plan Goals, Objectives, and Policies for this application. Conformance and consistency statements are provided in **bold**.

FUTURE LAND USE ELEMENT

Policy 1.2.a: Moderate density residential (0 to 4 dwelling units per acre): The moderate density residential land use category allows residential development at a maximum density of 4 dwelling units per acre. The following uses are allowed in the moderate density residential land use category:

1. Single family, conventional dwelling units;
2. Accessory dwelling units;
3. Manufactured or modular homes meeting certain design criteria;
4. Mobile homes only within mobile home parks;
5. Duplexes and quadplexes;
6. Townhomes;
7. Residential Planned Developments (PD-R);
8. Supporting community services, such as schools, houses of worship, parks, and community centers

The proposed subdivision has Moderate Density Residential FLU classification. This application seeks to permit 229 single-family dwelling units. The proposed 229 units over 74.17 acres yields 3.1 units per acre which is less than the allowable 4 units per acre.

Policy 2.4.b: Landscaping: Buffering – A buffer consists of horizontal space (land) and vertical elements (plants, berms, fences, walls) that physically separate and visually screen adjacent land uses. The City shall establish buffer yard requirements that are based on the compatibility of the adjacent uses and the desired result of the buffer.

Since the adjacent zonings are either residential or agricultural, landscape buffers are not required per Section 6.2.2(D)(3)(c). The developer is proposing to provide a perimeter landscape and stormwater tract along the north property line, adjacent to CR 235-A and along southern and eastern boundary. The landscape buffer area is adjacent to the property line with a planted, cascading, dry retention stormwater management system located internally in the tract. The western boundary and the far southern boundary are buffered with a stormwater tract with a cascading, dry retention stormwater management system that will be landscaped.

Policy 2.5.a: There shall be a minimum of 10% percent open space required. The City shall establish incentives for the provision of open space beyond minimum requirements.

The proposed development exceeds the 10% minimum open space requirement. Onsite open spaces are comprised of stormwater management facilities, landscaping, buffers, and a park.

Policy 2.5.b: Open space shall not be limited to unusable portions of project sites. A portion of open space shall be usable and functional.

The proposed development combines the onsite stormwater management facilities with a trail system which is enhanced with landscaping and a park.

GOAL 5: Development Standards: The City shall include provisions through its comprehensive plan amendment process, development review process and in its land development regulations for development standards that address natural features and availability of facilities and services. These development standards will strive to protect natural resources and public facility resources while allowing for innovative and flexible development patterns.

This application is consistent with the Comprehensive Plan and the RSF-4 development standards in the City of Alachua Land Development Code. The project was designed to maximize onsite natural features by utilizing the natural topography of the site.

Objective 5.1: Natural features: The City shall coordinate Future Land Use designations with appropriate topography, soils, areas of seasonal flooding, wetlands and habitat during review of proposed amendments to the Future Land Use Map and the development review process. Natural features may be included as amenities within a development project.

There are no onsite wetlands or flood prone areas onsite.

Policy 5.1.a: Topography: The City shall protect the natural topography of the City, including steep and seepage slopes, by requiring new development to include techniques to minimize negative impacts on the natural terrain. An emphasis will be placed on retaining the natural function of seepage slopes during development. Additionally, retention of existing native vegetation will be encouraged as one method of protecting slopes.

There are no steep slopes onsite.

Policy 5.1.b: Soils: The City shall ensure soil protection and intervention measures are included in the development review process.

There are eight soil types located onsite:

3—Arredondo fine sand, 0 to 5 percent slopes (HSG: A)
5—Fort Meade fine sand, 0 to 5 percent slopes (HSG: A)
8—Millhopper sand, 0 to 5 percent slopes (HSG: A)
29—Lochloosa fine sand, 2 to 5 percent slopes (HSG: B)
30—Kendrick sand, 2 to 5 percent slopes (HSG: B)
33—Norfolk loamy fine sand, 2 to 5 percent slopes (HSG: B)
69—Arredondo fine sand, 5 to 8 percent slopes (HSG: A)
72—Lochloosa fine sand, 5 to 8 percent slopes (HSG: B)

According to the NRCS soil database, each of the eight sandy soil types mentioned above are conducive to residential developments with minimal limitations. Site design will address these limitations with an improved stormwater management system.

Policy 5.1.c: Flood prone areas: The City shall require as part of the development review process the identification of FEMA flood zone areas. Where necessary, base flood elevations and minimum finished floor elevations shall be established. The City shall also require finished floor elevations on subdivision plats, site plans and building permit plans when necessary to determine compliance with flood prone area regulations. The City shall establish standards for a limitation on filling in flood prone areas.

There are no FEMA flood prone areas onsite.

Policy 5.1.d: Wetlands: The City shall utilize statewide wetland delineation methodology in accordance with Florida Administrative Code (FAC) and regulations adopted by the FDEP and the Suwannee River Water Management District.

There are no wetlands located onsite. A "Protected Species and Wetland Assessment" of the site was performed by Universal Engineering Sciences on June 3rd, 2019 and determined that there are no endangered species on site.

Policy 5.1.e: Habitat: The City shall require as part of the development review process, an inventory of listed species for all new developments in areas identified as known habitat for listed species if listed species are known to exist in close proximity to the development. The survey shall include detailed information regarding type, quantity, location, and habitat requirements for any listed species identified. A de minimus threshold for properties required to complete the inventory shall be established in the City's Land Development Regulations.

The site is not known to have listed species.

Objective 5.2: Availability of facilities and services: The City shall utilize a concurrency management system to ensure that the adopted level of service standards are maintained.

The Concurrency Impact Analysis report estimates the impacts that development of the subdivision will have on available public facilities and services. There are no anticipated impacts to facilities and/or services and are anticipated to operate below the adopted capacity.

Policy 5.2.a: All new development shall meet level of service requirements for roadways, potable water and sanitary sewer, stormwater, solid waste, public schools, and improved recreation in accordance with LOS standards adopted in the elements addressing these facilities.

Public facilities shall continue to operate at or below established LOS standards with the development of the project.

Policy 9.2: Any new residential subdivision within the corporate limits, where potable water service is available, as defined in Policy 4.2.a of the Community Facilities and Natural Groundwater Aquifer Recharge Element of the City of Alachua Comprehensive Plan, regardless of size, that is within either a Residential or Agriculture Future Land Use Map Designation shall connect to the City of Alachua's potable water system. Any new residential subdivision within the corporate limits, where wastewater service is available, as defined in Policy 1.2.a of the Community Facilities and Natural Groundwater Aquifer Recharge Element of the City of Alachua Comprehensive Plan, regardless of size, that is within a Residential Future Land Use Map Designation shall connect to the City of Alachua's wastewater system.

The proposed subdivision will connect to the City's potable drinking water system and sanitary sewer collection system.

TRANSPORTATION ELEMENT

Policy 1.2.b: The City shall establish the following access point requirements for City streets:

1. permitting 1 access point for ingress and egress purposes to a single property or development;
2. permitting 2 access points for ingress and egress to a single property or development if the minimum distance between the two access points exceeds 20 feet for a single residential lot or 100 feet for nonresidential development and new residential subdivisions;
3. permitting 3 access points for ingress and egress to a single property or development if the minimum distance between each access point is at least 100 feet for residential and non-residential development; or
4. permitting more than 3 access points for ingress and egress to a single property or development where a minimum distance of 1000 feet is maintained between each access point.

The site's proposed ingress/egress on CR 235-A is located at the previously approved access location. One additional ingress/egress on CR 235-A, approximately 700 feet to the north will operate as an emergency access. Two internal roads are designed for future expansion to the south and to the west of the subject site.

CONSERVATION AND OPEN SPACE ELEMENT

Objective 1.5:
Soils. The City shall protect soil resources through erosion and sedimentation control, by requiring proper design criteria on specific soils.

There are eight soil types located onsite:

3—Arredondo fine sand, 0 to 5 percent slopes (HSG: A)
5—Fort Meade fine sand, 0 to 5 percent slopes (HSG: A)
8—Millhopper sand, 0 to 5 percent slopes (HSG: A)
29—Lochloosa fine sand, 2 to 5 percent slopes (HSG: B)
30—Kendrick sand, 2 to 5 percent slopes (HSG: B)
33—Norfolk loamy fine sand, 2 to 5 percent slopes (HSG: B)
69—Arredondo fine sand, 5 to 8 percent slopes (HSG: A)
72—Lochloosa fine sand, 5 to 8 percent slopes (HSG: B)

According to the NRCS soil database, each of the eight sandy soil types mentioned above are conducive to residential developments with minimal limitations. Site design will address these limitations with an improved stormwater management system.

> Objective 1.10: Wetlands. The City shall protect and preserve wetland values and functions from adverse, human caused, physical and hydrologic disturbances.

The ±74.17-acre subject property does not contain onsite wetland features, as evidenced by the "Protected Species and Wetland Assessment" performed by Universal Engineering Sciences on June 3rd, 2019.

COMMUNITY FACILITIES AND NATURAL GROUNDWATER AQUIFER RECHARGE ELEMENT

> GOAL 3:
> Stormwater. Develop and maintain a stormwater management system that minimizes flooding, protects, preserves and enhances desirable water quality conditions, and, where possible, preserves and utilizes existing natural features.

The stormwater management system will be designed to maximize distribution of surface water runoff and utilize cascading dry retention systems to maximize aquifer recharge. Existing low areas are reserved for stormwater management applications to minimize onsite grading and preserve predevelopment hydrology patterns.

> Objective 3.3:
> The City shall implement design guidelines for stormwater management facilities to promote dual use, protect natural features, and provide aesthetically pleasing facilities.
> Policy 3.3.a: Stormwater facility design shall incorporate the following features, where practicable:
> 1. Joint use of retention and detention basins for passive recreation, habitat and open space.
> 2. Use of vegetation, such as cypress and river birch, in retention and detention basin to enhance stormwater management objectives.
> 3. On-site retention and detention facilities shall be integrated with other elements of the proposed development through aesthetically sensitive design and the use of landscaping.
> 4. Maintain and enhance the existing hydrological and ecological function of stream or drainage corridors or wetland areas which serve stormwater facilities.
> 5. Where retention and detention basins are located along County roads or State roads, the basin design shall comply with the Gainesville Urbanized Area Metropolitan Transportation Planning Organization's drainage retention basin landscaping standards.

The proposed subdivision utilizes open space tracts for a "storm trail system" which will interconnect the onsite green spaces. The trail system will be designed in concert with the stormwater management system and onsite pocket parks. The stormwater management facilities will be landscaped to provide a more aesthetic park environment.

Re: Wildlife Survey Report

Dear Mr. Rouhier:

During April of 2022, Bio-Tech Consulting Inc. (BTC) conducted a wildlife survey of the Briarwood Phases 2-3 project site. The ±44.98-acre project site is located north of Highway 441; south of NW 175th Avenue; east of NW 188th Street; and west of NW 173rd Street, within Section 08, Township 08 South, Range 18 East, Alachua County, Florida (Figures 1, 2 & 3). This wildlife assessment included an on-site evaluation to determine the occurrence of protected species of flora and fauna through direct and indirect observations in accordance with U.S. Fish and Wildlife Service (USFWS) and Florida Fish and Wildlife (FFWCC) agencies.

PROTECTED SPECIES

Using methodologies outlined in the Florida's Fragile Wildlife (Wood, 2001); Measuring and Monitoring Biological Diversity Standard Methods for Mammals (Wilson, et al., 1996); and Florida Fish and Wildlife Conservation Commission's (FFWCC's) Gopher Tortoise Permitting Guidelines (April 2008 - revised July 2020), an assessment for "listed" floral and faunal species was conducted at the site on April 1, 2022. (**Figure 5**).

The survey covered approximately 100% of the subject site's developable area, included both direct observations and indirect evidence, such as tracks, burrows, tree markings and vocalizations that indicated the presence of species observed. The assessment focused on species that are "listed" by the FFWCC's Official Lists - Florida's Endangered Species, Threatened Species and Species of Special Concern (December 2018) that have the potential to occur in Seminole County (Table 1).

No plant species listed by either The Florida Department of Agriculture (FDA) or U.S. Fish and Wildlife Service (USFWS) was identified on the project site during the assessment conducted. The following is a list of those wildlife species identified during the evaluation of the site:

Reptiles and Amphibians
brown anole (*Norops sagrei*)
gopher tortoise (*Gopherus polyphemus*)

Birds
American Crow *(Corvus brachyrhynchos)*
Carolina Wren (*Thryothorus ludvicianus*)
Mourning Dove (*Zenaida macroura*)
Northern Cardinal (*Cardinalis cardinalis*)
Northern Mockingbird (*Mimus polyglottos*)
Red-shouldered Hawk (*Buteo lineaus*)
Turkey Vulture (*Cathartes aura*)

Mammals
Eastern cottontail (*Sylvilagus floridanus*)
gray squirrel (*Sciurus carolinensis*)
nine-banded armadillo (*Dasypus novemcinctus*)
raccoon (*Procyon lotor*)

One (1) of the above identified species is identified in the FFWCC's Official Lists - Florida's Endangered Species, Threatened Species and Species of Special Concern (June 2021). This species is the gopher tortoise (*Gopherus polyphemus*). The gopher tortoise is currently listed as "Threatened" by the State. The following provides a brief description of particular wildlife species as they relate to the development of the site.

Gopher Tortoise (Gopherus polyphemus)
State Listed as "Threatened" by FFWCC

Currently the gopher tortoise *(Gopherus polyphemus)* is classified as a "Category 2 Candidate Species" by USFWS, and as of September 2007 is now classified as "Threatened" by FFWCC. The basis of the "Threatened" classification by the FFWCC for the gopher tortoise is due to habitat loss and destruction of burrows. Gopher tortoises are commonly found in areas with well-drained soils associated with the pine flatwoods, pastures and abandoned orange groves. Several other protected species have a possibility of occurring in this area, as they are gopher tortoise commensal species. However, none of these commensal species were observed during the survey conducted.

The site was surveyed for the existence of gopher tortoises through the use of pedestrian transects (Figure 4). The survey covered 100% of the suitable habitat present within the site's boundaries. Four (4) potentially occupied gopher tortoise burrows were observed and recorded using GPS technology. Based on four (4) potentially occupied burrows, it is estimated that approximately four (4) may be occupied by a tortoise. For small populations, we have experienced over time that occupancy rates are close to 100%. Therefore, for the purpose of estimating costs associated with the subject project, as many as four (4) gopher tortoises are estimated to occupy these burrows.

The FFWCC provides three (3) options for developers that have gopher tortoises on their property. These options include: 1) avoidance (i.e., 25-foot buffer around burrow), 2) preservation of habitat, and 3) off-site relocation. As such, resolution of the gopher tortoise issue will need to be permitted through FFWCC prior to any construction activities.

Indigo Snake (*Drymarchon couperi*)
Federally Listed as "Threatened" by USFWS

The indigo snake (*Drymarchon couperi*) is a federally threatened species. The basis for this listing was a result of dramatic population declines caused by over-collecting for the domestic and international pet trade as well as mortalities caused by rattlesnake collectors who gassed gopher tortoise burrows to collect snakes. Since its listing, habitat loss and fragmentation by residential and commercial expansion have become much more significant threats to the eastern indigo snake. This species is widely distributed throughout central and south Florida and primarily occurs in sandhill habitat in northern Florida and southern Georgia.

Due to the presence of gopher tortoises, a formal indigo snake survey may be required if requested by USFWS during the permitting process for the site. The survey can be accomplished from October 1st - April 30th for a minimum of five (5) surveys with two (2) days of optimal weather (overnight low temperature above 60º F).

Typically, USFWS requires indigo snake surveys on sites with more twenty-five (25) gopher tortoise burrows. Due to the very small gopher tortoise population on the site, a formal indigo snake survey is not likely to be required.

However, if required, the survey can be accomplished from October 1st thru April 30 for a minimum of five (5) surveys with 2 days of optimal weather (overnight low temperature above 60º F). At a minimum, the Corps permit – if applicable - will be conditioned for the use of the USFWS's "Standard Protection Measures for the Eastern Indigo Snake." It will also be conditioned "such that all gopher tortoise burrows, active or inactive, will be excavated prior to site manipulation in the vicinity of the burrow. If an eastern indigo snake is encountered, the snake must be allowed to vacate the area prior to additional site manipulation in the vicinity." Any permit will also be conditioned "such that holes, cavities, and snake refugia other than gopher tortoise burrows will be inspected each morning before planned site manipulation of a particular area, and, if occupied by an eastern indigo snake, no work will commence until the snake has vacated the vicinity of proposed work." As long as the above mentioned "Standard Protection Measures" are adhered to, the development activities associated with the subject site would result in a key determination of "may affect, but not likely to adversely affect" (NLAA) the eastern indigo snake. It should also be noted that Indigo snake mitigation may be purchased in lieu of conducting the indigo snake survey.

Bald Eagle (Haliaeetus leucocephalus)
State protected by F.A.C. 68A-16.002 and federally protected by both the Migratory Bird Treaty Act (1918) and the Bald and Golden Eagle Protection Act (1940)

In August of 2007, the US Fish and Wildlife Service (USFWS) removed the Bald Eagle from the list of federally endangered and threatened species. Additionally, the Bald Eagle was removed from FFWCC's imperiled species list in April of 2008. Although the Bald Eagle is no longer protected under the Endangered Species Act, it is still protected under the Bald and Golden Eagle Protection Act, the Migratory Bird Treaty Act, and FFWCC's Bald Eagle rule (Florida Administrative Code 68A-16.002 Bald Eagle (*Haliaeetus leuchocephalus*).

In May of 2007, the USFWS issued the National Bald Eagle Management Guidelines. In April of 2008, the FFWCC adopted a new Bald Eagle Management Plan that was written to closely follow the federal guidelines. In November of 2017, the FFWCC issued "A Species Action Plan for the Bald Eagle" in response to the sunset of the 2008 Bald Eagle Management Plan. Under the USFWS's management plans, buffer zones are recommended based on the nature and magnitude of the project or activity. The recommended protective buffer zone is 660 feet or less from the nest tree, depending on what activities or structures are already near the nest. As provided within the above referenced Species Action Plan, the USFWS is the regulating body responsible for issuing permits for Bald Eagles. In 2017, the need to obtain a State permit (FFWCC) for the take

of Bald Eagles or their nests in Florida was eliminated following revisions to Rule 68A-16.002, F.A.C. A USFWS Bald Eagle "Non-Purposeful Take Permit" is not needed for any activity occurring outside of the 660-foot buffer zone. No activities are permitted within 330 feet of a nest without a USFWS permit.

In addition to the on-site evaluation for listed species, BTC conducted a desktop review of FFWCC's database and Audubon's EagleWatch program database for recorded Bald Eagle nests within the surrounding 660 feet of the subject site. This review revealed that there are no Bald Eagle nests (through the 2016-2017 nesting season for FFWCC data and 2020-2021 nesting season for Audubon EagleWatch data) within 660 feet of the project site boundaries (**Figure 6**). Thus, no developmental constraints are expected with respect to Bald Eagle nests.

USFWS CONSULTATION AREAS

The USFWS have established "Consultation Areas" for certain listed species (see Figure 3). Generally, these consultation areas only become an issue if USFWS consultation is required, which is usually associated with permitting through the Army Corps of Engineers. The reader should be aware that species presence and need for additional review are often determined to be unnecessary early in the permit review process due to lack of appropriate habitat or other conditions. However, the USFWS makes the final determination.

Consultation areas are typically very regional in size, often spanning multiple counties where the species in question is known to exist. Consultation areas by themselves do not indicate the presence of a listed species. They only indicate an area where there is a potential for a listed species to occur and that additional review might be necessary to confirm or rule-out the presence of the species. The additional review typically includes the application of species-specific criteria to rule-out or confirm the presence of the species in question. Such criteria might consist of a simple review for critical habitat types. In other cases, the review might include the need for species-specific surveys using established methodologies that have been approved by the USFWS.

Following BTCs desktop review for USFWS Consultation Areas that may impact the site, it was found that the Briarwood Phases 2 & 3 property does not fall within any consultation areas.

The environmental limitations described in this document are based on observations and technical information available on the date of the on-site evaluation. This report is for general planning purposes only. The limits of any on-site wetlands/surface waters can only be determined and verified through field delineation and/or on-site review by the pertinent regulatory agencies. The wildlife surveys conducted within the subject property boundaries do not preclude the potential for any listed species, as noted in the attached Table 1, currently or in the future. DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS OF BRIARWOOD

This Declaration of Covenants, Conditions and Restrictions is hereby made this 10th day of November 2020 by Troon Creek LLC, a Florida limited liability company (the "Declarant") whose mailing address is 405 Cinnamon Oak Court, Lake Mary, Florida 32746.

WITNESSETH:

Declarant is the record title owner in fee simple of the property described in **Exhibit "A"** attached hereto and made a part hereof (the "Property"); and

Troon Creek LLC, for purposes of this Declaration will be the Declarant; and

Declarant hereby desires to subject the Property, to be known as Briarwood, to the covenants, conditions and restrictions contained in this Declaration.

Declarant intends, but shall not be required, to develop the Property as a residential community and sell Lots to Builders who intend, but are not required, to construct single family homes upon the Property as a residential community, provided that in any event such construction will be subject to the covenants, conditions, restrictions, reservations, easements, liens and charges hereinafter set forth.

NOW, THEREFORE, Declarant hereby declares that the Property shall be held, sold, conveyed, leased, mortgaged and otherwise dealt with subject to the protective covenants, conditions, restrictions, reservations, easements, liens and charges as hereinafter set forth, all of which are for the purpose of enhancing and protecting the value, desirability and plan of development for the same. Said covenants, conditions, restrictions, reservations, easements, liens and charges shall run with the Property, and shall be binding upon all parties having and/or acquiring any right, title or interest in said property or any portion thereof and shall inure to the benefit of each and every person or party, from time to time, owning or holding an interest in said Property.

ARTICLE I

DEFINITIONS

The following words and terms when used in this Declaration or any Supplemental Declaration hereto or any amendment thereto (unless the context shall clearly indicate otherwise) shall have the following meanings:

Section 1. "Articles" mean and refer to the Articles of Incorporation of Briarwood Homeowner's Association of Alachua, Inc., a Florida corporation not-for-profit, attached hereto as **Exhibit "B"**, and all exhibits which are attached thereto and made a part thereof, and shall include such amendments, if any, as may be adopted from time to time pursuant to the terms thereof.

Section 2. "Association" means Briarwood Homeowners Association of Alachua, Inc., a not-for-profit Florida corporation, its successors and assigns.

Section 3. "Board of Directors" or "Board" shall mean the Board of Directors of the Association.

Section 4. "Builder" means any person or entity that purchases more than one Lot from the Declarant or other third-party for the purpose of constructing Homes on such Lots for sale to third-party purchasers, which shall specifically include D.R. Horton, Inc., a Delaware corporation.

Section 5. "Bylaws" mean the Bylaws of Briarwood Homeowner's Association of Alachua, Inc., attached hereto as **Exhibit "C"** and all exhibits attached thereto and made a part thereof, and shall include such amendments, if any, as may be adopted from time to time pursuant to the terms thereof.

Section 6. "Common Area" is the property owned by or dedicated to the Association for the common use and enjoyment of the Members and all improvements constructed thereon and such other property as determined by Declarant, in its sole and absolute discretion, which may include entrance features, street lighting, signage, mail kiosks, landscape buffers, the Surface Water Management System, and open space, which are owned by or dedicated to the Association. The City of Alachua does not insure common areas, dedicated tracts or recreational facilities associated with Briarwood.

Section 7. "Community" or "Briarwood Homeowner's Association of Alachua, Inc." means the planned community planned for development upon the Property described in Exhibit "A" or any property annexed as provided herein; the said being within the County, in the State of Florida.

Section 8. "County" shall mean Alachua County, Florida.

Section 9. "Declarant" means Troon Creek, LLC, or any successor of Declarant who may be assigned all or a part of the rights and obligations of Declarant pursuant to a written assignment executed by Declarant and recorded among the Public Records of the County, in the State of Florida. If Declarant assigns only a portion of its rights and obligations as Declarant hereunder to an assignee, then the term Declarant as used in this Declaration shall mean such assignee only when necessary to give such assignee the rights and obligations of Declarant hereunder which were assigned to such assignee to the same extent as if such assignee had been the original Declarant, and said assignee shall not have any of the rights and obligations of Declarant hereunder which were not specifically assigned to such assignee. Until such time that all Lots are sold by Declarant or assigned in full by the Declarant, the Declarant for the purposes

of this Declaration even if a partial assignment of its rights have otherwise been assigned to another party shall be Troon Creek, LLC.

Section 10. "Declaration" means this instrument, together with the exhibits attached hereto and made a part hereof, and shall include such amendments and Supplemental Declarations, if any, as may be adopted from time to time pursuant to the terms hereof.

Section 11. "Development Period" means the period of time from the recording of this Declaration until the Declarant, or its successors or assigns, has sold the last Lot within the Property or any property annexed to the Property and becoming a part of the Property as provided herein to third-party purchasers other than Builders.

Section 12. "Governing Documents" means the Declaration, Articles, Bylaws, and Rules governing the administration and operation of the Community.

Section 13. "Home" is a single-family dwelling constructed upon and including a Lot.

Section 14. "Institutional First Mortgage" is a mortgage executed in favor of an Institutional First Mortgagee, which mortgage is a first and prior mortgage encumbering a Home.

Section 15. "Institutional First Mortgagee" is a bank, federal savings bank, and loan association, any insurance company, pension fund, real estate trust, Federal National Mortgage Association or its assigns, Federal Home Loan Mortgage Company or its assigns, or any other party engaged in the business of mortgage financing, which owns or holds a first and prior mortgage encumbering a Home, and shall include any corporate subsidiary of such entity.

Section 16. "Lot" is a designated lot within the Property described on the Plat or any property annexed thereto and becoming a part of the Property conveyed or to be conveyed to an Owner upon which there has been constructed or will be constructed a Home.

Section 17. "Member" is every person or entity who is a Member in the Association by ownership of a Lot or as otherwise provided herein in accordance with Article IV hereof and the Bylaws.

Section 18. "Owner" is the record owner, whether one or more persons or entities, of the fee simple title to any Lot which is a part of the Property, including contract sellers, but excluding those parties having such interest merely as security for the performance of any obligation.

Section 19. "Plat" is the Plat of the Property to be recorded in the Public Records of Alachua County, State of Florida, as the same may be amended or re-platted from time to time. The term Plat shall also include any additional plats or re-plats of property subsequently added to the terms of this Declaration by a Supplemental Declaration.

Section 20. "Permit" shall mean Environmental Resource Permit or other permits issued for Surface Water Management Systems (hereinafter defined) by the WMD (hereinafter defined).

Section 21. "Property" is the property described in **Exhibit "A"** and such additions thereto as may hereafter be brought within the jurisdiction of the Association and subject to the terms of this Declaration.

Section 22. "Rules" are collectively the rules and regulations which the Board of Directors of the Association may promulgate or impose and thereafter modify, alter, amend, rescind and augment any of the same with respect to the use, operation, and enjoyment of the Property and any improvements located thereon.

Section 23. "Supplemental Declaration" shall mean and refer to an instrument filed in the Public Records of the County pursuant to Article II, Section 3 which subjects additional property to this Declaration, creates additional classes of members, and/or imposes, expressly or by reference, additional restrictions and obligations on the land described in such instrument. The Declarant may, by Supplemental Declaration, create additional classes of membership with such rights, privileges and obligations as may be specified in such Supplemental Declaration in recognition of the different character and intended use of the property subject to such Supplemental Declaration.

Section 24. "Surface Water Management System" means a system which is designed and constructed or implemented to control discharges which are necessitated by rainfall events, incorporating methods to collect, convey, store, absorb, inhibit, treat, use or reuse water to prevent or reduce flooding, overdrainage, environmental degradation, and water pollution or otherwise affect the quantity and quality of discharges from the system, as permitted pursuant to section 62-330, F.A.C. The Surface Water Management System facilities are located on land that is owned by or dedicated to the Association or located on land that is subject to an easement in favor of the Association and its successors.

Section 25. "WMD" shall mean and refer to the Suwannee River Water Management District.

Section 26. "Vacant Lot" shall mean any Lot not improved with a Home as evidenced by a certificate of occupancy or similar approval or occupied by the Owner or any third party.

The foregoing definitions shall be applicable to this Declaration and to any Supplemental Declaration hereto or any amendment to this Declaration, unless otherwise expressly provided herein or therein.

ARTICLE II

PROPERTY SUBJECT TO THIS DECLARATION

Section 1. Legal Description. The real property which is and shall be held, transferred, sold, conveyed and occupied subject to this Declaration is located in the County, and is the property described in **Exhibit "A"**, and such additions as may hereafter be brought within the jurisdiction of the Association and subject to the terms of this Declaration, less the portions thereof dedicated and/or conveyed to other entities or subsequently withdrawn herefrom.

Section 2. Application of Declaration. The Property shall be held, transferred, sold, conveyed and occupied subject to the terms and conditions of this Declaration, and any and all supplements and lawful amendments hereto and any and all supplements and lawful amendments thereto. By receipt of delivery of a deed to any of the Property or other instrument evidencing ownership, whether or not it shall be so expressed in any such deed or other conveyance or adjudication, each Owner hereby agrees to abide by and accept title to such portion of the Property and all terms and provisions of this Declaration. The filing of this Declaration and subjecting the Property to the covenants, conditions, restrictions, reservations, easements, liens and charges contained herein shall not be construed in any way as inhibiting or prohibiting the Declarant from conveying the Lots or improvements within the Property to third parties free and clear of any covenants, conditions, restrictions, reservations, easements, liens and charges, except for those specifically provided for in this Declaration. Lots so conveyed by the Declarant to third parties shall be used and held by said third parties in accordance with this Declaration.

Section 3. Additional Property. Additional property may become subject to this Declaration or be withdrawn from the terms of this Declaration in the following manner:

(a) Annexation Without Approval of Class "A" Membership. As the owner thereof, or if not the owner, with the consent of the owner thereof, Declarant shall have the unilateral right, privilege and option, from time to time at any time to annex and subject to the provisions of this Declaration and the jurisdiction of the Association, all or any portion of the real property described in a Supplemental Declaration. Such Supplemental Declaration shall not require the consent of the Members or Institutional Mortgagees. Any such annexation shall be effective upon the filing of record of such Supplemental Declaration unless otherwise provided therein. Declarant shall have the unilateral right to transfer to any other person said right, privilege, and option to annex additional property which is herein reserved to Declarant, provided that such transfer or assignment is memorialized in a written, recorded instrument executed by Declarant. Notwithstanding the foregoing, nothing herein shall be construed as an obligation of Declarant to annex in additional Property to the Community or to construct the Community pursuant to the plan of development approved on the date of this Declaration, which may be modified by the Declarant in the future.

(b) Annexation With Approval of Class "A" Membership. Subject to the consent of the owner thereof, after the expiration of the Class B membership the Association may annex additional real property to the provisions of this Declaration and the jurisdiction of the Association. Such annexation shall require the affirmative vote of not less than sixty-seven (67%) percent of the Class "A" Members of the Association. Annexation shall be accomplished by filing of record in the public records of the County, a Supplemental Declaration describing the property being annexed. Any such Supplemental Declaration shall be signed by an authorized officer of the Association, and by the owner of the property being annexed, and any such annexation shall be effective upon filing unless otherwise provided therein. The relevant provisions of the Bylaws dealing with regular or special meetings, as the case may be, shall apply to determine the time required for and the proper form of notice of any meeting called for the purpose of considering annexation of property pursuant to this Section and to ascertain the presence of a quorum at such meeting.

(c) Acquisition of Additional Common Area. Declarant may convey to the Association additional real property, or any interest therein, improved or unimproved, and upon conveyance or dedication to the Association the same shall be accepted by the Association and thereafter shall be maintained by the Association at its expense as a Common Area for the benefit of all of its Members. Annexation of additional property or future development phases of the Community, if annexed herein, may result in additional Common Areas being owned and maintained by the Association and conveyance of Common Areas therein shall not require the consent of any other Owner or Builder.

(d) Withdrawal of Property. Declarant shall be entitled to withdraw portions of the Property owned by Declarant from the terms and conditions of this Declaration, subject to the terms and conditions of this Section. For purposes of this Declaration, the portion of the Property withdrawn from the terms hereof shall be referred to as the "**Withdrawn Property**." In order to withdraw such portion of the Property from the terms of this Declaration, Declarant shall record in the Public Records of the County an instrument executed with the formalities of a Deed, which instrument shall make reference to this Declaration, state that the purpose of the instrument is to withdraw the Withdrawn Property from the terms and conditions of this Declaration, and contain a legal description of the Withdrawn Property. Declarant shall have the right to withdraw portions of the Property from the terms and conditions of this Declaration without the joinder, ratification or approval of the Association, any Owner, or any lienholder, provided that Declarant is the fee simple owner of the Withdrawn Property, and provided that the withdrawal of the Withdrawn Property shall not result in a material change to the scheme of development of the Community. Upon the withdrawal of the Withdrawn Property from the terms and conditions of this Declaration, the Withdrawn Property shall no longer be subject to the terms of this Declaration, including all exhibits hereto, or any other covenants, restrictions and/or regulations provided herein or adopted hereunder, except for those easements, rights-of-way, or other portions hereof which, by their terms, specifically survive the termination of this Declaration, which shall include the withdrawal of such lands from the terms and conditions of this Declaration.

(e) Amendment. This Article II, Section 3 shall not be amended without the prior written consent of Declarant, during the Development Period or so long as the Declarant holds Lots or Homes for sale in the ordinary course of business.

ARTICLE III

MEMBERSHIP

Section 1. Membership. Every person or entity who is a record Owner of a fee or undivided fee interest in any Lot which is subject to the covenants, conditions, restrictions, reservations, easements, liens and charges, of this Declaration, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities that hold an interest merely as security for the performance of an obligation. No Owner shall have more than one membership for each Lot owned. Membership shall be appurtenant to a Lot and may not be separated from ownership of the Lot. Ownership of a Lot shall be the sole qualification for membership. The Owner of record of each Lot shall be subject to assessment by

the Association, as hereinafter provided, and shall be subject to enforcement by the Association in accordance with the terms and provisions of this Declaration.

ARTICLE IV

VOTING RIGHTS

The Association shall have two (2) classes of voting membership:

Class A. Class A Members shall be those Owners defined in Article III with the exception of the Declarant until the expiration of the Class B membership when the Class B memberships convert to Class A memberships. Class A Members shall be entitled to one (1) vote for each Lot in which they hold the interest required for membership by Article III. When more than one (1) person or entity holds such interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Class B. Declarant shall be the Class B Member. The Class B Member shall be entitled to three (3) votes for each Lot owned by a Class A Member. Notwithstanding the foregoing, the Class B membership shall cease and be converted to Class A membership on the happening of any of the following events, whichever occurs earlier, unless otherwise required by Florida law:

(a) Three (3) months after ninety (90%) percent of the Lots have been conveyed to third-party purchasers; provided, however, this event shall be deemed not to have occurred if a Lot is conveyed to a Builder who becomes a successor Declarant by assignment of the original Declarant's rights; or

(b) Thirty (30) days after Declarant elects to terminate the Class B membership by delivery to the Secretary of the Association of a certificate in recordable form signed by Declarant stating that Declarant elects to terminate the Class B membership; or

(c) As required by Florida law.

Upon the conversion of the Class B membership to Class A membership, the Declarant shall be entitled to one vote for each Lot they own in the same manner as all other Class A Members.

Notwithstanding the foregoing, Declarant shall be entitled to appoint at least one (1) member of the Board of Directors of the Association as long as Declarant holds for sale in the ordinary course of business at least five percent (5%) of the Lots within the Property. After Declarant relinquishes control of the Association, Declarant may exercise the right to vote any Declarant owned voting interest in the same manner as any other Member, except for purposes of reacquiring control of the Association or selecting the majority of the Members of the Board of Directors.

ARTICLE V

PROPERTY RIGHTS

Section 1. Community Common Area. The Association shall have Common Area that may include open space, Surface Water Management Systems, landscape buffers, mail kiosks and related parking, and signage, and the following provisions shall apply to any the foregoing and any other real property Common Areas now or hereinafter owned by, dedicated to or for the benefit of the Association.

Section 2. Membership Easements of Enjoyment. Every Member shall have a right and easement of enjoyment in and to the non-exclusive use of the Common Area, and such easement shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

(a) The right of the Association, in accordance with its Articles of Incorporation and Bylaws, to borrow money for the purpose of improving the Common Area, and in aid thereof, to mortgage said Common Area, provided, the rights of such mortgagee in said Common Area shall be subordinate to the rights of the Owners hereunder. The right to mortgage the Common Area provided herein shall not become effective until a Home has been constructed upon each Lot within the Property and each Lot has been conveyed from the Declarant or a Builder to a purchaser. No such rights to mortgage shall be effective unless approved by an affirmative vote of two-thirds of the Members at a duly noticed meeting for the purpose of approving such mortgage.

(b) The right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority or utility for such purposes, and subject to such conditions as may be agreed to by the Members. No such dedication or transfer shall be effective unless approved by an affirmative vote of two-thirds of the Members at a duly noticed meeting and the vote of the Class B membership, if any, agreeing to such dedication or transfer, and unless written notice of the proposed action is sent to every Member not less than thirty (30) days nor more than sixty (60) days in advance of the duly called meeting at which the vote on such dedication or transfer is held;

(c) The right of the Declarant or the Association to establish, from time to time, certain easements over the Common Area for utilities, broadband communications, cable television and other common services purposes;

(d) The right of the Association to charge reasonable fees for the use of designated facilities (if any) on the Common Area and to temporarily close facilities for repair or maintenance;

(e) Existing easements and agreements of record and those easements granted by the Declarant or the Association in accordance herewith and on the Plat. Recordation of an additional easement document in the public records shall not be required in order to effectuate such easements;

(f) Easements referred to in Article X hereof;

(g) The right to the use and enjoyment of the Common Area and facilities thereon, once construction has been completed, shall extend to all Members and their family, tenants, contract purchasers and invited guests, provided there is delegation of the right of enjoyment in accordance with the Bylaws and subject to regulation from time to time by the Association in its Rules;

(h) Access to certain Common Area within the Property may not be obtained from an Owner's or Member's Lot or other Common Area or publicly dedicated streets or properties. Thus, to obtain access to certain Common Area for which access cannot be obtained from the Owner's or Member's Lot, other Common Area or publicly dedicated streets or properties, the Owner or Member shall need to obtain the permission of an Owner whose Lot is contiguous to said Common Area. The fact that a Member or Owner shall not have access to certain Common Area from his or her Lot, Common Area or publicly dedicated streets or properties does not allow an Owner to avoid liability for Assessments provided for in Article VI of this Declaration; and

(i) The other provisions of this Declaration, the Articles and Bylaws, as the same may be amended from time to time.

Section 3. Common Area.

(a) Ownership. The Declarant hereby represents that the fee simple title to the Common Area has been or will be conveyed to the Association and the Association shall maintain the Common Area from and after the recording of this Declaration. In addition, any easement granted in favor of the Association shall be maintained by the Association in accordance with the terms of any such grant or dedication as if such easements were Common Areas; provided, however, the use and enjoyment of such easements shall be limited to the purpose for which they were intended. The Association shall be obligated to accept conveyance of any Common Areas or grants of easements from the Declarant or third parties as deemed necessary or advisable by Declarant. The Association shall have the right to promulgate rules and regulations for the use of Common Areas and such restrictions shall be enforceable against all Owners and their guests, tenants and invitees.

(b) Maintenance. The Association shall be responsible for the maintenance of the Common Areas in a continuous and satisfactory manner in good order, condition, and repair. In addition, the Association shall replace as scheduled any and all improvements situated on the Common Areas (upon completion of construction), including, but not limited to, all landscaping, paving, street lighting fixtures, signs, common irrigation systems, drainage facilities, and other structures, including entry features, perimeter fences, gates or signage installed by the Declarant or the Association, but excluding any public utilities and municipal or County improvements, facilities and rights of way. The Association shall be authorized, but not required, to provide other services, such as providing emergency repairs and perform other work on Lots reasonably necessary for the proper maintenance and operation of the Community and shall have easement rights necessary to perform same. All work pursuant to this Section and all expenses hereunder shall be paid for by the Association through Assessments as provided in this Declaration;

provided, however, that the cost of any maintenance, repair or replacement caused by the negligent conduct of an Owner or its guest, tenants or other invitees or by the failure of an Owner to comply with the lawfully adopted rules and regulations of the Association shall be levied as an Individual Assessment against such Owner individually. No Owner may waive or otherwise escape liability for the Assessments for such maintenance by non-use of the Common Areas or abandonment of his right to use the Common Areas. All governmental and or regulatory permits issued to the Declarant for construction and improvement of the "Briarwood" Subdivision that require ongoing reporting and adherence to such permits shall be administered and adhered to by the Association until such time that all governmental or regulatory agency requirements have been satisfied. It is expressly understood that this provision and any costs associated with this provision shall be borne by the Association.

(c) Rules and Regulations. The Association, through its Board of Directors, may make and enforce reasonable Rules and regulations governing the Common Areas, which Rules and regulations shall be consistent with the rights and duties established by this Declaration. Sanctions may include reasonable monetary fines levied in accordance with the Declaration and applicable law and suspension of the right to vote. The Board of Directors shall, in addition, have the power to seek relief in any court for violations or to abate nuisances. Imposition of sanctions shall be as provided herein and in the Bylaws of the Association.

(d) Association's Obligation to Indemnify. Association and Owners each covenant and agree jointly and severally to indemnify, defend and hold harmless Declarant and its officers, directors, shareholders, and any related persons or corporations and their employees from and against any and all claims, suits, actions, causes of action or damages arising from any personal injury, loss of life, or damage to property, sustained on or about the Common Areas or other property serving Association, and improvements thereon, or resulting from or arising out of activities or operations of the Association or Owners, and from and against all costs, expenses, court costs, attorneys' fees and paraprofessional fees (including, but not limited to, all trial and appellate levels and whether or not suit be instituted), expenses and liabilities incurred or arising from any such claim, the investigation thereof, or the defense of any action or proceedings brought thereon, and from and against any orders judgments or decrees which may be entered relating thereto. The costs and expense of fulfilling this covenant of indemnification shall be operating expenses of the Association to the extent such matters are not covered by insurance maintained by the Association.

Section 4. Declarant's Reserved Rights. Notwithstanding any provision herein to the contrary, the property rights under this Article V shall be subject to:

(a) The right of Declarant to execute all documents and take such actions and do such acts affecting the Property or the Common Area which, in the Declarant's sole discretion, are desirable or necessary to facilitate the Declarant's or any Builder's development, construction, sales and marketing of the Property. However, nothing contained herein shall authorize Declarant or any Builder to take any action that will diminish the rights of any lienholder or the holder of any mortgage on any Lot or on the Common Area; take any action that will affect title to any of the Lots after conveyance to third parties; or unilaterally change the Declaration, Articles,

Bylaws and Rules in violation of Chapter 720, Florida Statutes, after the Class B membership has terminated.

(b) Easements of record on the date hereof and any easements which may hereafter be granted by Declarant to any public or private utilities or governmental bodies for the installation and maintenance of cable television, electrical and telephone conduit and lines, sewers or water pipes, or any other utilities or services to any Lots within the Property or any portion of the Common Area or such easements as Declarant may determine are necessary or beneficial for the maintenance or preservation of the Property.

(c) The Declarant and Builders shall have full rights of ingress and egress to and through, and over and about the Property, including all Common Areas, during the Development Period and such additional period of time as Declarant or any Builder(s) are engaged in any development, construction or improvement work, sales, leasing or marketing of the Community on or within the Property, and the Declarant and any Builder(s) shall further have an easement thereon for the purpose of storage of materials, vehicles, tools, equipment, etc., which are being utilized in such development or construction and for the use and maintenance of signs, banners, and the like being used in connection with the sale or promotion of the Property, or any portion thereof. The Declarant and Builders shall further have the right to operate and maintain models, sales centers and leasing offices and to operate and open gates and access to the Community to facilitate sales and marketing of the Community in Declarant's sole and absolute discretion during the Development Period and such additional period of time as Declarant is engaged in any construction or improvement work, sales, leasing or marketing of the Community or within the Property. No Owner, his guests, employees, servants, agents and invitees shall in any way interfere or hamper Declarant or any Builder, or their agents, servants, employees, invitees, successors or assigns, in connection with such construction, development, promotion or sales activity.

(d) The Declarant shall have full right to assign any or all of its right, title and interest in the Property, both as Declarant and as a Member of the Association, to another party by the execution and recording of a proper instrument in the Public Records of the County. This provision shall not, however, be construed to allow Declarant to assign a membership in the Association in a transaction separate from ownership of a Lot. Notwithstanding the foregoing, the Declarant, in its sole discretion, shall also have the right to grant a Builder certain rights reserved hereunder to the Declarant for the purpose of constructing, selling and marketing Homes in the Community and conducting construction, sales and marketing thereof by executing a partial, non-exclusive assignment of rights in favor of the Builder to be kept in the official records of the Association. Any such assignment of rights shall not impose any obligation of the Declarant hereunder on any such Builder unless such obligations are expressly assumed by such Builder.

(e) Notwithstanding anything contained herein to the contrary, neither the Declarant, the Builders, nor the Association makes any representation whatsoever as to the commencement, completion or construction of any optional or recreational facilities within or upon the Common Areas. The Declarant expressly reserves the right to modify the plan of development, the site plan, the recreational or optional facilities, amenities, product types, and number of Homes or dwellings in the Community in such manner as Declarant and the Builder(s) deem desirable for the Community. Title to any portion of the Common Areas owned by

Declarant may be transferred to the Association at any time, provided, that title to all portions of the Common Areas owned by Declarant shall be transferred to the Association no later than the expiration of the Development Period. The transfer of title to any portion of the Common Areas to the Association shall be subject to: (i) all rights of Declarant, Builders and other persons set forth in this Declaration; and (ii) any restrictions or limitations contained in the instrument conveying such portion to the Association. THE ASSOCIATION AND THE MEMBERS SHALL BE OBLIGATED TO ACCEPT THE COMMON AREAS AND ANY IMPROVEMENTS LOCATED THEREON IN THEIR "AS-IS" CONDITION. NEITHER THE DECLARANT NOR ANY BUILDER MAKES ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, ALL OF WHICH ARE DISCLAIMED TO THE FULLEST EXTENT PERMITTED BY LAW, WITH RESPECT TO THE COMMON AREAS AND THE IMPROVEMENTS THEREON INCLUDING WITHOUT LIMITATION THE MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, THE CONSTRUCTION, DESIGN, ADEQUACY OF SIZE OR CAPACITY RELATED TO THE USE OF THE SAME, DATE OF COMPLETION OR FUTURE ECONOMIC PERFORMANCE OR OPERATION OF THE COMMON AREAS AND THE IMPROVEMENTS THEREON, INCLUDING ALL MATERIALS, FIXTURES, PERSONAL PROPERTY OR EQUIPMENT THEREIN.

Section 5. No Dedication to Public Use. Nothing contained in this Declaration shall be construed or be deemed to constitute a dedication, express or implied, of any part of the Common Area for use by the public, except for access to and from and throughout the property described in the Plat or any additions thereto for emergency access, law enforcement and persons providing essential services to the Community and its Members.

Section 6. Incorporation of Easements by Reference. Reference in the respective deeds of conveyance, or any mortgage or trust deeds or other evidence of obligation, to the easements and covenants herein described shall be sufficient to create and reserve such easements and covenants to the respective grantees, mortgagees or trustees of said parcels as fully and completely as though said easements and covenants were fully recited and set forth in their entirety in such documents.

Section 7. Surface Water Management. It is acknowledged that the Property is located within the boundaries of the WMD and that an easement is hereby created over the entire Property for the surface water drainage and storage, and for the installation and maintenance of the Surface Water Management System for the Property in accordance with the Permit; provided, however that such easement shall be subject to improvements constructed within the Property as permitted by controlling governmental authorities from time to time. The Surface Water Management System shall be part of the Common Area, owned by the Association, and operated and maintained by the Association or its agents, as Common Area, in compliance with all approvals, codes and regulations of governmental authorities and the WMD. Such operation and maintenance shall specifically include all utility costs and equipment related to the obligations hereunder. Maintenance of the Surface Water Management System shall mean the exercise of practices which allow the systems to provide drainage, water storage, conveyance or other surface water or stormwater management capabilities as permitted by the WMD and shall specifically include, but not be limited to, maintenance of aquatic vegetation, lake beds, lake banks, littoral planting and lake maintenance easements which, pursuant to the terms of this

Declaration, are not the responsibility of others, as well as water quality and wetland monitoring or testing. Any repair or reconstruction of the Surface Water Management System shall be as permitted, or if modified, as approved, by the WMD. Except as hereafter provided, the Association shall maintain as a common expense the entire Surface Water Management System for the Property in accordance with the Permit, including but not limited to all inlets, ditches, lakes and canals, swale areas, retention areas, culverts, pipes, pumps, catch basins, water control structures, retention and detention areas, floodplain compensation areas, wetlands and associated buffer area, and mitigation areas, and all related appurtenances, and any littoral zones in any lakes or other waterway, regardless of whether or not same are natural or man-made within the Property or are owned by the Association. Such maintenance shall be performed in conformance with the requirements of any governmental authority, and an easement for such maintenance is hereby created. The Association will have the right, but not the obligation, to maintain any portion of the Surface Water Management System for the Property which is owned and/or maintained by any controlling governmental authority, or which is outside of the Property. The Association will have the right to enter into agreements with any controlling governmental authority or any other property owner or association for the common maintenance of the Surface Water Management System serving the Property and any other property. The Property shall be required to accept surface water drainage from any other property pursuant to the requirements of any controlling governmental authority and an easement for such drainage is hereby created, and in connection therewith the Association will have the right, but not the obligation, to maintain any portion of the Surface Water Management System for such other property reasonably required in connection with the maintenance or operation of the Surface Water Management System for the Property.

ARTICLE VI

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments to be Paid to the Association. The Declarant for each Lot owned by it within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance (including any purchaser at a judicial sale), is deemed to covenant, which covenant shall run with the land and be binding on every Owner, and agrees to pay to the Association: (1) any regular assessments or charges for the payment of operating expenses of the Association (including payment of property taxes which may be assessed against Common Area or any personal property which may in the future be owned by the Association) ("**Regular Assessments**" or "**Annual Assessments**"); and (2) any special assessments for improvements, or to fund any deficits between the amount collected for regular assessments in accordance with the annual budget and the amount determined necessary by the Association for the proper management and maintenance of the Common Area, together with other costs and/or expenses levied or imposed against the Association or property of the Association ("**Special Assessments**"); and (3) any individual assessments or charges incurred by the Association on behalf of one or more Lots but not all Lots ("**Individual Assessments**"). All such Regular Assessments, Special Assessments and Individual Assessments, collectively referred to as "**Assessments**," shall be fixed, established and collected from time to time as hereinafter provided. The Assessments, together with such interest thereon and costs of

collection thereof, including attorney's fees, as hereinafter provided and any applicable late fee imposed by the Board of Directors of the Association, shall be a charge on the Property and shall be a ***continuing lien*** relating back to the date of recordation of the Declaration upon any Lot against which each such assessment is made, and said lien may be enforced in the same manner in which mortgages are enforced. Each such assessment, together with interest, costs (including applicable late fees), and reasonable attorneys' fees for its collection, including attorneys' fees involved at all appellate levels and whether or not suit is instituted, shall also be the personal obligation of the person or entity who was the Owner of the Lot at the time when the assessment becomes due. Each Owner shall be jointly and severally responsible with the previous Owner for all Assessments due to the Association prior to the transfer of title, without prejudice to any right the present Owner may have to recover any amounts paid by the present Owner from the previous Owner. The Declarant shall not pay any special assessments or annual HOA dues. **Maximum Annual Assessment.** Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be FOUR HUNDRED FIFTY AND 00/100 DOLLARS ($450.00) per Lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year not more than 5% above the maximum assessment for the previous year without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above 5% by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 2. Purpose of Assessments. The Assessments to be levied by the Association shall be used for the purpose of promoting the recreation, health, safety, and welfare of the residents of the Property and shall specifically include, but not limited to: payment of all water or utility charges for the Lots and/or Common Area billed through the master meter (if any); any fees due under a bulk service agreement entered into on behalf of the Owners by the Association or Declarant; the maintenance of the Common Area and any improvements or equipment maintained by the Association; the payment of taxes and insurance for the Common Area; payment for the improvement and maintenance of the Common Area; and services and facilities related to the use and enjoyment of the Common Area. Special Assessments shall be used to fund capital improvements, deficits in the collection of Regular Assessments to cover operating expenses of the Association, and other purposes deemed necessary by a majority vote of Owners of the Association as set forth in Section 5 hereof. Individual Assessments shall be for the costs incurred by the Association which by nature are applicable only to one or more Lots, but less than all Lots. By way of example and not limitation, in the event an Owner fails to maintain their Lot in a manner required by the Governing Documents, the Association shall have the right, through its agents and employees, to enter upon the Lot and to repair, restore, and maintain the Lot and/or Home as required by the Governing Documents. The costs of any such repair, restoration and/or maintenance, plus the reasonable administrative expenses of the Association

and any costs incurred in bringing a Lot and/or Home into compliance with the Governing Documents, shall be an Individual Assessment charged against the Lot.

Section 3. Basis of Annual Assessments. For the initial year of operation of the Association, the monthly Assessment shall be the amount as set forth in the estimated operating budget of the Association for the initial year of operation. From and after January of the next operating year, the annual Assessment shall be determined in accordance with the Articles of Incorporation and Bylaws of the Association taking into account current maintenance costs and future needs of the Association. Each Owner acknowledges the Association is responsible for the repair and maintenance of capital improvements that may result in a Special Assessment due to reserves not being collected. Because reserve accounts are not being initially provided for by the Declarant, the Members of the Association may elect to collect reserves after the expiration of the Class B membership upon the affirmative approval of a majority of the total voting interests of the Association obtained by a vote of the Members at a duly called meeting of the membership or by the written consent of a majority of the total voting interests of the Association. The approval action of the membership must state that reserve accounts shall be provided for in the budget and must designate the components for which the reserve accounts are to be established. Upon approval by the membership, the Board of Directors shall include the required reserve accounts in the budget in the next fiscal year following the approval and each year thereafter. Once reserves are established as provided in this subsection, the reserve accounts must be maintained by collection of Assessments or have their funding waived in the manner provided by Chapter 720, Florida Statutes. Notwithstanding the same, reserves will not be funded by the Declarant for the Lots Declarant owns so long as Declarant is funding any deficits in operating costs pursuant to Section 12 herein.

Section 4. Uniform Rate of Assessment. Unless otherwise provided for herein, as to Lots that have been conveyed from the Declarant or from a Builder to a third-party purchaser other than a Builder and upon which a Home has been completed or is occupied, both Annual and Special Assessments must be fixed at a uniform rate for all Lots with a Home and may be collected on an annual, quarterly or monthly basis or at any other interval as determined by the Board of Directors. Payments of all Assessments will be made directly to the Association or its designated management company and in no instance shall any mortgagees have the obligation to collect Assessments. Notwithstanding the foregoing, any Vacant Lot that does not have a Home that is occupied or that has been conveyed to a third-party home purchaser shall in no event pay more than 25% of the Annual Assessment for such Vacant Lot until a Home is constructed thereon and is either occupied or has been issued a Certificate of Occupancy.

Section 5. Special Assessment for Capital Improvements. In addition to the Annual Assessment authorized above, the Association may levy in any assessment year, a Special Assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Area, including the necessary fixtures and personal property related thereto, or to cover deficits in the collection of Regular Assessments to cover operating expenses of the Association; PROVIDED that any such Special Assessments shall have the assent of a majority of the votes of each class of Members who are voting in person or by proxy at a meeting at which a quorum is obtained and which is duly called for this purpose, written notice of which shall be sent to all Members not less than 15 days nor more than 60 days in

advance of the meeting setting forth the purpose of the meeting. Special Assessments shall be allocated equally among all Lots upon which a Home has been constructed and for which a Certificate of Occupancy has been issued. Builders owning Vacant Lots shall not be obligated to pay Special Assessments thereon unless a Certificate of Occupancy for the Home constructed thereon has been issued on the date the Special Assessment is approved by the Members.

Section 6. Quorum for Any Action Authorized Under Section 5. At each meeting called, as provided in Section 5 hereof, the presence of the meeting of Members or of proxies entitled to cast thirty percent (30%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, one additional meeting may be called, subject to the notice requirements set forth in Section 5 and the required quorum at any such subsequent meeting shall be one-half (½) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessments; Due Dates. The Annual Assessments provided for herein shall commence as to each Lot on the conveyance of the Lot by the Declarant or a Builder to a third-party purchaser other than a Builder. The first Annual Assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors of the Association shall fix the amount of the Annual Assessment against each Lot at least thirty (30) days in advance of each Annual Assessment period. Written notice of the Annual Assessment shall be sent to every Owner subject thereto together with the due date of such Assessments established by the Board of Directors. The Board of Directors, if necessary to insure cash flow, may institute reasonable late payment fees for any delinquent payment of the Annual Assessment. The Association shall upon demand at any time furnish a certificate in writing signed by an officer of the Association setting forth whether the Assessments on a specified Lot have been paid. A reasonable charge may be made by the Board of Directors or its agent for the issuance of these certificates. Such certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any Assessments which are not paid when due shall be delinquent. If the Assessment is not paid within ten (10) days (or such other period of time established by the Board of Directors) after the due date, an administrative late fee of the greater of Twenty-Five and no/100 Dollars ($25.00) or 5% of the amount of the installment that is past due, together with interest in an amount equal to the maximum rate per annum allowable by law beginning from the due date until paid in full may be levied. The Association, acting through its Board of Directors, may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot to which the Assessment is levied, and interest, costs and reasonable attorneys' fees, including at all appellate levels and whether or not suit is instituted, in collection or enforcement shall be added to the amount of such Assessment. Additionally, the Board of Directors of the Association may at its discretion accelerate the Assessments then due from a delinquent Owner for the next twelve (12) months. The Association may also notify any mortgagees or lenders of Owner, any co-borrowers and/or guarantor(s) (without recourse to Declarant and/or the Association) of delinquencies in the payment of Assessments. No Owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of the Common Area or abandonment of his or her Lot. All payments on accounts shall be first applied to fines levied in accordance with the

terms of the Declaration, interest accrued by the Association, then to any administrative late fees, then to collection costs and attorney fees, and then to the delinquent Assessments. The allocation of payments described herein shall apply notwithstanding any restrictive endorsement, designation or instruction placed on or accompanying a payment._ Additionally, if a Home is occupied by a Lessee and the Owner is delinquent in the payment of Assessments, the Association may demand from the Lessee payment to the Association of all monetary obligations, including without limitation, Assessments due from the Owner to the Association. So long as the Owner remains delinquent, future rent payments due to the Owner may be collected by the Association and shall be credited to the monetary obligations of the Owner to the Association. If within fourteen (14) days from written demand of the Association, the Lessee provides the Association with written evidence of making prepaid rent payments, the Lessee shall receive credit for the prepaid rent for the applicable period of such prepaid rent.

Section 9. Individual Assessment Against a Particular Owner of Lot. In the event an Owner of any Lot in the Property shall fail to maintain the premises and the improvements situated thereon in accordance with the terms and conditions of the Declaration and any promulgated Rules in a manner satisfactory to the Board of Directors to a minimum standard of consistency with the general appearance of the Property as initially constructed and improved by the Declarant or Builder (taking into account normal wear and tear and exposure to normal exterior conditions, but not to the point of unsightliness), the Association, after approval by a majority of the Board of Directors, shall have the right, through its agents and employees, to enter upon said Lot and to repair, maintain, and restore the Lot, and the exterior of the buildings and any other improvements erected thereon. The costs of such exterior maintenance performed on behalf of the Owner to which such Lot is subject may be assessed to the Lot as an Individual Assessment for such expense; and said Individual Assessment shall be enforced in the same manner as provided for in Section 8. In addition, in the event any Owner, its guests, tenants or invitees cause any damage to the Common Areas, including recreation or optional facilities, landscaping, drainage facilities, mail kiosks, or sidewalks, such Owner shall be responsible for the cost of any repairs required to correct such damage and the cost thereof may be assessed to the Owner as an Individual Assessment.

Section 10. Subordination of the Lien to Mortgages. The lien of the Assessments provided for herein shall be superior to all other liens except tax liens and the liens of any bona fide Institutional First Mortgage to an Institutional First Mortgagee recorded prior to any lien for Assessments by the Association; provided, however, that said mortgage liens are first liens against the property encumbered thereby, subject only to tax liens, and secure indebtednesses payable in monthly, quarterly or annual payments over a period of not less than ten (10) years.

Section 11. Exempt Property. The following Property subject to this Declaration shall be exempt from the Assessments created herein: (a) any portion of the Property dedicated to and accepted by a local public authority; (b) the Common Area; and (c) any portion of the Property owned by a charitable or non-profit organization exempt from taxation by the laws of the State of Florida; however, no Lot, land or improvements devoted to dwelling use shall be exempt from said Assessments. Lots owned by the Declarant shall be exempt from payment of Assessments so long as Declarant is deficit funding operating expenses in accordance with Section 12 below.

Section 12. Declarant's Right to Deficit Fund Operating Expenses. Notwithstanding any provision that may be contained to the contrary in this Declaration, for as long as Declarant or any successor Declarant is in control of the Association, the Declarant shall not be liable for Assessments against such Lots owned by the Declarant, provided that the Declarant funds any deficit in operating expenses exclusive of reserves, cost of capital improvements, and non-budgeted repairs or replacement, as specified in Chapter 720.308(1)(b), Florida Statutes. For the purposes hereof, a deficit shall be computed by subtraction from said operating expenses (exclusive of the items described in the foregoing sentence) all Assessments, contributions, income and other sums and income received or receivable by the Association. The Declarant may at any time commence to pay Assessments to the Lots that it owns and thereby automatically terminate its obligations to fund a deficit in the operating expenses of the Association, or any time or from time to time elect again to fund deficits as aforesaid. When all Lots within the Property are sold and conveyed to purchasers, the Declarant shall have no further liability of any kind to the Association for the payment of Assessments or deficits other than those that arose to prior to such time. Should Declarant, in its sole discretion, elect to fund cash shortfalls caused by delinquencies or other matters which would not otherwise require deficit funds from the Declarant, such funds shall be considered a loan to the Association to be paid back to the Declarant by the Association. The Declarant's rights under this Section 12 shall not be construed as a guarantee of Assessments under Section 720.308(2), Florida Statutes.

Section 13. Surface Water Management System. The Association will be responsible for assessing and collecting fees for the operation, maintenance, inspection and inspection reporting, mitigation and mitigation reporting, and, if necessary, replacement of the Surface Water Management System which is owned and operated by the Association. Fees shall be assessed and collected through Assessments. In the event the Community contains on-site wetland mitigation requiring monitoring and maintenance, the Association should budget and collect sufficient funds for the monitoring and maintenance of the mitigation areas in accordance with the Permit.

ARTICLE VII

CAPITAL CONTRIBUTION

Section 1. Capital Contribution on Sale By Declarant. At the time of the closing or the sale of a Home by the Declarant or a Builder to a third-party purchaser other than a Builder, each purchaser shall pay to the Association the amount of $250.00 as a contribution to working capital. These monies (hereinafter called "**Capital Contribution**") shall be the Association's property and shall be held by the Association through its Board of Directors, pursuant to the powers described in the Articles and Bylaws. The Capital Contribution shall be deemed ordinary Association income and need not be separated from or held or applied differently than Assessments. No refund of a Capital Contribution will be made on re-sale. No Capital Contribution shall be due from a Builder when a Builder acquires a Lot for the purpose of constructing a Home thereon.

Section 2. Capital Contribution on Sale By Owner Other Than Declarant. At the time of the closing or the sale of a Lot or home by an Owner other than Declarant or a Builder, each purchaser shall pay to the Association a Resale Capital Contribution, which shall initially be

$250.00 per Lot. The Board of the Association shall have the right to adjust the amount of the Resale Capital Contribution from time to time. These monies shall be the Association's property and shall be held by the Association through its Board of Directors, pursuant to the powers described in the Articles and Bylaws. The Capital Contribution shall be deemed ordinary Association income and need not be separated from or held or applied differently than Assessments. No refund of a Capital Contribution will be made on re-sale.

ARTICLE VIII

ARCHITECTURAL CONTROL

Section 1. Review of Proposed Construction. No improvement or alteration of any kind, including, but not limited to, a fence, wall or other addition, structure, or equipment (including exterior paint, roofing, landscaping, antennas, awnings, and shutters) shall be installed, painted, erected, removed or maintained within the Property, until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to, and approved in writing by, a majority of the Board of Directors of the Association. The Board of Directors of the Association shall approve proposals or plans and specifications submitted for its approval only if it deems that the construction, alterations or additions contemplated thereby in the locations indicated will not be detrimental to the appearance of the surrounding area of the Property and that the appearance of any improvement or other structure affected thereby will be in harmony with surrounding structures and improvements (or the surrounding area contemplated by Declarant, if within the Development Period) and it otherwise desirable. The Board of Directors of the Association may condition its approval of proposals and plans and specifications as it deems appropriate and may require submission of additional plans and specifications or other information prior to approving or disapproving material submitted. The Board of Directors of the Association may also issue rules or guidelines setting forth procedures for the submission of plans for approval. The Board of Directors of the Association may require such detail in plans and specifications submitted for its review as it deems proper, including, without limitation, floor plans, site plans, drainage plans, elevation drawings and descriptions or samples of exterior materials and colors. Until receipt by the Board of Directors of the Association of any required plans and specifications, the Board of Directors of the Association may postpone review of any plans submitted for approval. The Board of Directors of the Association shall have forty-five (45) days after delivery of all required materials to approve or reject any such plans. During the period of time the Declarant appoints the majority of the Board, if an Owner's plans are not approved within such 45-day period, said plans shall be deemed not approved; provided, however, once Owners other than the Declarant elect a majority of the Board, if an Owner's plans are not approved within such 45-day period, said plans shall be deemed approved. All changes and alterations shall be subject independently to all applicable governmental laws, statutes, ordinances, rules, regulations, orders and decrees. Any alteration or modification to the location and/or placement of exterior walls of any Home shall be further conditioned on compliance with the County ordinances and the obtaining of applicable governmental approvals, if any.

Section 2. No Waiver of Future Approvals. The approval of the Board of Directors of the Association of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of the Board

of Directors of the Association, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matters whether subsequently or additionally submitted for approval or consent.

Section 3. Liability of the Board of Directors of the Association. No member of the Board of Directors of the Association (or Declarant) shall be liable to any Owner or other person by reason of mistake in judgment, failure to point out deficiencies in plans, or any other act or omission in connection with the approval of any plans. Any Owner submitting plans hereunder by the submitting of same, agrees (i) not to seek any damages or make any claim arising out of approval of plans hereunder, and (ii) to indemnify and hold the Board of Directors of the Association, the Association, and Declarant harmless from any cost, claim, damage, expense or liability whatsoever, including attorneys' fees and costs at all tribunal and appellate levels (and whether or not suit is instituted), arising out of the approval of any plans regardless of the negligence of the committee members, their representatives, or appointing entity.

Section 4. Inspection of Work. Inspection of work and correction of defects therein shall proceed as follows:

(a) Upon the completion of any work for which approved plans are required hereunder the applicant for such approval ("**Applicant**") shall give written notice of completion to the Board of Directors of the Association.

(b) Within thirty (30) days thereafter, the Board of Directors of the Association (or its duly authorized representative) may inspect such completed work. If the Board of Directors of the Association finds that such work was not affected in substantial compliance with the approved plans, it shall notify the Applicant in writing of such noncompliance within such thirty (30) day period, specifying the particulars of noncompliance, and shall require the Applicant to remedy the same.

(c) If an Applicant is notified of any noncompliance, the Applicant shall remedy or remove the same within a period of not more than forty-five (45) days from the date of announcement of the Board of Directors ruling. If Applicant does not comply with the Board of Directors of the Association ruling within such period, the Board of Directors, at its option, may either remove the noncomplying improvement or remedy the noncompliance (an easement therefore being hereby created), and Applicant shall reimburse the Association, upon demand, for all expenses incurred in connection therewith. This amount, together with interest thereon at the rate of eighteen (18%) percent per annum from the date the noncompliance was to have been remedied or removed, the maximum late fee allowed under Florida Statutes for each month that a violation exists if payment is not made within thirty (30) days after announcement, and all costs and reasonable attorneys' fees incurred by the Association in collection, enforcement or abatement, as appropriate (including attorneys' fees incurred at all appellate levels and whether or not suit is instituted) shall be a personal obligation of Owner and shall not pass to the successors in title of Owner unless expressly assumed by such successors. Such amount (including interest, costs, late fees and attorneys' fees as provided above) shall also be a ***continuing lien*** and run with the land on the Owner's Property if not paid within thirty (30) days after notice enforceable in the same manner in which mortgages are enforced by foreclosure, or by bringing an action at law or equity against the Owner.

(d) If for any reason the Board of Directors of the Association fails to notify the Applicant of any noncompliance within forty-five (45) days after receipt of written notice of completion from the Applicant, the improvement shall be deemed to have been made in accordance with the approved plans.

Section 5. Variances. The Board of Directors of the Association may authorize variances from compliance with any of the architectural provisions of this Declaration when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations may require. Such variance must be evidenced in writing and must be signed by at least two (2) members of the Board of Directors of the Association. If such variances are granted, no violation of the covenants, conditions and restrictions contained in this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular property and particular provisions hereof covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting his use of the Lot and Home, including, but not limited to, zoning ordinances and lot setback lines or requirements imposed by any governmental or municipal authority.

Section 6. Architectural Review Committee. The Board of Directors of the Association may assign all of its responsibilities under Article VIII to an Architectural Review Committee to be appointed by the Board of Directors of the Association (the "**ARC**").

Section 7. Declarant's Exemption. Notwithstanding anything to the contrary, this Article does not apply to the Declarant or to D.R. Horton, Inc., as a Builder. Such exemption may be non-exclusively assigned by the Declarant to any other Builder. Notwithstanding anything to contrary, the Declarant shall have the right to approve any of the foregoing for any Builder in lieu of the Association. The Declarant's review and approval of any Builder plans shall be deemed approval of the ARC and the Association and such approval may not be revoked or modified, and any modifications of such approved plans shall only require approval of the Declarant.

ARTICLE IX

USE RESTRICTIONS

Section 1. Residential Purposes. No Lot shall be used for any other purpose other than residential purposes. The occupancy of each Home shall be limited to the maximum number of persons allowable in accordance with Federal Regulations and local ordinances based on the size and configuration of the Home. No building shall be erected altered, placed or permitted to remain on any Lot other than a Home, related appurtenances, and other structures originally constructed by the Declarant or in accordance with ARC approval.

Section 2. Temporary Structures. No structure of a temporary character, trailer, tent, shack, barn, shed or other out-building shall be placed or used on any Lot without the approval of the ARC. No such structures shall at any time be used as a residence or appurtenance to such residence, either temporary or permanent. The foregoing shall not apply to temporary construction trailers or other temporary structures used by the Declarant or Builders.

Section 3. Offensive Activity. No noxious or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the Community, or any matter which affects the health, safety or welfare of the owners or occupants of the Property, in the Association's reasonable discretion.

Section 4. Pets. No livestock or poultry shall be kept, maintained, or bred in any Home or elsewhere within the Property. No pets shall be kept, maintained, or bred in any Home or elsewhere within the Property, except for fish in an aquarium and birds in cages maintained in the interior of the Home and not more than a total of three (3) domestic dogs (other than dogs which in the reasonable determination of the Board of Directors or under applicable codes, ordinances, or regulations are determined to be a threat to the safety of the occupants of the Property which shall not be allowed under any circumstances in the Property) or three (3) domestic cats shall be permitted to be kept in a Home or Lot, provided such animals are not kept, bred or raised for commercial purposes. Notwithstanding the foregoing, the Board of Directors shall specifically have the power to either permit additional domestic dogs or cats to be kept as pets by an Owner if in the determination of the Board of Directors such pets shall not cause or be deemed by the Board of Directors to constitute a nuisance to any other Owner in the determination of the Board of Directors. Each person bringing or keeping a pet within the Property shall be absolutely liable to the Association, other Owners and their invitees for any damage to persons or property caused by any pet brought upon or kept upon the Property and it shall be the duty and responsibility of each such Owner to clean up after such animals which have deposited droppings or otherwise used any portion of the Property or public street abutting or visible from the Property. Animals belonging to Owners or invitees of any Owner must be kept within an enclosure or, on a leash held by a person capable of controlling the animal. No pets shall be "tied out" in a yard or on a porch or patio and left unattended for any extended period of time. The Association shall have the right to promulgate Rules and Regulations relating to animals and the right to restrict or require removal any such animals determined by the Board or applicable codes or regulations to constitute a nuisance or danger to the Community. In addition, all pet owners shall be required to maintain at all times adequate homeowners' insurance coverage for any and all liabilities related to the pet(s) owned and kept on the Lot, which insurance shall name the Association as an additional insured to the extent such endorsement is available. Proof of such insurance coverage shall be provided by the Owner to the Association upon reasonable request not more than one time per calendar year. If such coverage is not provided as required herein, the Association shall have the right to require the pet to be removed from the Lot until the appropriate insurance coverage is obtained.

Section 5. Signs. During the time period Declarant owns any Lot within the Property, Owners other than the Declarant shall not display signs of any kind to the public view on any Lot, except one sign not larger than 3" X 5" and placed in one ground floor window or one second story window advertising that property is for sale and except signs used by the Declarant and Builders to advertise the Property during the construction and sale of Homes. Once the Declarant has conveyed all Lots it owns within the Property, then the size of the signs can be increased, as authorized by the Board of Directors of the Association or the ARC, to advertise that the property is for sale or rent which sign is to be placed on one ground floor window or one second story window. The foregoing shall not apply to any signs used by the Declarant or any Builder to advertise the Property during the construction and sale of Homes.

Section 6. Garbage. No Lot shall be used or maintained as a dumping ground for rubbish. All trash and garbage shall be regularly removed from each Lot and shall not be allowed to accumulate thereon. Trash, garbage or other waste shall be kept in sanitary, covered containers. All equipment for the storage or disposal of such materials shall be kept in a clean and sanitary condition. In no event shall such equipment and/or containers be visible from the Common Area streets, from neighboring Property or within property contained in the Plat, except for a reasonable time immediately prior to and after scheduled trash collection, and in all events in compliance with the County Code.

Section 7. Outdoor Property. No garments, rugs, towels, blankets, or any other materials may by hung, exposed or dusted from the windows or from the front facade of any Home. Further, unless otherwise specifically prohibited by applicable local, State or Federal law, no outside clotheslines or other facilities for drying or airing clothes shall be erected in the front yard, side yard or back yard of any Home. All personal property of Owners or other occupants shall be stored inside; provided, however, patio furniture or other personal property which is specifically for the use and enjoyment of designated outdoor areas of the Home shall be permitted.

Section 8. Parking. Parking in the Community is limited to designated driveways, garages and guest parking spaces. There shall be no parking on the grass, the street, or any portion of any sidewalk which is not part of a designated driveway. An Owner may park in the Home's garage or in the driveway on the Lot. Car covers are prohibited and license tags on all vehicles must be current. No vehicle which cannot operate on its own power shall remain in the Community for more than twenty-four (24) hours, except in the garage of a Home. No repair or maintenance, except for emergency repairs of vehicles shall be made unless in the garage of a Home. No vehicles shall be stored on blocks. No tarpaulin covers on vehicles shall be permitted anywhere within the public view. Any trailer, commercial vehicle, recreational vehicle, boat, rowboat, canoe, jet ski or boat trailer shall not be permitted to be parked outside of an enclosed garage. The term "commercial vehicle" includes trucks and vehicular equipment or other vehicles which are used, or which are ordinarily intended to be used for commercial purposes or which contain materials regularly used in trade or business. No vehicles displaying commercial advertising shall be parked within the public view except those of visiting contractors making repairs to a Lot or Home and this provision is specifically intended to preclude any Owner from parking their personal commercial vehicle in public view. Automobiles issued by the County or other governmental entity (i.e., police cars), such automobile shall not be deemed to be a commercial vehicle and may be parked in the garage or driveway of the Lot. No vehicle shall be used as a domicile or residence either temporarily or permanently. No all-terrain vehicles (ATVs) or mini motorcycles are permitted at any time on any paved surfaces forming a part of the Common Areas. Subject to applicable laws and ordinances, any vehicle parked in violation of these or other restrictions contained herein, the Association is authorized to order the towing of any vehicle (at said vehicle owner's expense) for a violation of this Section if a vehicle remains in violation of this Section for a period of twenty-four (24) hours from the time a notice of violation is placed on the vehicle or if such a vehicle was cited for such violation within the preceding fourteen (14) day period. Each Owner by acceptance of title to a Home irrevocably grants the Association and its designated towing agent the right to enter a Lot or Common Area and tow-vehicles which violate the terms of this Declaration or which are parked in violation of

this Declaration. Neither the Association nor the towing company shall be liable to the owner of such vehicle for trespass, conversion or otherwise, nor guilty of any criminal act, by reason of such towing or removal and once the notice is posted, neither its removal, nor failure of the owner to receive it for any other reason, shall be grounds for relief of any kind. An affidavit of the person posting the aforesaid notice stating that it was properly posted shall be conclusive evidence of proper posting. Notwithstanding any other provision in this Declaration to the contrary, the foregoing restrictions shall not apply to construction vehicles utilized in connection with construction, improvement, installation, or repair by Declarant, Builders, or their agents. Further, the restrictions in this Section shall not be deemed to limit service vehicles whose purpose is to perform maintenance and delivery service to the Owners or the Association during normal working hours or for work performed for the Declarant, Builders, or the Association which are necessary in the development, maintenance or management of the Association.

Section 9. Septic Tanks. No septic tanks or individual wells will be permitted on any Lot.

Section 10. Garages. No garage may be improved for purposes of making same a living area, nor shall garage doors be removed except for replacement (in which case the Owner must obtain approval of any replacement door from the Board of Directors of the Association). No garage may be used for the operation of a business or for any commercial purpose of any kind.

Section 11. Window Coverings. No external window covering, reflective window covering or iron or decorative bars (either interior or exterior) may be placed or permitted to remain on any window of any building without the prior written approval of the Board of Directors of the Association. Window treatments shall consist of drapery, blinds, decorative panels, or other window covering, and no newspaper, aluminum foil, sheets or other temporary window treatments are permitted, except for periods not exceeding one (1) week after an Owner or tenant first moves into a Home or when permanent window treatments are being cleaned or repaired. No bars shall be placed on the windows of any Home without prior written approval of the ARC. No awnings, canopies or shutters shall be affixed to the exterior of a Home without the prior written approval of the ARC. No reflective tinting or mirror finishes on windows shall be permitted unless approved by the ARC. Window treatments facing the street shall be of a neutral color, such as white, off-white or wood tones. Window or wall air conditioner units are prohibited.

Section 12. Flags. No flags or banners other than a Flag permitted by Chapter 720.304, Florida Statutes, or other local, state or federal law, which must be displayed in a respectful manner and which is subject to reasonable standards for size, placement and safety as may be adopted by the Association will be permitted. The foregoing sentence shall not apply to the Declarant.

Section 13. Reconstruction. In the event that a Home or other improvement is damaged or destroyed by casualty loss or other loss, then the Owner thereof shall commence to rebuild or repair the damaged Home or improvement in accordance this Declaration within 6 months of the date of the loss. As to any such reconstruction of a destroyed Home or improvements, the same

shall only be replaced as approved by the ARC. Notwithstanding anything to the contrary herein, to the extent that insurance coverage obtained and maintained by the Association covers such casualty destruction, the Owner of such damaged or destroyed Home shall not perform any activities that would negate such coverage or impair the availability of such coverage.

Section 14. Business Activity. Except for normal construction activity, sale, and re-sale of a Home, sale or re-sale of other property owned by Declarant, administrative offices of Declarant, no commercial or business activity shall be conducted in the Community that disrupts the residents, including without limitation, within any Home. Notwithstanding the foregoing, and subject to applicable statutes and ordinances, an Owner may maintain a home business office within a Home for such Owner's personal use; provided, however, business invitees, customers, and clients shall not disrupt the residential nature of the Community unless the Board of Directors provides otherwise in the Rules and Regulations. No Owner may actively engage in any solicitations for commercial purposes within the Community. No solicitors of a commercial nature shall be allowed within the Community, without the prior written consent of Association. No day care center, child care facility, elder care or other assisted living facility or halfway house may be operated out of a Home. No garage sales are permitted, except as permitted by Association.

Section 15. Telecommunications. No exterior visible antennae, radio masts, towers, poles, aerials, satellite dishes, or other similar equipment shall be placed on any Home or Lot without the prior written approval thereof being first had and obtained from the ARC as required by this Declaration. The ARC may require, among other things, that all such improvements be screened so that they are not visible from adjacent Homes, or from the Common Areas. No Owner shall operate any equipment or device which will interfere with the radio or television reception of others. All antennas not covered by the Federal Communications Commission ("**FCC**") rules are prohibited. Installation, maintenance, and use of all antennas shall comply with restrictions adopted by the Board of Directors and shall be governed by the then current rules of the FCC.

Section 16. Fences. Fences shall be almond PVC or black wrought iron in a style determined by the Declarant. No Owner shall be permitted to install a fence to enclose any portion of the Lot without the prior approval of the Board or ARC in accordance with Article VIII, which shall approve the material, location and height. Any perimeter fences or fences along the rear lot line of two Lots with a common rear lot line originally installed by the Declarant or the Association shall be maintained by the Association for the benefit of all Owners. Adjoining fences must taper to a height of the adjoining fence within 4 feet. All other fences located on a Lot or approved fences installed by an Owner or Owners shall be maintained by the Owner or Owners of such benefitted Lots at such Owner's or Owners' sole cost and expense. Nothwithstanding anything to the contrary contained herein, construction of any fence or wall, whether by the Declarant or otherwise, which obstructs the surface water flow or swales shall be strictly prohibited.

Section 17. Hurricane Shutters. Any hurricane shutters or other protective devices visible from outside a Home shall be of a type as approved by the ARC. Panel, accordion and roll-up style hurricane shutters may not be left closed during hurricane season. Any such

approved hurricane shutters may be installed upon forty-eight (48) hours prior to the expected arrival of a hurricane and must be removed within seventy-two (72) hours after the end of a hurricane watch or warning or as the ARC may determine otherwise. Except as the Board may otherwise decide, shutters may not be closed at any time other than a storm event.

Section 18. Water Bodies. No Lot Owner shall use any body of water located within the Community for recreational purposes, including boating, jet skiing, or any other types of water sports. Swimming in any body of water within the Community is prohibited. No planting, fencing or other improvements or additions to the landscape area or grassed area surrounding any body of water in the Community and within the maintenance easements surrounding the bodies of water are permitted. No installation of sand or other materials intended to simulate a beach shall be permitted along the lake banks, within the maintenance easements surrounding the lake or rear yards of Lots adjacent to the lakes. The Association has the right to further restrict use of bodies of water in the Community in promulgated Rules established by the Association. BY ACCEPTANCE OF A DEED TO A HOME OR LOT, EACH OWNER ACKNOWLEDGES THAT THE WATER LEVELS OF ANY WATER BODIES IN THE COMMUNITY MAY VARY FROM TIME TO TIME. THERE IS NO GUARANTEE BY THE DECLARANT OR ASSOCIATION AND ANY OF THEIR OFFICERS, DIRECTORS, COMMITTEE MEMBERS, EMPLOYEES, MANAGEMENT AGENTS, CONTRACTORS OR SUBCONTRACTORS THAT WATER LEVELS WILL BE CONSTANT OR AESTHETICALLY PLEASING AT ANY PARTICULAR TIME. AT TIMES, AREAS IN THE COMMUNITY WHICH ARE DESIGNED TO RETAIN WATER, MAY HAVE LITTLE TO NO WATER RETENTION AND WATER LEVELS MAY BE NON-EXISTENT.

Section 19. Exemptions. Notwithstanding anything to the contrary, any restrictions contained in this Article that would disrupt the construction, sales, and marketing of Homes in the Community shall not apply to the Declarant or to any Builder.

ARTICLE X

EASEMENTS

Section 1. Public Services. Easements are reserved over each Lot and the Common Area for public service purposes including but not limited to, police protection, fire protection, emergency services, postal service and meter reading.

Section 2. Utilities. Easements for ingress and egress and for the installation and maintenance of all utilities, Surface Water Management Systems and drainage facilities, landscaping, irrigation, fencing, signage, and street lighting are reserved on and over each Lot and the Common Area in favor of the Association and other entities with maintenance responsibilities related to the same. Such easements are reserved for their intended purpose and shall not be removed by subsequent Owners. The right is also reserved to the Declarant and the Association to create additional utility easements by separate instrument as may be required from time to time.

Section 3. Encroachments. Notwithstanding any other provisions contained in this Declaration, in the event that any Home, as constructed by the Declarant or a Builder on a Lot, encroaches upon any portion of the Common Area or adjoining Lot, then a perpetual easement appurtenant to such Lot shall exist for the continuance of any such encroachment on the Common Area or adjoining Lot. In the event any fence, roof, overhanging roof, or portion of the Home, as constructed upon any Lot by Declarant or by a Builder, encroaches or overlaps upon any other Lot or the Common Area, then, in such event, a perpetual easement appurtenant to the Lot upon which the fence, roof, overhanging roof, or Home is construction shall exist for the continuation of any such encroachment or overlapping upon the adjoining Lots and Common Area.

Section 4. Drainage. The Association shall have the responsibility to maintain all drainage facilities and drainage pipes and equipment within the Property, landscape buffers, and easements and maintain irrigation lines and facilities within the landscape and utility easements and the expense for same will be a common expense of the Association. The Association shall also have the right to maintain any drainage easements on the Lots to the extent any Lot Owner fails to maintain the same. There shall be, and Declarant hereby grants, reciprocal, perpetual non-exclusive easements between all adjacent Lots, as easements appurtenant to the Lots, for the natural run-off of rainwater, in accordance with any stormwater management plan which may be applicable to the Community, provided, however, that in no event shall any Owner of a Lot be required to allow stormwater drainage across its Lot in such a manner as shall damage any permanent improvements located thereon.

Section 5. Common Area Maintenance. An easement is reserved over the Property, including each Lot, in favor of the Association for maintenance of the Common Area and to allow the Association to fulfill any and all of its maintenance obligations hereunder.

Section 6. Declarant and Builders. An easement is reserved over the Property, including each Lot, in favor of the Declarant and Builders for the purpose of carrying out any obligations of the Declarant or Builders under the terms of this Declaration or any governmental permit, order or applicable law in connection with the development of the community and construction of Homes therein. In addition, the Declarant and Builders shall also have an easement over, upon, across, and under the Property as may be required in connection with the development of the community and construction of Homes, including the right to keep gates open for public access and to use all roads and rights of way for vehicular and pedestrian ingress and egress for construction and maintenance purposes. Further, the Declarant and Builders shall have an easement to use all portions of the Property, including Common Areas but not including Lots which have been conveyed to third-party purchasers other than Builders, for all types of promotional and sales activity in connection with marketing, sales, and leasing of Homes in the Community including the right to keep gates open for public access and to use all roads and rights of way for vehicular and pedestrian ingress and egress. The easements created by this Section shall be broadly construed and supplement other rights of the Declarant and Builders herein, running with the land until such time as the Declarant and Builders no longer own any Lots in the Community and all of the Declarant's obligations hereunder are satisfied.

Section 7. Maintenance of Easement Areas. Within the easement areas hereby reserved or created, or shown on the Plat of the Community, or within any designated common

areas containing any component of the Surface Water Management System, no digging, excavation, depositing fill material, debris or any other material or item, or altering any water control structure, or any other construction to modify the Surface Water Management System shall be allowed, and no permanent structure may be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities or which may change the direction of flow or drainage canals in the easements, or which may obstruct or retard the flow of water through drainage channels in the easements. The surface area of each Lot upon which an easement is located shall be maintained continuously by the Owner of the Lot, except that any improvements which are the property of a public authority or utility company shall be maintained by such authority or utility company. Each Lot Owner shall maintain any drainage easement located on the Lot in the manner required by the Association and/or the Permit; provided, however, if the Lot Owners fails to maintain such easements, the Association shall have the right to enter on the Property and perform any necessary maintenance of the same, including without limitation the right to grade, sod or install improvement thereon.

Section 8. Right of Entry. The Association, through its duly authorized employees, agents or contractors, shall have the right after reasonable notice to the Owner thereof, to enter any Lot at any reasonable hour of the day to perform such maintenance, replacement or repair of the Surface Water Management System, or any other items, as may be authorized herein. In the event of any emergency which might reasonably result in damage to any Lot or the improvements located thereon, the Association shall have the right to enter any Lot as may be reasonably necessary to resolve such emergency without prior notice to the Owner thereof. Any such entrance by the Association shall not be deemed to be a trespass upon such Lot.

ARTICLE XI

COVENANTS FOR HOME MAINTENANCE

Section 1. Maintenance of Homes. Each Owner shall be responsible for maintaining, repairing, and replacing the Home and all other improvements situated on his Lot in a clean, sanitary, neat, safe and orderly condition, including without limitation, all obligations for structural maintenance, repair or replacement of walls, roofs, windows, window and patio screens, screened enclosures, doors, framing and casing, gutters, downspouts and skylights, and maintenance, repair and replacement of mailboxes, if any, and any air-conditioning or water softening fixtures or equipment, or any equipment, facilities or other items whatsoever installed within or placed upon any Lot by any Owner, including its agents, or other designees, and/or any other maintenance obligations designated as the Owners' responsibilities from time to time in the Declaration or the Rules. It will also be the duty of each Owner to maintain in good repair any driveway servicing only his or her Lot. The Owner shall obtain the written consent of the Association prior to making any modifications requiring approval under Article VIII hereof. If any Owner breaches these covenants, the Association may enforce these covenants in accordance with the provisions of this Declaration.

Section 2. Lawn Maintenance. Unless otherwise provided, it shall be the duty of each Owner to perform regular and routine lawn maintenance as well as regularly cut the grass located on the Owner's Lot at the Owners' expense. In addition, the Owner shall be responsible for

mowing any grass located between a Lot boundary line and the top of the slope of any lake bank and between the front Lot boundary line and the top of curb of the street. The Owner shall promptly replace any grass that has died or otherwise requires replacement. In the event an Owner fails to adequately maintain the lawn, cut the grass on the Owner's Lot or replace dead grass, after reasonable notice and the opportunity to do the required maintenance, the Association shall have the right to enter upon the Lot and perform necessary lawn maintenance or cut the grass. The Association is hereby granted an easement over and across the Owner's Lot for the purpose of maintaining and cutting the grass, if necessary, and the Owner shall not place any obstruction, fence, wall, tree or shrubbery on such ground without the consent of the Association. The Owner shall be responsible for all costs incurred by the Association in maintaining the lawn and landscaping on the Owner's Lot and shall promptly reimburse the Association within ten (10) days after receipt of an invoice from the Association for such maintenance. All such costs shall be deemed an Individual Assessment on such Lot.

Section 3. Irrigation. It shall be the duty of the Association to maintain the irrigation system for the Community Common Areas and within any landscape easements or buffers which are the Association's responsibility at the Association's expense. The cost of maintenance of such portion of the irrigation system shall be assumed by the Association for the benefit of the entire Property and such costs shall be considered with the budget as part of grounds maintenance charged as a common expense. It shall be the duty of each Owner to maintain all irrigation lines, sprinkler heads, timers and all related irrigation equipment located on and servicing a Lot and, if applicable, located between the front Lot boundary and the top of the curb of the adjacent road at the Owners' expense. The Association is hereby granted an easement over and across each Owner's Lot for the purpose of installing the irrigation system. No Lot Owner shall place any obstruction, fence, wall tree, or shrubbery over the irrigation system without the consent of the Association. Each Owner shall also be responsible for payment of any costs related to the repair and/or replacement to the irrigation system necessary as a result of any damage done to the irrigation system by the Owner any member of Owner's family, any guests, invitees, tenants, contractors, workers or agents of Owner, whether on the Owner's Lot, the Common Area, or within a landscape easement or buffer. Each Owner acknowledges that irrigation water will be provided by the Owner's potable water source at the expense of the Owner. Due to water quality and equipment, irrigation systems may cause staining on Homes and other improvements, structures or paved areas and it shall be each Owners' responsibility to treat and remove any such staining at the Owner's expense. The Owner shall be responsible for all costs incurred by the Association in maintaining the irrigation system on the Owner's Lot (excepting any portion within a dedicated landscape easement or buffer) and shall promptly reimburse the Association within ten (10) days after receipt of an invoice from the Association for such maintenance. All such costs shall be deemed an Individual Assessment on such Lot. Further, the Owner shall not place any obstruction, fence, wall, tree or shrubbery over the irrigation system without the written consent of the Association. The Association may provide Owners with a watering schedule for the Lots in the Association's sole discretion. In the event water from irrigation systems on the watering schedule is insufficient to maintain lawns or landscaping on Lots, Owners shall supplement irrigation watering or hand water. Notwithstanding the foregoing, if for any reason the grass or landscaping on a Lot dies, the Owner shall promptly replace the same at the Owner's sole expense.

Section 4. Landscaping. The Association shall only be responsible for the maintenance of landscaping within any landscape easement or buffer or landscaping originally installed by the Declarant, Builders or the Association to comply with governmental requirements. Such maintenance shall include routine trimming of hedges only, weeding of plant beds and pruning of the landscaping and the cost of such maintenance shall be considered with the budget as a common expense and paid through Assessments. Each Owner shall be solely responsible for all other maintenance of other landscaping (such as trees), any landscaping not required to be maintained by the Association or landscaping installed on the Lot for aesthetics or by the Owner. The Association is hereby granted an easement over and across an Owner's Lot for the purpose of maintaining any landscaping in accordance herewith. Owners hereby acknowledge some landscape material on the Property and within any landscape easement is intended to fulfill required landscape buffers of adjacent properties. Owners shall not cut or remove any landscape materials on landscape easements installed by the Declarant or the Association required to remain pursuant to a permit or other governmental regulation. Any Owner violating the restrictions of this Section resulting in landscaping needing to be repaired or replaced will be charged the cost of such work. Notwithstanding the foregoing, the Association shall not be responsible for replacing dead or dying landscaping or trees, which shall be the Owner's obligation at the Owner's sole expense.

Section 5. Insurance. Each Owner of a Lot shall obtain insurance coverage upon the Lot insuring the Home and any improvements located thereon in an amount equal to the maximum insurable replacement value. Such coverage shall afford protection against (i) loss or damage by fire, hurricane, tornado, wind-storm, or other hazards covered by a standard extended coverage endorsement, and (ii) such other risks as from time to time shall be customarily covered with respect to similar construction, location and use as the Home including but not limited to vandalism and malicious mischief. Such coverage shall name the Association as an additional insured party. The Owner shall furnish proof of insurance to the Association at the time of purchase of a Lot and shall furnish proof of renewal of such insurance on the anniversary date thereof. In addition, any Owner owning or keeping a pet on a Lot shall also obtain and maintain adequate homeowners' insurance to cover pet liability, naming the Association as an additional insured.

Section 6. Exterior Painting and Pressure Cleaning. Each Owner shall be responsible for exterior painting and pressure cleaning of the Home and improvements thereon as required by the Association in accordance with this Section. It is anticipated that the Association shall require all Homes to be painted every five to seven years, provided exceptions may be granted based on circumstances to be determined by the Board. In addition, it is anticipated that the Association shall require the roof, exterior walls, sidewalks, patios and driveways of all Homes to be pressured washed every three years. The Board of Directors shall convene a duly noticed meeting to determine when the uniform exterior painting and pressuring washing shall be required for all Homes in the Community and each Owner shall have at least 120 days to commence the work after the Association provides written notification of required painting or cleaning. Each Owner shall have the right to paint or clean more frequently than required by the Association, provided that prior written approval of paint color is obtained from the Board of Directors. Notwithstanding the foregoing, by majority vote of the Members at a duly notice meeting, the Association may enter into a contract for painting or pressuring washing of all

Homes in the Community and charge each Owner its equal share of the cost thereof as a Special Assessment. If any Owner fails or refuses to paint or pressure wash its Home or other improvements as required herein, the Association may perform the work and charge the Owner the cost thereof as an Individual Assessment.

ARTICLE XII

COVENANTS RELATING TO FIRST MORTGAGEES

Section 1. The following actions will require the prior written approval of two-thirds (2/3) of the holders of record of Institutional First Mortgages on Lots within the Property, (based upon one (1) vote for each Institutional First Mortgage holder): the abandonment, partition, subdivision, encumbrance, sale or transfer of the Common Area by the Association, other than the granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Area; a material change in the method of determining the assessments or other charges that may be levied against an Owner; the failure of the Association to maintain fire and extended coverage on any insurable improvements hereafter on the Common Area and any insurable improvements thereon in an amount that shall not be less than one hundred (100%) percent of the insurable value, based on the current replacement costs; the use of the insurance proceeds paid to the Association for any loss to the Common Area, or the improvements thereon, for any purpose other than the repair, replacement or reconstruction of the Common Area and the improvements thereon; the amendment of the Declaration in any manner which materially affects or impairs the rights of an Institutional First Mortgagee; the conveyance, encumbrance or hypothecation in any manner of the Common Area.

Section 2. An Institutional First Mortgage encumbering any Lot in the Property may singly or jointly with other Institutional First Mortgagees: pay the taxes or other charges which are in default and which may or have become a charge against the Common Area; pay overdue premiums on hazard insurance policies for the Common Area; or secure new hazard insurance coverage for the Common Area after lapse of the existing coverage. In the event any Institutional First Mortgagee makes any of the aforementioned payments, such Institutional First Mortgagee shall be entitled to immediate reimbursement from the Association for the payments advanced, and such Mortgagee shall be subrogated to the assessment and lien rights of the Association against the Owners for the repayment of such advance, and the expense of making such reimbursement to the Institutional First Mortgagee shall be deemed a common expense of the Association.

Section 3. No provision of this Declaration shall be interpreted to give an Owner, or any other party, priority over the rights of any Institutional First Mortgagee pursuant to the terms of its Mortgage on any Lot on the Property in the event of a distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Area.

Section 4. Any Institutional First Mortgagee of a Lot on the Property who obtains title to a Lot pursuant to the remedies provided in said Mortgagee's Institutional First Mortgage on that Lot, or obtains title by deed in lieu of foreclosure, shall not be jointly and severally liable with the prior owner for unpaid assessment or charges accrued against said Lot prior to the acquisition of title to said Lot by such Mortgagee; however, such Mortgagee, or its successors or

assigns as a subsequent holder of the first mortgage, acquiring title to a Lot by foreclosure or by deed in lieu of foreclosure, shall be liable for the unpaid Assessments that became due before the mortgagee's acquisition of title in the amount equal to the lesser of (i) the Lot's unpaid Assessments and Special Assessments that accrued or came due during the 12 months immediately preceding the acquisition of title and for which payment in full has not been received by the Association; or (ii) one percent of the original mortgage debt on the Lot. The limitations on Assessment liability for Institutional First Mortgagees obtaining title through foreclosure provided by this paragraph apply only if the Institutional First Mortgagee filed suit against the Owner and initially joined the Association as a defendant in the mortgagee foreclosure action. Joinder of the Association is not required if, on the date the complaint is filed, the Association was dissolved or did not maintain an office or agent for service of process at a location that was known to or reasonably discoverable. Institutional First Mortgagees shall be responsible for all Assessments on the Lot as of the date of acquisition, including any Special Assessment or Individual Assessment assessed or coming due after the date of acquisition of title to the Lot.

Section 5. The Institutional First Mortgagee of any Lot on the Property is entitled, upon request, to written notification from the Association of any default in the performance by the Owner of any of such Owner's obligations pursuant to the terms of this Declaration, which default is not cured after sixty (60) days' notice to such Owner.

Section 6. Any Institutional First Mortgagee who acquires title to any portion of the Property by way of foreclosure, deed in lieu of foreclosure, or otherwise, shall be entitled to any exemption from the restrictions on sales and leasing of Homes and Lots to the same extent that Declarant would be exempt from such restrictions.

ARTICLE XIII

LEASE AND OCCUPANCY RESTRICTIONS

Section 1. Leases. No home shall be used as an "Air Bed and Breakfast" ("Airbnb") nor may any home be used to lease out individual rooms to multiple residents. All leases shall be in writing and a copy of such lease shall be reviewed by the Association prior to the effective date of the lease. The lease shall provide that the Association shall have the right to terminate the lease in the name of and as agent for the lessor upon default by tenant in observing any of the provisions of the Declaration, the Articles of Incorporation, Bylaws of the Association and applicable rules and regulations, if any. The Owner or lessee requesting the review shall pay to the Association or its management agent a fee of One Hundred and No/100 ($100.00) Dollars or the maximum amount permitted by the Florida Statutes, to cover the costs of reviewing the lease and examining records. No lease shall be approved for a term of less than seven (7) months. No Home may be leased more than two (2) times in any calendar year unless otherwise approved by Association in the case of hardship. The prior written review of the Association for a lease shall not apply to Lots and/or Homes acquired by an Institutional Mortgagee who has acquired title to the Lot and/or Home through foreclosure or deed in lieu of foreclosure. The Owner will be jointly and severally liable with the tenant to the Association for any sum which is required by the Association to affect such repairs or to pay any claim for injury or damage to property caused

by the negligence of the tenant. The Board of Directors may by a majority vote establish a requirement that a sum of money not to exceed One Thousand and No/100 ($1,000.00) Dollars or one month's rent, whichever is greater, be deposited in escrow with the Association as a security deposit for the purpose of covering the cost of any damage to the Common Area or other portions of the Property resulting from acts or omissions of tenants (as determined in the sole discretion of the Association). The number of occupants must comply with applicable Federal Law and local codes regarding the size of the Home. The tenant, as part of the Lease Agreement, shall agree to abide by and adhere to the terms and conditions of this Declaration together with all Rules and all policies adopted by Association. By acceptance of a deed to a Home, the Owner hereby agrees to remove, at the Owner's sole expense, by legal means including eviction, his or her tenant should the tenant refuse or fail to abide by and adhere to this Declaration, the Rules and Regulations and any other policies adopted by Association. Notwithstanding the foregoing, should an Owner fail to perform his or her obligations under this Section, the Association shall have the right, but not the obligation, to evict such tenant and the costs of the same shall be charged to the Owner as an Individual Assessment. During such time as a Home is leased, the Owner of such Home shall not enjoy the use privileges of the Common Areas appurtenant to such Home. If a Lot or Home is occupied by a tenant and the Owner is delinquent in paying any monetary obligation due to the Association, the Association may demand that the tenant pay to the Association all rental payments becoming due and continue to make such payments until all the monetary obligations of the Owner related to the Lot have been paid in full and the Association releases the tenant or until the tenant discontinues tenancy, in accordance with the terms of Florida law.

ARTICLE XIV

WATER MANAGEMENT SYSTEMS

Section 1. Transfer of Surface Water Management System. The Association shall exist in perpetuity. However, should the Association dissolve, the Surface Water Management System, property containing the Surface Water Management System and water management portions of Common Area shall be conveyed to one of the following: (i) local governing unit, municipal service taxing unit or special taxing unit, (ii) active water control district created pursuant to Chapter 298, Florida Statues, drainage district created by special act, special district defined in Chapter 189, Florida Statues, community development district created pursuant to Chapter 190, Florida Statutes, special assessment district created pursuant to Chapter 170, Florida Statues, or water management district created pursuant to Chapter 373, Florida Statues, (iii) state or federal agency, (iv) duly constituted communication, water, sewer, stormwater, electrical or other public utility, (v) construction permittee so long as such construction permittee continues to own the Surface Water Management System and water management portions of Common Area, or (vi) non-profits corporation, including homeowner's association, property owners' association, condominium owners' or master association so long as it submits the required paperwork and has the financial, legal and administrative capability to provide for the long term operation and maintenance of the Surface Water Management System (each an "**Approved Entity**"). The Approved Entity must have the powers listed in Section 12.3.4(b)1. through 8. of the WMD Applicant Handbook Volume 1 effective June 1, 2018 (the "**WMD Handbook**"), the covenants and restrictions required in Section 12.3.4(c)1. through 9. of the WMD Handbook, and the ability

to accept responsibility for the operation and maintenance of the system described in Section 12.3.4(d)1. or 2. of the WMD Handbook, all as the same may be amended or renumbered from time to time.

Section 2. Amendments Pertaining to Surface Water and Stormwater Management System. Any amendment of this Declaration which would affect the Surface Water and Stormwater Management System or the responsibility of the Association, or its agents, to maintain, or cause to be maintained, the Surface Water and Stormwater Management System must be approved by the Association and WMD for a determination of whether the amendment necessitates a modification of the Permit. The amendment may not be finalized until any necessary Permit modification is approved.

Section 3. Surface Water Management. No Owner or any other person or entity other than Declarant shall do anything to adversely affect the surface water management and drainage of the Property, including the Surface Water Management System, without the prior written approval of the Association and any controlling governmental authority, including but not limited to the excavation or filling in of any lake or canal, or the changing of the elevation of any portion of the Property, provided the foregoing shall not be deemed to prohibit or restrict the initial construction of improvements upon the Property by Declarant or by the developer of any portion of the Property in accordance with permits issued by controlling governmental authorities. In particular, no Owner other than Declarant or the Association, shall install any landscaping, place any fill on a Lot, remove or cut littoral plantings or native vegetation, spray herbicide or grade portions of the Property which would adversely affect the drainage of any contiguous Lot. No construction activities may be conducted relative to any portion of the Surface Water Management System, including but not limited to digging or excavation; depositing fill, debris or any other material or item; constructing or altering any water control structure; or any other construction to modify the system as permitted without the consent of the Association or WMD. No Owner or other person or entity shall unreasonably deny or prevent access to water management areas for maintenance, repair or landscaping purposes by the Declarant, Association, the WMD, or any appropriate governmental agency that may require access. No person shall fill, dike, rip-rap, block, divert or change the water retention and drainage areas that have been or may be created without the prior written consent of the Association and WMD. No Owner may construct or maintain any building, residence, or structure, or undertake or perform any activity in the wetlands, wetland mitigation areas, buffer areas, upland conservation areas, and drainage easements described in the Permit or Plat, unless prior approval is received from the Association and WMD. If such actions are permitted by the Association and WMD, the Declarant or the Association may draw water for irrigation or other purposes from any water management area. All recreational activities, including without limitation, boating, swimming, wading or fishing, in water management areas are strictly prohibited. If the Permit requires monitoring or maintenance of the wetland mitigation areas, the Association shall allocate sufficient funds in its annual operating budget to complete such monitoring or maintenance until the WMD determines that areas are successful in accordance with the Permit.

Section 4. Conservation Areas. The Property, including the Common Areas and some Lots, may contain conservation tracts, wetland preservation areas, and upland buffers (collectively, the "Conservation Areas") subject to conservation and preservation easements for

same. Conservation and preservation easements on the Property may be established or dedicated on the Plat, by a separate instrument and/or this Declaration. In addition to any additional restrictions set forth in the foregoing documents, the following activities are prohibited in the Conservation Areas: (1) construction or placing of buildings, roads, signs, billboards or other advertising, utilities or other structures on or above the ground; (2) dumping or placing of soil or other substances or materials as landfill, or dumping or placing of trash, waste or unsightly or offensive materials; (3) removal or destruction of trees, shrubs or other vegetation, except for the removal of exotic or nuisance vegetation in accordance with a district approved maintenance plan; (4) excavation, dredging or removal of loam, peat, gravel, soil, rock or other material substance in such manner as to affect the surface; (5) surface use, except for purposes that permit the land or water easement to remain in its natural condition; (6) activities detrimental to drainage, flood control, water conservation, erosion control, soil conservation, or fish and wildlife habitat preservation, including, but not limited to, ditching, digging and fencing; (7) acts or uses detrimental to aforementioned retention of land or water easement; and (8) acts or uses which are detrimental to the preservation of any features or aspects of the conservation easements having historical or archaeological significance.

Section 5. Rights of Enforcement. The WMD, the Association, the Declarant and each Owner shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which relate to the maintenance, operation, monitoring, repair and replacement of the Surface Water and Stormwater Management System. Notwithstanding the foregoing, the WMD has the right to take enforcement action, including a civil action for injunction and penalties, against the Association's insurance policy or Association, as applicable, to compel it to correct any outstanding problems with the Surface Water and Stormwater Management System facilities or the mitigation or conservation areas under the responsibility or control of the Association.

Section 6. WMD Permit. The Environmental Resource or Surface Water Management Permit is made a part of this Declaration and attached hereto as Exhibit "D". Copies of the Permit and any future permit actions of the WMD shall be maintained by the Registered Agent of the Association for the benefit of the Association.

ARTICLE XV

INSURANCE AND HAZARD LOSSES

Section 1. Authority. The Association's Board of Directors, or its duly authorized agent, shall have the authority to and shall obtain blanket all-risk insurance, if available at commercially reasonable rates, for all insurable improvements on the Common Areas. If blanket all-risk coverage is not available at commercially reasonable rates, then at a minimum an insurance policy providing fire and extended coverage shall be obtained. Insurance that shall be carried on the Common Areas and the Association Property, to the extent provided in this Article XV, shall be governed by the following provisions:

Section 2. Named Insured. All insurance policies upon the Common Areas and the Association Property shall be purchased by the Association and shall be placed in a single agency or company, if possible, licensed by the State of Florida. The named insured shall be the

Association. The Association has the authority to use their discretion in obtaining the coverage listed hereinafter, as some of the requirements may be or become unobtainable or may be cost prohibitive.

Section 3. Coverage. The Association shall use its best efforts to maintain insurance covering the following:

(a) Casualty. The Common Areas including any structures thereon, and all fixtures, installations or additions comprising that part of the Common Areas to be insured under the Association's policy(ies) and such improvements from time to time, together with all fixtures, building service equipment, personal property and supplies constituting the Common Areas or owned by the Association (collectively the "**Insured Property**"), shall be insured in an amount not less than 100% of the full insurance replacement value thereof. Such policies may contain reasonable deductible provisions as determined by the Board of Directors of the Association. Such coverage shall afford protection against:

(b) Loss or Damage by Fire and Other Hazards covered by a standard extended coverage endorsement; and

(c) Such Other Risk as from time to time are customarily covered with respect to the Common Areas and improvements similar to the Insured Property in construction, location and use, including, but not limited to, vandalism and malicious mischief.

(d) Flood Insurance. If any part of the Common Areas or Association Property is in a Special Flood Hazard Area as designated on a Flood Insurance Rate Map, the Association may maintain a master or blanket policy of flood insurance. The amount of flood insurance should be at least equal to the lesser of 100% of the insurable value of the facilities or the maximum coverage available under the appropriate National Flood Insurance Administration program.

(e) Liability Insurance. If the policy does not include "severability of interest" in its terms, a specific endorsement must be obtained to preclude the insurer's denial of an Owner's claim because of negligent acts of the Association or of other Owners.

(f) Public Liability Insurance. The Association shall obtain public liability and property damage insurance covering all of the Common Areas and the Association Property and insuring the Association and the Members as their interests appear in such amounts and providing such coverage as the Board of Directors of the Association may determine from time to time. The liability insurance shall include, but not be limited to, hired and non-owned automobile coverage.

(g) Workmen's Compensation Insurance. The Association shall obtain workmen's compensation insurance in order to meet the requirements of law, as necessary.

(h) Directors and Officers Liability Insurance. The Association shall obtain directors and officers liability insurance providing such coverage as the Board of Directors of the Association may determine from time to time.

(i) Other Insurance. The Board of Directors of the Association shall obtain such other insurance as they shall determine from time to time to be desirable.

Section 4. Subrogation Waiver. If available, the Association shall obtain policies which provide that the insurer waives its right to subrogation as to any claim against Members, the Association and their respective servants, agents and guests.

Section 5. Premiums. Premiums upon insurance policies purchased by the Association shall be paid by the Association. The cost of insurance premiums and other incidental expenses incurred by the Association in administering and carrying out any of the provisions of this Section shall be assessed against and collected from Members as part of the Annual Assessments.

Section 6. Association's Power to Compromise Claims. The Board of Directors of the Association is hereby irrevocably appointed agent for each Member and for each holder of a mortgage or other lien, for the purpose of compromising and settling all claims arising under insurance policies purchased by the Association, and to execute and deliver releases upon payment of claims.

ARTICLE XVI

GENERAL PROVISIONS

Section 1. Covenants Run With Land. All covenants, conditions, restrictions, reservations, easements, liens and charges contained in this Declaration shall constitute covenants running with the Property, and all grantees, devisees, or mortgagees, their heirs, personal representatives, successors and assigns, and all parties claiming by, through or under such persons, agree to be bound by the provisions of (a) this Declaration of Covenants, Restrictions, Conditions and Easements, and (b) the Articles of Incorporation and Bylaws of the Association. The Association shall be the entity responsible for the operation and maintenance of the Common Area.

Section 2. Enforcement. The Declarant or the Association shall have the right during the Development Period to enforce all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration by proceedings at law or in equity. After the Development Period, the Association or any Owner shall have the right to enforce, by proceedings at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. In any such legal or equitable proceedings to enforce any restriction, condition, covenant, reservation, lien or charge now or hereafter imposed by these covenants, the prevailing party shall be entitled to recover its reasonable attorneys' fees and costs including at all appellate levels.

Section 3. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall not affect any other provisions which shall remain in full force and effect.

Section 4. Duration. The covenants, conditions, restrictions, reservations, easements, liens and charges provided for in this Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Association, or the Owner of any Lot subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of twenty-five (25) years from the date this Declaration is recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years. In the event the Association ceases to exist, except as provided in Article XIV, Section 1 herein, any Owner may petition the Circuit Court for the appointment of a Receiver to manage the affairs of the Association and all Common Area and the corresponding infrastructure will be dedicated or conveyed to a similar non-profit organization or entity to assure continued maintenance and operation.

Section 5. Amendment. So long as there is a Class B membership, Declarant reserves the right to amend this Declaration without the consent of the Owners, subject to the terms and conditions herein. Such amendments shall not require the consent of the Institutional First Mortgage Lenders and shall become effective when executed by Declarant and recorded in the Public Records of the County, Florida. After the Class B membership terminates, the covenants and restrictions of this Declaration may be amended by an affirmative vote of not less than a majority of the Owners at duly notice meeting for the purpose of voting on such amendment. Notwithstanding anything in this Declaration to the contrary, any amendment to the Declaration, Articles or Bylaws affecting any aspect of the Surface Water Management System must receive prior written approval of the WMD. Any amendments must be properly recorded in the Public Records of the County, in the State of Florida. Notwithstanding anything in the Declaration to the contrary, to the extent any amendment affects the Declarant's or the Builders' rights under the Declaration, such amendment shall require consent of the Declarant or the Builder(s) respectively. Any purported amendment without such approval shall be deemed void and of no force and effect unless subsequently approved by a written consent signed by Declarant and/or Builder(s) and recorded in the Public Records of the County.

Section 6. Remedies for Violation. In addition to all other remedies, in the sole discretion of the Board of Directors of the Association, a fine or fines may be imposed upon an Owner for failure of an Owner, his family, guests, invitees or employees, to comply with any covenant, restriction, rule or regulation, provided the following procedures are adhered to:

(a) Notice: The Association shall notify the Owner of the alleged infraction or infractions. Included in the notice shall be the date and time of a special meeting of a committee of the Association seated for the purpose of hearing such violation matters, at which time the Owner shall present reasons why a fine(s) should not be imposed. At least fourteen (14) days' notice of such meeting shall be given.

(b) Hearing: The alleged non-compliance shall be presented to the committee after which the committee shall hear reasons why a fine(s) should not be imposed. A written decision of the committee shall be submitted to the Owner by not later than fifteen (15) days after the committee's meeting. The Owner shall have a right to be represented by counsel and to cross examine witnesses.

(c) Amounts: The Board of Directors (if the committee's findings are made against the Owner) may impose special assessments against the Lot owned by the Owner as follows:

(1) First non-compliance or violation which are of a continuing nature: a fine not in excess of One Hundred and No/100 ($100.00) Dollars per day not to exceed One Thousand and No/100 ($1,000.00) Dollars in the aggregate.

(2) Second non-compliance or violations which are of a continuing nature: a fine not in excess of One Hundred and No/100 ($100.00) Dollars per day without a limitation on the aggregate amount of the amount due.

(d) Payment of Penalties. Fines shall be paid not later than five (5) days after notice of the imposition or assessment of the penalties.

(e) Collection of Fines. Fines shall be treated as an assessment subject to the provisions for the collection of assessments as set forth herein.

(f) Application of Proceeds. All monies received from fines shall be allocated as directed by the Board of Directors of the Association.

(g) Non-Exclusive Remedies. These fines shall not be construed to be exclusive, and shall exist in addition to all other rights and remedies to which the Association may be otherwise legally entitled; provided, however, any penalty paid by the offending Owner shall be deducted from or offset against any damages which the Association may otherwise be entitled to recover by law from such Owner.

(h) Right of Entry. In addition to the foregoing rights, whenever (a) there shall have been built within the Property any structure which is in violation of this Declaration or in the event of any damage or destruction of any of the Property or portion thereof by an Owner or any of its guests, invitees, lessees or occupants, into disrepair and/or has not been maintained as required by this Declaration and/or any Rules, or (b) any portion of the Property and/or Home owned by an Owner has fallen into disrepair and/or has not been maintained as required by this Declaration and/or any Rules, a duly authorized representative of the Association may enter upon the Property where such violation, damage or destruction exists and summarily abate, remove or correct the same at the expense of the Owner; provided, however, that the Association shall then make the necessary repairs, constructions, etc., to insure that the Property and improvements where such violation occurred is restored to the same condition in which it existed (or should have existed) prior to such violation, and any such entry, abatement, removal or restoration and construction work shall not be deemed a trespass. All amounts expended by the Association, together with interest thereon at the rate of eighteen (18%) percent per annum from thirty (30) days after the date of notification of the violation and all costs and reasonable attorney's fees incurred by the Association shall be treated as an assessment subject to the provisions for the collection of assessments as set forth herein.

Section 7. Effect of Waiver of Violation. No waiver of a breach of or violation of any of the terms, provisions and covenants in this Declaration, or in the Articles or Bylaws, shall

be construed to be a waiver of any succeeding breach or violation of the same term, provision or covenant of this Declaration, or the Articles or Bylaws.

Section 8. Instruments Governing Common Area and Owners of Lots. This Declaration and the Articles and Bylaws, and any lawful amendments thereto shall govern the Common Area and the rights, duties and responsibilities of the Owners of Lots.

Section 9. HUD/FHA, VA, FNMA Approval. If the Property is approved by the Department of Housing and Urban Development ("HUD") as a Planned Unit Development, as long as there is a Class B membership, the following actions may require the prior approval of HUD/FHA or the Veterans Administration or the Federal National Mortgage Association: Annexation of additional properties, mergers and consolidations, mortgaging of Common Area, and amendment of this Declaration of Covenants, Conditions and Restrictions affecting or modifying rights of Institutional First Mortgagees hereunder.

Section 10. Agreements for Professional Management. Any agreement for professional management, or any other contract providing for services of the Declarant may not exceed three (3) years. Any such agreement must provide for the termination by either party without cause and payment of a termination fee on sixty (60) days or less written notice.

Section 11. Disclaimer of Representations. Notwithstanding anything to the contrary herein, neither Declarant nor any Builder makes any warranties or representations whatsoever that the plans presently envisioned for the development of the Property or surrounding land can or will be carried out, or that any real property now owned or hereafter acquired by the Declarant is or will be subjected to this Declaration, or that any such real property (whether or not is have been subjected to this Declaration) is or will be committed to or developed for a particular (or any) use, or that if such real property is once used for a particular use, such use will continue in effect. While Declarant has no reason to believe that any of the restrictive covenants and other provisions contained in this Declaration are or may be invalid or unenforceable for any reason or to any extent, Declarant makes no warranty or representation as to the present or future validity or enforceability of any such restrictive covenant and other provisions. Any Owner acquiring a Lot in reliance on or more of such restrictive covenants and other provisions herein shall assume all risks of the validity and enforceability thereof and by accepting a deed to the Lot agrees to hold Declarant and any Builder harmless therefrom.

Section 12. Notice to Owners. Whenever notices are required to be given hereunder, the same shall be sent to the Owner by United States First Class Mail, postage prepaid, at the address of the Home situated upon the Lot. Such notices shall be deemed given when deposited in the United States Mail. Any Owner may change his mailing address by written notice given to the Declarant or the Association in the official records of the Florida Department of State, Division of Corporations, or the official address of the Association as it may be designated from time to time.

Section 13. Grammatical Construction. Wherever the context so requires, the use of any gender shall be deemed to include all genders, and the use of the singular shall include the plural, and the plural shall include the singular.

Section 14. Conflicts. In the event of any conflict between the provisions of this Declaration, the Articles and the Bylaws, the provisions of this Declaration, the Articles and the Bylaws shall control in that order.

Section 15. CABLE TELEVISION, INTERNET AND HOME SECURITY MONITORING SERVICES. THE ASSOCIATION IS NOT OBLIGATED TO BUT MAY ENTER TO AN AGREEMENT WITH A CABLE TELEVISION COMPANY, INTERNET SERVICE PROVIDER AND/OR SECURITY MONITORING COMPANY PURSUANT TO WHICH ALL OF THE OWNERS WILL BE PROVIDED CABLE TELEVISION AND/OR INTERNET SERVICE AND/OR HOME SECURITY MONITORING SERVICES WHICH WILL BE CHARGED AS ASSESSMENTS. THE ASSOCIATION MAY REFUSE ENTRY INTO THE PROPERTY BY ANY REPRESENTATIVE OF ANY CABLE TELEVISION COMPANY, INTERNET SERVICE PROVIDER AND/OR SECURITY MONITORING COMPANIES OTHER THAN THE CABLE TELEVISION, INTERNET SERVICE PROVIDER AND/OR SECURITY MONITORING COMPANY WHICH HAS ENTERED INTO AN AGREEMENT WITH THE ASSOCIATION. IN THE EVENT SECURITY MONITORING IS PROVIDED TO THE OWNERS BY THE ASSOCIATION, THE DECLARANT AND THE ASSOCIATION WILL HAVE NO LIABILITY OF ANY KIND OR NATURE DUE TO THE FAILURE OF THE SECURITY MONITORING COMPANY TO DETECT OR REACT TO FIRE, UNAUTHORIZED ENTRY, OR OTHER SECURITY PROBLEM IN ANY HOME.

Section 16. LIMITATION OF LIABILITY OF ASSOCIATION. NOTWITHSTANDING ANYTHING CONTAINED HEREIN OR IN THE ARTICLES OF INCORPORATION, BYLAWS, ANY RULES OR REGULATIONS OF THE ASSOCIATION OR ANY OTHER DOCUMENT GOVERNING OR BINDING THE ASSOCIATION (COLLECTIVELY, THE "ASSOCIATION DOCUMENTS"), THE ASSOCIATION SHALL NOT BE LIABLE OR RESPONSIBLE FOR, OR IN ANY MANNER BE A GUARANTOR OR INSURER OF, THE HEALTH, SAFETY OR WELFARE OF ANY OWNER, OCCUPANT OR USER OF ANY PORTION OF THE PROPERTY, INCLUDING, WITHOUT LIMITATION, RESIDENTS AND THEIR FAMILIES, GUESTS, INVITEES, AGENTS, SERVANTS, CONTRACTORS OR SUBCONTRACTORS OR FOR ANY PROPERTY OF ANY SUCH PERSONS. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING:

(a) IT IS THE EXPRESS INTENT OF THE ASSOCIATION DOCUMENTS THAT THE VARIOUS PROVISIONS THEREOF WHICH ARE ENFORCEABLE BY THE ASSOCIATION AND WHICH GOVERN OR REGULATE THE USES OF THE PROPERTY HAVE BEEN WRITTEN, AND ARE TO BE INTERPRETED AND ENFORCED, FOR THE SOLE PURPOSE OF ENHANCING AND MAINTAINING THE ENJOYMENT OF THE PROPERTY AND THE VALUE THEREOF;

(b) THE ASSOCIATION IS NOT EMPOWERED, AND HAS NOT BEEN CREATED, TO ACT AS AN ENTITY WHICH ENFORCES OR ENSURES THE COMPLIANCE WITH THE LAWS OF THE UNITED STATES, STATE OF FLORIDA, THE COUNTY AND/OR ANY OTHER JURISDICTION OR THE PREVENTION OF TORTIOUS ACTIVITIES; AND

(c) ANY PROVISIONS OF THE ASSOCIATION DOCUMENTS SETTING FORTH THE USES OF ASSESSMENTS WHICH RELATE TO HEALTH, SAFETY AND/OR WELFARE SHALL BE INTERPRETED AND APPLIED ONLY AS LIMITATIONS ON THE USES OF ASSESSMENT FUNDS AND NOT AS CREATING A DUTY OF THE ASSOCIATION TO PROTECT OR FURTHER THE HEALTH, SAFETY OR WELFARE OF ANY PERSON(S), EVEN IF ASSESSMENT FUNDS ARE CHOSEN TO BE USED FOR ANY SUCH REASON.

EACH OWNER (BY VIRTUE OF HIS ACCEPTANCE OF TITLE TO HIS HOME) AND EACH OTHER PERSON HAVING AN INTEREST IN OR LIEN UPON, OR MAKING USE OF ANY PORTION OF THE PROPERTY (BY VIRTUE OF ACCEPTING SUCH INTEREST OF MAKING SUCH USES) SHALL BE BOUND BY THIS PROVISION AND SHALL BE DEEMED TO HAVE AUTOMATICALLY WAIVED ANY AND ALL RIGHTS, CLAIMS, DEMANDS AND CAUSES OF ACTION AGAINST THE ASSOCIATION ARISING FROM OR CONNECTED WITH ANY MATTER FOR WHICH THE LIABILITY OF THE ASSOCIATION HAS BEEN DISCLAIMED IN THIS PROVISION.

AS USED IN THIS SECTION, "ASSOCIATION" SHALL INCLUDE WITHIN ITS MEANING ALL OF THE ASSOCIATION'S DIRECTORS, OFFICERS, COMMITTEE AND BOARD OF DIRECTORS MEMBERS, EMPLOYEES, AGENTS, CONTRACTORS (INCLUDING MANAGEMENT COMPANIES), SUBCONTRACTORS, SUCCESSORS AND ASSIGNS. THE PROVISIONS OF THIS ARTICLE SHALL ALSO INURE TO THE BENEFIT OF THE DECLARANT, BUILDERS AND THEIR AFFILIATES, WHICH SHALL BE FULLY PROTECTED HEREBY.

Section 17. Construction Activities. ALL OWNERS, OCCUPANTS AND USERS OF THE PROPERTY ARE HEREBY PLACED ON NOTICE THAT THE DECLARANT, BUILDERS, THE ASSOCIATION, AND ANY OF THEIR OFFICERS, DIRECTORS, COMMITTEE MEMBERS, EMPLOYEES, MANAGEMENT AGENTS, CONTRACTORS OR SUBCONTRACTORS (THE "LISTED PARTIES") WILL BE, FROM TIME TO TIME, CONDUCTING EXCAVATION, CONSTRUCTION AND OTHER ACTIVITIES WITHIN OR IN PROXIMITY TO THE PROPERTY. BY THE ACCEPTANCE OF THEIR DEED OR OTHER CONVEYANCE OR MORTGAGE, LEASEHOLD, LICENSE OR OTHER INTEREST, OR BY USING ANY PORTION OF THE PROPERTY, EACH SUCH OWNER, OCCUPANT AND USER AUTOMATICALLY ACKNOWLEDGES, STIPULATES AND AGREES (i) THAT NONE OF THE AFORESAID ACTIVITIES SHALL BE DEEMED NUISANCES OR NOXIOUS OR OFFENSIVE ACTIVITIES, HEREUNDER OR AT LAW GENERALLY, (ii) NOT TO ENTER UPON, OR ALLOW THEIR CHILDREN OR OTHER PERSONS UNDER THEIR CONTROL OR DIRECTION TO ENTER UPON (REGARDLESS OF WHETHER SUCH ENTRY IS A TRESPASS OR OTHERWISE) ANY PROPERTY WITHIN OR IN PROXIMITY TO THE PROPERTY WHERE SUCH ACTIVITY IS BEING CONDUCTED (EVEN IF NOT BEING ACTIVELY CONDUCTED AT THE TIME OF ENTRY, SUCH AS AT NIGHT OR OTHERWISE DURING NON-WORKING HOURS), (iii) THAT ENTRY GATES MAY BE OPEN DURING ANY PERIODS OF CONSTRUCTION AT ANY TIMES OR ALL TIMES IN THE SOLE DISCRETION OF THE DECLARANT OR THE ASSOCIATION (iv) THE LISTED PARTIES SHALL NOT BE LIABLE FOR ANY AND ALL

LOSSES, DAMAGES (COMPENSATORY, CONSEQUENTIAL, PUNITIVE OR OTHERWISE), INJURIES OR DEATHS ARISING FROM OR RELATING TO THE AFORESAID ACTIVITIES, (v) ANY PURCHASE OR USE OF ANY PORTION OF THE PROPERTY HAS BEEN AND WILL BE MADE WITH FULL KNOWLEDGE OF THE FOREGOING AND (vi) THIS ACKNOWLEDGMENT AND AGREEMENT IS A MATERIAL INDUCEMENT TO DECLARANT TO SELL, CONVEY, LEASE AND/OR ALLOW THE USE OF THE APPLICABLE PORTION OF THE PROPERTY.

Section 18. Notices and Disclaimers as to Water Bodies and Wildlife. THE SUBDIVISION MAY CONTAIN WATER BODIES SUCH AS LAKES, PONDS, CANALS, CREEKS, STREAMS, PRESERVES OR OTHER BODIES OF WATER IN OR IN THE VICINITY OF THE SUBDIVISION ("WATER BODIES"). SUCH WATER BODIES MAY POSE HEALTH AND SAFETY RISKS TO OWNERS, OCCUPANTS AND USERS OF THE PROPERTY IN AND AROUND THE SUBDIVISION, INCLUDING THE RISK OF DANGEROUS WILDLIFE. ALL OWNERS, OCCUPANTS AND USERS OF THE PROPERTY ARE HEREBY PLACED ON NOTICE THAT THE DECLARANT, BUILDERS, THE ASSOCIATION, AND ANY OF THEIR OFFICERS, DIRECTORS, COMMITTEE MEMBERS, EMPLOYEES, MANAGEMENT AGENTS, CONTRACTORS OR SUBCONTRACTORS (THE "LISTED PARTIES") SHALL NOT BE LIABLE TO OWNERS, OCCUPANTS AND USERS OR RESPONSIBLE FOR MAINTAINING OR ASSURING THE SAFETY, WATER QUALITY OR WATER LEVEL OF OR IN ANY WATER BODIES. ALL OWNERS, OCCUPANTS AND USERS OF ANY PORTION OF THE PROPERTY LOCATED ADJACENT TO OR HAVING A VIEW OF ANY OF THE WATER BODIES SHALL BE DEEMED, BY VIRTUE OF THEIR ACCEPTANCE OF THE DEED TO OR USE OF SUCH PROPERTY, TO HAVE AGREED TO RELEASE THE LISTED PARTIES FROM ALL CLAIMS FOR ANY AND ALL CHANGES IN THE QUALITY AND LEVEL OF THE WATER IN SUCH WATER BODIES. FURTHER, THE LISTED PARTIES ARE NOT RESPONSIBLE FOR MAINTAINING OR ASSURING SAFETY OF ANY OWNERS, OCCUPANTS OR USERS OF WATER BODIES OR AREAS IN OR AROUND SUCH WATER BODIES. NONE OF THE LISTED PARTIES SHALL BE LIABLE FOR ANY PROPERTY DAMAGE, PERSONAL INJURY OR DEATH OCCURRING IN, OR OTHERWISE RELATED TO ANY WATER BODIES. ALL PERSONS USING OR ENJOYING WATER BODIES OR SURROUNDING AREAS OF THE WATER BODIES SHALL DO SO AT THEIR OWN RISK. ALL OWNERS, OCCUPANTS AND USERS ARE HEREBY NOTIFIED THAT FROM TIME TO TIME ALL TYPES OF WILDLIFE, INCLUDING ALLIGATORS, SNAKES, PANTHERS, BEARS AND OTHER ANIMALS, MAY LIVE, MIGRATE, CREATE HABITATS OR ENTER INTO WATER BODIES AND SURROUNDING PROPERTY AND MAY POSE A HEALTH AND SAFETY THREAT TO PERSONS, PETS AND PROPERTY, BUT THAT THE LISTED PARTIES ARE UNDER NO DUTY TO PROTECT AGAINST, AND DO NOT IN ANY MANNER WARRANT OR INSURE AGAINST, ANY DEATH, INJURY OR DAMAGE CAUSED BY SUCH WILDLIFE. NO PERSONS SHALL SWIM IN ANY WATER BODIES WITHIN THE COMMUNITY NOT SPECIFICALLY DESIGNATED FOR SWIMMING AND NO PERSONS IN THE COMMUNITY SHALL FEED ANY WILDLIFE IN OR AROUND THE COMMUNITY.

EXHIBIT "B"

ARTICLES

ARTICLES OF INCORPORATION FOR
Briarwood Homeowners Association of Alachua, Inc.
(a corporation not-for-profit)

The undersigned, acting as Incorporator(s) of a corporation pursuant to Chapter 617, Florida Statutes, and Chapter 720, Florida Statutes, adopt(s) the following Articles of Incorporation:

ARTICLE I - NAME

The name of the corporation shall be the Briarwood Homeowners Association of Alachua, Inc., a Florida corporation not for profit (the "Association").

ARTICLE II – DEFINITIONS

Each term used herein, except as otherwise defined herein, is defined in the Declaration of Covenants, Conditions, and Restrictions of Briarwood (the "Declaration") recorded, or to be recorded, among the Public Records of Alachua County, Florida by Troon Creek, LLC, a Florida limited liability company (the "Declarant") and shall have the same meaning or definition ascribed thereto in the Declaration.

ARTICLE III - PRINCIPAL PLACE OF BUSINESS AND MAILING ADDRESS

The principal place of business and mailing address of the corporation shall be 405 Cinnamon Oak Court, Lake Mary, Florida 32746.

ARTICLE IV - PURPOSE(S)

The corporation is organized as a corporation not-for-profit under Chapter 617 of the laws of the State of Florida, subject to the extent applicable, to Chapter 720 of the laws of the State of Florida. The specific purposes for which the corporation is organized are:

Section 1. To promote the health, safety and social welfare of the Owners of Property within the residential community of Briarwood as described in the Declaration.

Section 2. To own and maintain, repair and replace the Association Property and the Common Areas and other items, including landscaping and other improvements in and/or benefiting said Association Property and Common Areas, for which the obligation to maintain and repair has been delegated and accepted.

Section 3. To control the specifications, architecture, design, appearance, elevation and location of, and landscaping around, all buildings and improvements in the Community as provided for in the Declaration, which may include walls, fences, swimming pools, sewers, drains, disposal systems or other structures constructed, placed or permitted to remain in the Property, as well as the alteration, improvement, addition or change thereto.

Section 4. To operate without profit for the benefit of its Members.

Section 5. To perform those functions granted to or reserved by the Association in the Declaration.

ARTICLE V - GENERAL POWERS

The Association shall have all of the powers necessary or desirable to perform the obligations and duties and to exercise the rights and powers set out in these Articles, the Bylaws or the Declaration including, without limitation, the following:

Section 1. To hold funds solely and exclusively for the benefit of the Members for the purposes set forth in these Articles of Incorporation.

Section 2. To promulgate and enforce rules, regulations, bylaws, covenants, restrictions and agreements to effectuate the purposes for which the Association is organized.

Section 3. To delegate power or powers where such is deemed in the interest of the Association.

Section 4. To affix assessments to be levied against Lots within the Property and the costs of effectuating the objects and purposes of the Association, pay common expenses, and to create reasonable reserves for such expenditures, and to authorize its Board of Directors, in its discretion, to enter into agreements with mortgage companies and other organizations for the collection of such assessments.

Section 5. To pay taxes and other charges, if any, on or against the Association Property and the Common Area.

Section 6. To have all express powers conferred upon the Association by the Declaration, Chapter 720, Florida Statutes, and to have all powers conferred upon a corporation by the laws of the State of Florida, including Chapter 617, except as prohibited herein.

Section 7. To engage in activities which will actively foster, promote and advance the common interests of all Owners of any portion of the Property, including contracting for services to be provided to the Association.

Section 8. To own, convey, buy or otherwise acquire, sell or otherwise dispose of, mortgage or otherwise encumber, exchange, lease, hold, use, operate and otherwise deal in and with real, personal and mixed property of all kinds and any right or interest therein of the Association for purposes of advancing the common interests of all Owners of any portion of the Property.

Section 9. To borrow money for any purpose subject to all limitations in the Declaration or Bylaws.

Section 10. To sue and be sued.

Section 11. To adopt, alter and amend or repeal such Bylaws as may be necessary or desirable for the proper management of the affairs of the Association, provided, however, such Bylaws may not be inconsistent with or contrary to any provisions of the Declaration.

Section 12. To own and control Common Area land where the Surface Water Management Systems are located to the extent necessary to operate and maintain Surface Water Management System facilities, including all inlets, ditches, swales, culverts, water control structures, retention and detention areas, ponds, lakes, floodplains compensation areas, wetlands and any associated buffers, if any, wetland mitigation areas, as applicable and required by the Permit, preserve areas, if any, and drainage easements and to contract for services to provide for such operation and maintenance.

Section 13. To conduct ongoing reporting for all governmental and or regulatory permits issued to the Declarant for construction and improvement of the "~~Alachua North~~" "Briarwood" Subdivision that require ongoing reporting and to enforce such permits until such time that all governmental or regulatory agency requirements have been satisfied. It is expressly understood that this obligation and any costs associated with carrying out this obligation shall be borne by the Association.

Section 14. To levy and collect adequate assessments from the Members of the Association for the costs of maintenance, operation, and, if necessary, replacement, of the common areas, including but not limited to the Surface Water Management System.

Section 15. To contract for services for the operation, maintenance, and management of Common Areas and Association Property and all other property dedicated to or maintained by the Association.

Section 16. To mortgage or convey Common Area with the affirmative vote of at least two-thirds of the Class A Membership.

ARTICLE VI- MANNER OF ELECTION OF DIRECTORS

Directors shall be elected or appointed in accordance with the provisions of the Bylaws of the Association.

ARTICLE VII - MEMBERS

Section 1. Every Owner of a Lot shall be a Member of the Association and subject to the terms and conditions of the Declaration. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to Assessment.

Section 2. The Association shall have two classes of voting membership:

Class A. Class A Members shall be all Owners, with the exception of the Declarant (until the expiration of the Class M Membership) and shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they

determine, but in no event shall more than one vote be cast with respect to any Lot.

Class B. The Class B Member shall be the Declarant. The Class B Member shall be entitled to three (3) votes for each of the votes held by all other Members of the Association; provided, however, that notwithstanding any provision to the contrary, the Declarant shall have the right to appoint the entire Board of Directors of the Association until three months after 90% of the Lots have been conveyed to Owners other than the Declarant or its designated successor or assigns or to Builders, or at an earlier date at the sole discretion of the Declarant unless otherwise provided by applicable law ("Turnover"). At such time, the Declarant shall call a meeting in accordance with the provisions herein for Special Meetings, to provide for the turnover of control of the Board of Directors to the Owners. The Declarant shall have the right, in its sole discretion, to appoint one member of the Board of Directors for so long as the Declarant owns at least five percent (5%) of the Lots within the Property. Upon expiration of the Class B membership, the Declarant shall become a Class A Member for each Lot it still owns.

ARTICLE VIII - DIRECTORS

The Board of Directors of the Corporation shall be comprised of at least three (3) directors. The members of the Board of Directors and their street addresses are:

Director:	Street Address:
Craig F. Rouhier	405 Cinnamon Oak Court Lake Mary, Florida 32746
Craig J. Rouhier	405 Cinnamon Oak Court Lake Mary, Florida 32746
Jon T. Vincent	405 Cinnamon Oak Court Lake Mary, Florida 32746

As long as Declarant or its designated successor or assigns shall have the right to appoint the entire Board of Directors, Directors need not be Members of the Association and need not be residents of the State of Florida. All Directors appointed by the Declarant shall serve at the pleasure of the Declarant, and may be removed from office, and a successor Director may be appointed at any time by the Declarant.

At the first annual election to the Board of Directors where Directors are elected by the Members, the term of office of the elected Director receiving the highest plurality of votes shall be established at two (2) years, with the other elected Directors to serve for a term of one (1) year. Elections shall be by plurality votes. All Directors shall hold office until the election of new directors at the next annual meeting or resignation of said Director. Each year thereafter, as many Directors shall be elected and appointed, as the case may be, as there are regular terms of office of Directors expiring at such time, and the term of the Director so elected or appointed at

each annual election shall be for two (2) years expiring at the second annual election following their election, and thereafter until their successors are duly elected and qualified, or until removed from office with or without cause by the affirmative vote of a majority of the Members which elected or appointed them.

ARTICLE IX - OFFICERS

The Officers of the Association shall be a President, a Vice President, a Secretary and a Treasurer, and such other officers as the Board of Directors may from time to time, by resolution, create. Any two or more offices may be held by the same person except the offices of President and Secretary. Officers shall be elected for one (1) year terms in accordance with the procedures set forth in the Bylaws. The names of the Officers who are to manage the affairs of the Association until the next annual meeting of the Board of Directors and until their successors are duly elected and qualified are:

President:	Craig F. Rouhier 405 Cinnamon Oak Court Lake Mary, Florida 32746
Vice President:	Craig J. Rouhier 405 Cinnamon Oak Court Lake Mary, Florida 32746
Secretary and Treasurer:	Jon T. Vincent 405 Cinnamon Oak Court Lake Mary, Florida 32746

ARTICLE X – REGISTERED AGENT, MAILING ADDRESS AND STREET ADDRESS

The street and mailing address of the Corporation's initial registered office and registered agent is Troon Creek, LLC, 405 Cinnamon Oak Court, Lake Mary, Florida 32746.

ARTICLE XI CORPORATE EXISTENCE

The Association shall have perpetual existence. If the Association is dissolved, the control or right of access to the property containing the Surface Water Management System facilities and other dedicated property and related infrastructure shall be conveyed or dedicated to an appropriate, non-profit corporation, governmental unit or public unit in accordance with the Declaration.

ARTICLE XII - BYLAWS

The Board of Directors shall adopt Bylaws consistent with these Articles.

ARTICLE XIII - AMENDMENTS TO ARTICLES OF INCORPORATION AND BYLAWS

Amendment of these Articles requires the approval of at least two-thirds of the membership votes. Notwithstanding the foregoing; (a) for so long as the Declarant has the right to appoint the entire Board of Directors of the Association, the Declarant or its successor or assign shall be permitted to unilaterally amend these Articles; and (b) for so long as Declarant owns any portion of the Property, no amendment of these Articles shall make any changes which would in any way affect any of the rights, privileges, powers or options herein provided in favor of, or reserved to, the Declarant, unless the Declarant joins in the execution of the amendment.

Such amendments shall be subject to the prior approval required by any appropriate governmental agency. Notwithstanding anything to the contrary herein contained, amendments for correction of scrivener's errors may be made by the Board of Directors of the Association alone without the need of consent of any other person. Notwithstanding the foregoing, matters stated herein to be or which are in fact governed by the Declaration may not be amended except as provided in such Declaration. Additionally, the provisions which are governed by the By-laws of this Association may not be amended except as provided in the By-laws.

Any amendment to these Articles that would alter the Surface Water Management System, wet detention or any water management areas of the Common Areas must have the prior approval of the WMD. Any such proposed amendments must be submitted to the WMD for a determination of whether the amendment necessitates a modification to the WMD Permit. If the proposed amendment necessitates a modification to the WMD Permit, the modification to the WMD Permit must be approved by the WMD prior to the amendment to these Articles.

ARTICLE XIV- INDEMNIFICATION OF OFFICERS AND DIRECTORS

Section 1. The Association hereby indemnifies any Director or Officer made a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding:

(a) Whether civil, criminal, administrative or investigative, other than one by or in the right of the Association to procure a judgment in its favor, brought to impose a liability or penalty on such person for any act alleged to have been committed by such person in his capacity of Director or Officer of the Association, or in his capacity as a Director, Officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees, actually and necessarily incurred as a result of such action, suit or proceeding or any appeal therein, if such person acted in good faith in the reasonable belief that such action was in the best interests of the Association, and in criminal actions or proceedings, without reasonable ground for belief that such action was unlawful. The termination of any such action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not in itself create a presumption that any such Director or Officer did not act in good faith in the reasonable belief that such action was in the best interests of the Association or that he had reasonable grounds for belief that such action was unlawful.

(b) By or in the right of the Association to procure a judgment in its favor by reason of his being or having been a Director or Officer of the Association, or by reason of his being or having been a Director, Officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against the reasonable expenses, including attorneys' fees, actually and necessarily incurred by him in connection with the defense or settlement of such action, or in connection with an appeal therein, if such person acted in good faith in the reasonable belief that such action was in the best interests of the Association. Such person shall not be entitled to indemnification in relation to matters as to which such person has been adjudged to have been guilty of negligence or misconduct in the performance of his duty to the Association unless and only to the extent that the court, administrative agency, or investigative body before which such action, suit or proceeding is held shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which such tribunal shall deem proper.

Section 2. The Board of Directors shall determine whether amounts for which a Director or Officer seeks indemnification were properly incurred and whether such Director or Officer acted in good faith and in a manner he reasonably believed to be in the best interests of the Association, and whether, with respect to any criminal action or proceeding, he had no reasonable ground for belief that such action was unlawful. Such determination shall be made by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding.

Section 3. The foregoing rights of indemnification shall not be deemed to limit in any way the powers of the Association to indemnify under applicable law.

ARTICLE XV - TRANSACTIONS IN WHICH DIRECTORS OR OFFICERS ARE INTERESTED

Section 1. With the exception of Directors and Officers appointed by the Class B Members, any financial or familial interest of an Officer or Director in any contract or transaction between the Association and one (1) or more of its Directors or Officers, or between the Association and any other corporation, partnership, association or other organization in which one (1) or more of its Directors or Officers are directors or officers, or have a financial interest, shall be disclosed, and further shall not be voidable solely for this reason, or solely because the Director or Officer is present at or participates in the meeting of the Board or committee thereof which authorized the contract or transaction or solely because his or their votes are counted for such purpose. No Director or Officer of the Association shall incur liability by reason of the fact that he is or may be interested in any such contract or transaction.

Section 2. Interested Directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorized the contract or transaction but must abstain from voting on the issue.

ARTICLE XVI - DISSOLUTION

The Association may be dissolved if three-fourths (3/4) of the votes cast at a duly held meeting of the Members of the Association vote in favor of dissolution, if permitted by the Declaration. Upon dissolution of the Association, other than incident to a merger or consolidation, the assets of the Association shall be dedicated to an appropriate public agency to be used for purposes similar to those for which this Association was created. In the event that such dedication is refused acceptance, such assets shall be granted, conveyed and assigned to any nonprofit corporation, association, trust or other organization to be devoted to such similar purposes.

EXHIBIT "C"

BYLAWS

BYLAWS OF
BRIARWOOD HOMEOWNERS ASSOCIATION OF ALACHUA, INC.

A corporation not-for-profit organized
under the laws of the State of Florida

1. Identity. These are the Bylaws of BRIARWOOD HOMEOWNERS ASSOCIATION OF ALACHUA, INC., (the "**Association**"), a corporation not for profit incorporated under the laws of the State of Florida, and organized for the purpose of administering that residential Community known as BRIARWOOD located in Alachua County, Florida (the "**Property**").

   1.1 Principal Office. The principal office of the Association shall be at 405 Cinnamon Oak Court, Lake Mary, Florida 32746, or at such other place as may be subsequently designated by the Board of Directors. All books and records of the Association shall be kept at its principal office.

   1.2 Fiscal Year. The fiscal year of the Association shall be the calendar year.

   1.3 Seal. The seal of the Association shall bear the name of the corporation, the word "Florida," the words "Corporation Not for Profit," and the year of incorporation.

2. Definitions. For convenience, these Bylaws shall be referred to as the "Bylaws" and the Articles of Incorporation of the Association as the "Articles." The other terms used in these Bylaws shall have the same definition and meaning as those set forth in that certain Declaration of Covenants, Conditions and Restrictions of BRIARWOOD (the "**Declaration**"), unless herein provided to the contrary, or unless the context otherwise requires.

3. Members. The members of the Association ("**Members**") shall be as specified in the Articles and Declaration.

   3.1 Annual Meeting. The annual Members' meeting shall be held on the date, at the place and at the time determined by the Board from time to time, provided that there shall be an annual meeting every calendar year. To the extent possible, the annual meeting shall be held during October, November or December and no later than thirteen (13) months after the last preceding annual meeting. The purpose of the meeting shall be, except as provided herein to the contrary, to elect Directors and to transact any other business authorized to be transacted by the Members, or as stated in the notice of the meeting sent to Members in advance thereof.

   3.2 Special Meeting. Special Members' meetings shall be held at such places as provided herein for annual meetings, and may be called by the President or by a majority of the Board. A special meeting must be called by the President or Secretary upon receipt of a written request from a majority of the Members of the Association. The business conducted at a special meeting shall be limited to the purposes stated in the notice of the meeting.

3.3 Notice of Meeting; Waiver of Notice. Notice of a meeting of Members stating the time and place and the purpose(s) for which the meeting is called shall be given by the President or Secretary. A copy of the notice shall be posted at a conspicuous place within the Property. The notice of the annual meeting shall be hand delivered or sent by mail to each Owner, unless the Owner waives in writing the right to receive notice of the annual meeting by signing a waiver of notice, in person or by proxy, either before or after the meeting. The delivery or mailing shall be to the address of the Member as it appears on the roster of Members described in Section 10 hereof. The posting and mailing of the notice shall be effected not less than fourteen (14) days, nor more than sixty (60) days, prior to the date of the meeting. Proof of posting or hand delivery may be given by affidavit, and proof of mailing of the notice may be given by retention of post office receipts, or by affidavit. Notice of an annual meeting need not include a description of the purpose or purposes for which the meeting is called. Notice of a special meeting must include a description of the purpose or purposes for which the meeting is called.

Notice of Member annual or special meetings may be waived before or after the meeting. The attendance of any Member (or person authorized to vote for such member) shall constitute such Member's waiver of notice of such meeting, except when his (or his authorized representative's) attendance is for the express purpose of objecting at the beginning of the meeting to the transaction of business because the meeting is not lawfully called.

3.4 Quorum. A quorum at Members' meetings shall be attained by the presence, either in person or by proxy, of persons entitled to cast thirty percent (30%) of the votes of Members, unless a higher number is specifically provided elsewhere in the Declaration, the Articles or these Bylaws. If voting rights of any Member are suspended pursuant to the provisions of the Declaration or these Bylaws, the vote(s) of such Member shall not be counted for the purpose of determining the presence of a quorum and the total number of authorized votes shall be reduced accordingly during the period of such suspension.

3.5 Voting.

(a) Classes of Voting Membership. The Association shall have two (2) classes of Members, each with voting rights as follows:

Class A. Class A Members shall be all Owners, including Declarant after the expiration of the Class B Membership. Class A Members shall be entitled to one (1) vote for each Lot they own.

Class B. The Class B Member shall be Declarant. The Class B Member shall be entitled to three (3) votes for each vote Class A Members are entitled to cast at any time, thus giving the Class B Member a three-fourths (3/4ths) majority of votes in the Association. The Class B Membership shall cease upon the first to occur of the following, unless

otherwise provided by applicable law:

(i) three (3) months after ninety percent (90%) of the Lots in the Property that will ultimately be operated by the Association have been conveyed to Members; or

(ii) termination of the Class B Membership by resignation of all Declarant-appointed directors and delivery to the Secretary of the Association of a certificate in recordable form, signed by Declarant and stating that Declarant elects to terminate the Class B Membership. Upon termination of the Class B Membership, Declarant shall retain any voting rights it may have as a Class A Member. Upon expiration of the Class B membership, the Declarant shall become a Class A Member for each Lot it still owns; or

(iii) as otherwise required by applicable law.

Notwithstanding the foregoing, Declarant shall be entitled to appoint at least one (1) member of the Board of Directors of the Association as long as Declarant holds for sale in the ordinary course of business at least five percent (5%) of the Lots within the Property. After Declarant relinquishes control of the Association, Declarant may exercise the right to vote any Declarant owned voting interest in the same manner as any other Member, except for purposes of reacquiring control of the Association or selecting the majority of the Members of the Board of Directors.

(b) Majority Vote. The acts approved by a majority of the votes present in person or by proxy at a meeting at which a quorum shall have been attained shall be binding upon all Members for all purposes except where otherwise provided by law, the Declaration, the Articles or these Bylaws. As used in these Bylaws, the Articles or the Declaration, the terms "majority of the Members" and "majority of the Members" shall mean a majority of the votes of Members and not a majority of the Members themselves and shall further mean more than 50% of the then total authorized votes present in person or by proxy and voting at any meeting of the Members at which a quorum shall have been attained. Similarly, if some greater percentage of Members is required herein or in the Declaration or Articles, it shall mean such greater percentage of the votes of Members and not of the Members themselves.

(c) Voting Owner. If a Lot is owned by one person, his right to vote shall be established by the roster of Members. If a Lot is owned by more than one person, the person entitled to cast the vote for the Lot shall be designated by a certificate signed by all of the record Owners of the Lot according to the roster of Owners and filed with the Secretary of the Association. Such person need not be a Lot Owner, nor one of the joint owners. Those certificates shall be valid until revoked or until superseded by a subsequent certificate or until a change in the ownership of the Lot

concerned. A certificate designating the person entitled to cast the vote for a Lot may be revoked by any record owner of an undivided interest in the Lot. If a certificate designating the person entitled to cast the vote for a Lot is not on file or has been revoked, the vote of the Member(s) of such Lot shall not be considered in determining whether a quorum is present, nor for any other purpose, and the total number of authorized votes in the Association shall be reduced accordingly until such certificate is filed, except if the Lot is owned jointly by a husband and wife. If a Lot is owned jointly by a husband and wife, they may, without being required to do so, designate a voting Member in the manner provided above. Such designee need not be an Owner. In the event a husband and wife do not designate a voting member, the following provisions shall apply:

(i) If both are present at a meeting and are unable to concur in their decision upon any subject requiring a vote, they shall lose their right to vote on that subject at that meeting, and their vote shall not be considered in determining whether a quorum is present on that subject at the meeting (and the total number of authorized votes in the Association shall be reduced accordingly for such subject only).

(ii) If only one is present at a meeting, the person present shall be counted for purposes of a quorum and may cast the Lot vote just as though he or she owned the Lot individually, and without establishing the concurrence of the absent person.

(iii) If both are present at a meeting and concur, either one may cast the vote.

(d) Corporation. If a Lot is owned by a corporation or other entity, the Chairman of the Board, President, Vice President, Secretary, or Treasurer of the Corporation holding such Membership in the Association, and any like officer of a foreign corporation whether for profit or not for profit, holding a Membership in the Association, shall be deemed by the Association to have the authority to vote on behalf of the Corporation and to execute proxies and written waivers and consents in relation thereto, unless before a vote is taken on a waiver of consent is acted upon it is made to appear by certified copy of the Bylaws or Resolution of the Board of Directors or executive committee of the Corporation that such authority does not exist or is vested in some other officer or person. In absence of such certification, the person executing any such proxies, waivers or consents or presenting himself at a meeting as one of such officers of a Corporation shall be for the purposes of this Section conclusively deemed to be duly elected, qualified and acting as such officer and be fully authorized. In the case of conflicting representation, the corporate Member shall be deemed to be represented by its Senior Officer, in the order first stated in this subsection.

3.6 Proxies. A proxy may be made by any person entitled to vote, but shall only be valid for the specific meeting for which originally given and any lawfully adjourned and reconvened meetings thereof. In no event shall any proxy be valid for a period longer than 90 days after the date of the first meeting for which it was given. Every proxy shall be revocable at any time at the pleasure of the person executing it. A proxy must be dated, must state the date, time, and place of the meeting for which it was given, and signed by the person authorized to cast the vote for the Lot (as above described) and filed with the Secretary before the appointed time of the meeting, or before the time to which the meeting is adjourned. Holders of proxies need not be Owners. If the proxy form expressly so provided, any proxy holder may appoint, in writing, a substitute to act in his place.

3.7 Adjourned Meetings. Adjournment of an Annual or Special meeting to a different date, time, or place must be announced at the meeting before an adjournment is taken, or notice must be given of the new date, time, or place pursuant to the notice provision of the Bylaws. If a new record date for the adjourned meeting is or must be fixed, notice of the adjourned meeting must be given to persons who are entitled to vote and are Members as of the new record date but were not Members as of the previous record date. If any proposed meeting cannot be organized because a quorum has not been attained, the Members who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum is present, provided notice of the newly scheduled meeting is given in the manner required for the giving of notice of a meeting. Except as provided by law, proxies given for the adjourned meeting shall be valid for the newly scheduled meeting unless revoked for reasons other than the new date of the meeting.

3.8 Order of Business. If a quorum has been attained, the order of business at annual Members' meetings, and, if applicable, at other Members' meetings, shall be:

(a) Call to order by President;

(b) Appointment by the President of a chairman of the meeting (who need not be a Member or a Director);

(c) Proof of notice of the meeting or waiver of notice;

(d) Reading of minutes;

(e) Reports of officers;

(f) Reports of committees;

(g) Appointment of inspectors of election;

(h) Determination of number of Directors;

(i) Election of Directors;

(j) Unfinished business;

(k) New business;

(l) Adjournment.

Such order may be waived in whole or in part by direction of the chairman.

3.9 Minutes of Meeting. Minutes of all meetings of the Members of the Association must be maintained in written form or in another form that can be converted into written form within a reasonable time. The minutes of all meetings of Members shall be kept in a book available for inspection by Members or their authorized representatives or board members at any reasonable time. The Association shall retain these minutes for a period of not less than seven years.

3.10 Delinquent Members. If any Assessment or portion thereof imposed against a Member remains unpaid for ninety (90) days following its due date, such Member's voting rights in the Association shall be automatically suspended until all past due Assessments and other sums then due are paid, whereupon the voting rights shall be automatically reinstated. Delinquent Members shall not be eligible to serve on the Board of Directors.

3.11 Action Without A Meeting. Anything to the contrary herein notwithstanding, to the extent lawful, any action herein required to be taken at any annual or special meeting of Members, or any action which may be taken at any annual or special meeting of such Members, may be taken without a meeting, without prior notice and without a vote if a consent in writing, setting forth the action so taken shall be signed by the Members (or persons authorized to cast the vote of any such Member as elsewhere herein set forth) having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting of such Members at which a quorum of such Members (or authorized persons) entitled to vote thereon were present and voted.

Written consent shall not be effective to take the Association action referred to in the consent unless the consent is signed by the Members having the requisite number of votes necessary to authorize the action within sixty (60) days of the date of the earliest dated consent and is delivered in the manner required by this Section.

Any written consent may be revoked prior to the date that the Association receives the required number of consents to authorize the proposed action. A revocation is not effective unless in writing and until received by the Association, or received by the Secretary or other officer or agent of the Association.

A consent signed under this Section has the effect of a meeting vote and may be described as such in any document. Whenever action is taken pursuant to this Section, the written consent of the Members consenting to such action or the

written reports of inspectors appointed to tabulate such consents must be filed with the minutes of proceedings of the Members.

Within ten (10) days after obtaining such authorization by written consent, notice must be given to Members who have not consented in writing. The notice shall fairly summarize the material features of the authorized action.

3.12 Recording. Any Member may tape record or videotape meetings of the Membership. The Board of Directors of the Association may adopt reasonable rules governing the taping of meetings of the Membership.

4. Directors

4.1 Membership. The affairs of the Association shall be managed and governed by a Board of Directors (the "**Board**") of not less than three (3) prior to the Declarant's turnover of control of the Association to Members other than Declarant; of not less than three (3) after the Declarant's turnover of such control; and in no event more than five (5) "Directors", the exact number initially to be as set forth in the Articles, and thereafter, except as provided herein, to be determined from time to time upon majority vote of the membership.

4.2 Election of Directors. The election of Directors shall be conducted in accordance with Chapter 720.306, Florida Statutes, and the following manner:

(a) Election of Directors shall be held at the annual Members' meeting, except as provided herein to the contrary.

(b) Nominations for Directors shall be made in advance of the meeting and no nominations from the floor shall be accepted if ballots are accepted in advance of the meeting.

(c) The election shall be by written ballot (unless dispensed with by majority consent of the Owners represented at the meeting) and decided by a plurality of the votes cast for each candidate.

(d) All Members of the Association shall be eligible to serve on the Board of Directors unless otherwise provided by Florida law, and a Member may nominate himself as a candidate for the Board.

4.3 Vacancies and Removal.

(a) Except as to vacancies resulting from removal of Directors by Members, vacancies on the Board occurring between annual meetings of Members shall be filled by majority action of the remaining Director(s), provided that all vacancies in directorships to which Directors were appointed by the Declarant pursuant to the provisions of Section 4.17 hereof shall be filled by the Declarant without the necessity of any meeting.

(b) Any Director elected by the Members may be removed from office with or without cause by the vote or agreement by a majority of all votes of the Membership. The vacancy in the Board so created shall be filled by the Members at the same meeting or at a meeting of the Membership shortly thereafter. The conveyance of all Lots owned by a Director in the Community who owned one or more Lots at the time he was elected or appointed (other than appointees of the Declarant) shall constitute the resignation of such Director.

(c) Until a majority of the Directors are elected by the Members other than the Declarant, no Directors named by the Declarant shall be subject to removal by Members other than the Declarant. Directors appointed by the Declarant and Directors replacing them may be removed and replaced by the Declarant without the necessity of any meeting.

(d) If a vacancy on the Board of Directors results in there being no incumbent Directors, any Member may apply to the Circuit Court within whose jurisdiction the Property lies for the appointment of a receiver to manage the affairs of the Association. At least thirty (30) days prior to applying to the Circuit Court, the Member shall mail to the Association and post in a conspicuous place in the Property a notice describing the intended action and giving the Association an opportunity to fill the vacancy(ies) in accordance with these Bylaws. If, during such time, the Association fails to fill the vacancy(ies), the Member may proceed with the petition. If a receiver is appointed, the Association shall be responsible for the salary of the receiver, court costs and attorneys' fees. The receiver shall have all powers and duties of a duly constituted Board and shall serve until the Association fills the vacancy(ies) on the Board sufficient to constitute a quorum in accordance with these Bylaws.

4.4 Term. Except as provided herein to the contrary, the term of each Director's service shall extend until the annual meeting of the Members two years from the date of such Director's election and subsequently until his successor is duly elected and qualified as provided for in the Articles of Incorporation, or until he is removed in the manner elsewhere provided.

4.5 Organizational Meeting. The organizational meeting of newly-elected or appointed members of the Board shall be held within ten (10) days of their election or appointment at such place and time as shall be fixed by the Directors at the meeting at which they were elected or appointed, and no further notice to or by the Board of the organizational meeting shall be necessary.

(a) All meetings of the Board must be open to all Members except for meetings between the Board and its attorney with respect to proposed or pending litigation where the contents of the discussion would otherwise be governed by attorney client privilege. Notices of all Board meetings must be posted in a conspicuous place in the Property at least 48 hours in

advance of a meeting, except in an emergency. In the alternative, if notice is not posted in a conspicuous place in the Property , notice of each Board meeting must be mailed or delivered to each Member at least seven (7) days before the meeting, except in an emergency. An assessment may not be levied at a Board meeting unless the notice of the meeting includes a statement that assessments will be considered and the nature of the assessments. Directors may not vote by proxy or by secret ballot at Board meetings, except that secret ballots may be used in the election of officers. This subsection also applies to the meetings of any committees or other similar body, including anybody vested with the powers to approve or disapprove architectural decisions with respect to a specific parcel of residential property owned by a Member.

4.6 Regular Meetings. Regular meetings of the Board may be held at such time and place as shall be determined, from time to time, by a majority of the Directors. Notice of regular meetings shall be given to each Director, personally or by mail, telephone or telegraph, and shall be transmitted at least three (3) days prior to the meeting. Regular meetings of the Board shall be open to all Members and notice of such meetings shall be posted conspicuously in the Community at least forty-eight (48) hours in advance for the attention of the Members of the Association, except in the event of an emergency. Members shall not be permitted to participate, and need not be recognized at any such meeting.

4.7 Special Meetings. Special meetings of the Directors may be called by the President, and must be called by the President or Secretary at the written request of two-thirds (2/3rds) of the Directors. Notice of the meeting shall be given personally by mail, telephone or telegraph to each Director, which notice shall state the time, place and purpose of the meeting, and shall be transmitted not less than three (3) days prior to the meeting. Special meetings of the Board shall be open to all Members and notice of a special meeting shall be posted conspicuously in the Property at least forty-eight (48) hours in advance for the attention of the Members of the Association, except in the event of an emergency. Members shall not be permitted to participate, and need not be recognized, at any such meeting.

4.8 Waiver of Notice. Any Director may waive notice of a meeting before or after the meeting and that waiver shall be deemed equivalent to the due receipt by said Director of notice. Attendance by any Director at a meeting shall constitute a waiver of notice of such meeting, except when his attendance is for the express purpose of objecting at the beginning of the meeting to the transaction of business because the meeting is not lawfully called.

4.9 Quorum. A quorum at Directors' meetings shall consist of a majority of the then incumbent Directors. The acts approved by a majority of those present at a meeting at which a quorum is present shall constitute the acts of the Board, except when approval by a greater number of Directors is specifically required by the Declaration, the Articles or these Bylaws.

4.10 Adjourned Meetings. If, at any proposed meeting of the Board, there is less than a quorum present, the majority of those present may adjourn the meeting from time to time until a quorum is present, provided notice of such newly scheduled meeting is given as required hereunder. At any newly scheduled meeting, any business that might have been transacted at the meeting as originally called may be transacted without further notice.

4.11 Presiding Officer. The presiding officer at the Directors' meetings shall be the President (who may, however, designate any other person to preside).

4.12 Order of Business. If a quorum has been attained, the order of business at Directors' meetings shall be:

(a) Proof of due notice of meeting;

(b) Reading and disposal of any unapproved minutes;

(c) Reports of officers and committees;

(d) Election of officers;

(e) Unfinished business;

(f) New business;

(g) Adjournment.

Such order may be waived in whole or in part by direction of the presiding officer.

4.13 Minutes of Meetings. Minutes of all meetings of the Board of Directors must be maintained in written form or in another form that can be converted into written form within a reasonable time. A vote or abstention from voting on each matter voted upon for each Director present at the Board meeting must be recorded in the minutes. The minutes of all meetings of the Board of Directors shall be kept in a book available for inspection by Members or their authorized representative or board member at any reasonable time. The Association shall retain these minutes for a period of not less than seven (7) years.

4.14 Recording. Any Member may tape record or videotape meetings of the Board of Directors. The Board of Directors of the Association may adopt reasonable rules governing the taping of meetings of the Board of Directors.

4.15 Committees. The Board of Directors by resolution adopted by a majority of the full Board of Directors, may designate from among its members an executive committee and one or more other committees each of which, to the extent provided in such resolution or in the Articles of Incorporation or the Bylaws, shall have and may exercise all of the authority of the Board of Directors, except that

no such committee shall have the authority to:

(a) Approve or recommend to members actions or proposals required by this act to be approved by members;

(b) Fill vacancies on the Board of Directors or any committee thereof; or

(c) Adopt, amend, or repeal the Bylaws.

The provisions of the Bylaws governing meetings, notice and waiver of notice, quorum and voting requirements of the Board of Directors shall apply to all committees and their members as well.

Each committee must have two or more members who serve at the pleasure of the Board of Directors. The Board, by resolution adopted, may designate one or more director(s) as alternative members of any such committee who may act in the place instead of any absent member at any meeting of such committee.

Neither the designation of any such committee, and delegation thereto of authority, nor action by such committee pursuant to such authority shall alone constitute compliance by any member of the Board of Directors not a member of the committee in question with his responsibility to act in good faith, in a manner he reasonably believes to be in the best interest of the Association, and with such care as an ordinary prudent person in a like position would use under similar circumstances.

4.16 Architectural Review Committee. As provided in the Declaration, the Board of Directors shall create an Architectural Review Committee ("**ARC**"), composed of not less than three (3) nor more than five (5) persons appointed by the Board, or, in the Board's discretion, the Board from time to time may constitute itself as the ARC. To the extent not inconsistent with the Declaration, the provisions of Section 4.15 shall apply to the ARC.

4.17 Declarant Control of Board; Turnover. So long as there shall be a Class B Membership as set forth in the Declaration, vesting voting control of the Association in the Declarant, the Declarant shall have the right to appoint and replace all Directors and Officers.

Declarant shall be entitled to appoint at least one (1) member of the Board of Directors of the Association as long as Declarant holds for sale in the ordinary course of business at least five percent (5%) of the Lots within the Property. After Declarant relinquishes control of the Association, Declarant may exercise the right to vote any Declarant owned voting interest in the same manner as any other Member, except for purposes of reacquiring control of the Association or selecting the majority of the Members of the Board of Directors.

The Declarant shall turn over control of the Association to Members other than

the Declarant upon termination of the Class B Membership, as set forth in Section 3.5 above, by causing all of its appointed Directors to resign, whereupon it shall be the affirmative obligation of Members other than the Declarant to elect Directors and assume control of the Association. Provided at least thirty (30) days' notice of Declarant's decision to cause its appointees to resign is given to Members, neither the Declarant, nor such appointees, shall be liable in any manner in connection with such resignations even if the Members other than the Declarant refuse or fail to assume control. Control of the Association shall be deemed "turned over" upon (i) termination of the Class B Membership and (ii) resignation of all Declarant appointed Directors. Upon such turnover the Declarant shall retain all voting rights incident to its ownership of Lots.

Within a reasonable time after control of the Association is turned over to Members other than the Declarant, (but not more than ninety (90) days after such event) the Declarant shall deliver to the Association all property of the Members and of the Association held by or controlled by the Declarant, including, but not limited to, the following items, if applicable:

(a) The original or a photocopy of the recorded Declaration, and all amendments thereto. If a photocopy is provided, the Declarant must certify by affidavit that it is a complete copy of the actual recorded Declaration;

(b) A certified copy of the Articles of Incorporation for the Association;

(c) A copy of the Bylaws of the Association;

(d) The Minute Books, including all minutes, and other books and records of the Association;

(e) Any rules and regulations which have been adopted;

(f) Resignations of resigning officers and Board members who were appointed by the Declarant;

(g) The financial records, including financial statements of the Association, and source documents since the incorporation of the Association to the date of turnover. The records may be reviewed, at the Association's expense, by an independent certified public accountant;

(h) Association funds or the control thereof;

(i) All tangible personal property that is the property of the Association, and an inventory of such property;

(j) Insurance policies;

(k) Copies of any Certificates of Completion which may have been issued for

the Common Areas;

(l) Any other permits issued by governmental bodies applicable to the Common Areas in force or issued within one (1) year prior to the date the Members take control of the Association;

(m) All written warranties of contractors, subcontractors, suppliers and manufacturers, if any, that are still effective with respect to the Common Areas;

(n) A roster of Members and their addresses and telephone numbers, if known, as shown on the Association's records;

(o) Leases to which the Association is a party, if applicable;

(p) Employment contracts or service contracts in which the Association is one of the contracting parties, or service contracts in which the Association or Members have an obligation or responsibility, directly or indirectly, to pay some or all of the fee or charge of the person or persons performing the service; and,

(q) All other contracts to which the Association is a party.

(r) All deeds to the Common Areas owned by the Association.

(s) A list of the names, addresses and telephone numbers of all contractors, subcontractors and others in the employ of the Association at the time the control of the Association is turned over to Members other than Declarant.

4.18 Official Records. The Association shall maintain each of the following items, when applicable, which constitute the Official Records of the Association:

(a) Copies of any plans, specifications, permits, and warranties related to improvements constructed on the Common Areas or other property that the Association is obligated to maintain, repair, or replace, if any;

(b) A copy of the Bylaws of the Association and of each Amendment to the Bylaws;

(c) A copy of the Articles of Incorporation of the Association and of each Amendment thereto;

(d) A copy of the Declaration of Covenants and a copy of each Amendment thereto;

(e) A copy of the current Rules of the Association;

(f) The minutes of all meetings of the Board of Directors and of the Members,

which minutes must be retained for at least seven (7) years;

(g) A current roster of all Members and their mailing addresses and parcel identification;

(h) All of the Association's insurance policies or a copy thereof, which policies must be retained for at least seven (7) years;

(i) A current copy of all contracts to which the Association is a party, including, without limitation, any management agreement, lease, or other contract under which the Association has an obligation or responsibility. Bids received by the Association for work to be performed must also be considered Official Records and must be kept for a period of one (1) year;

(j) The financial and accounting records of the Association, kept according to good accounting practices. All financial and accounting records must be maintained for a period of at least seven (7) years. The financial and accounting records must include:

(i) Accurate, itemized, and detailed records of all records and expenditures.

(ii) A current account and a periodic statement of the account for each Member, designating the name and current address of each Member who is obligated to pay assessments, the due date and the amount of each assessment or other charge against the Member, the date and amount of each payment on the account, and the balance due.

(iii) All tax returns, financial statements, and financial reports of the Association.

(iv) Any other records that identify, measure, record, or communicate financial information.

4.19 Inspection and Copying of Records. The Official Records shall be maintained within the State in accordance with Chapter 720, Florida Statutes, and must be open to inspection and available for photocopying by Members or their authorized agents at reasonable times and places within ten (10) business days after receipt of a written request for access. This subsection may be complied with by having a copy of the Official Records available for inspection or copying in the Property.

(a) The failure of the Association to provide access to the records within ten (10) business days after receipt of a written request creates a rebuttable presumption that the Association willfully failed to comply with this subsection.

(b) A Member who is denied access to the Official Records is entitled to the

actual damages or minimum damages for the Association's willful failure to comply with this subsection. The minimum damages are to be $50.00 per calendar day up to ten (10) days, the calculation to begin on the eleventh (11th) business day after receipt of the written request.

(c) The Association may adopt reasonable written rules governing the frequency, time, location, notice, and manner of inspections, and may impose fees to cover the costs of providing copies of the Official Records, including, without limitation, the costs of copying so long as such costs are in accordance with the provisions of Chapter 720. The Association shall maintain an adequate number of copies of the recorded governing documents, to insure their availability to Members, and prospective members and may charge only its actual costs for reproducing and furnishing these documents to those persons who are entitled to receive them.

5. Powers and Duties. The Board shall have the powers and duties necessary for the management and administration of the affairs of the Association and may take all acts, through the proper officers of the Association, in executing such powers, except such acts which by law, the Declaration, the Articles or these Bylaws may not be delegated to the Board by the Members. Such powers and duties of the Board shall include, without limitation (except as limited elsewhere herein), the following:

(a) Operating and maintaining the Common Areas and other property owned by the Association.

(b) Determining the expenses required for the operation of the Association.

(c) Collecting the Assessments for Common Expenses of the Association from all Owners.

(d) Employing and dismissing the personnel necessary for the maintenance and operation of the Common Areas and other property owned by the Association.

(e) Adopting and amending rules and regulations concerning the details of the operation and use of the Property and any Association Property, subject to a right of the Members to overrule the Board as provided in **Section 13** hereof.

(f) Maintaining bank accounts on behalf of the Association and designating the signatories required therefor.

(g) Purchasing, leasing or otherwise acquiring Lots or other property in the name of the Association, or its designee.

(h) Purchasing Lots at foreclosure or other judicial sales, in the name of the Association, or its designee.

(i) Selling, leasing, mortgaging or otherwise dealing with Lots acquired by the Association.

(j) Settling or compromising claims of or against the Association in which all Members have a common interest.

(k) Obtaining and reviewing insurance for the Common Areas and other property owned by the Association.

(l) Making repairs, additions and improvements to, or alterations of, the Common Areas in accordance with the provisions of the Declaration after damage or destruction by fire or other casualty, or as a result of condemnation or eminent domain proceedings or otherwise.

(m) Enforcing obligations of the Members, allocating profits and expenses and taking such other actions as shall be deemed necessary and proper for the sound management of the Property.

(n) Levying fines against appropriate Members for violations of the Declaration or rules and regulations established by the Association to govern the conduct of such Members.

(o) Borrowing money on behalf of the Association when required in connection with the operation, care, upkeep and maintenance of the Common Areas or the acquisition of property, and granting mortgages on and/or security interests in Association owned property; provided, however, that the consent of the holders of at least two-thirds (2/3rds) of the votes of the Membership represented at a meeting of Members at which a quorum has been attained in accordance with the provisions of these Bylaws shall be required. If any sum borrowed by the Board on behalf of the Association pursuant to the authority contained in this subsection (o) is not repaid by the Association, any Member who pays to the creditor such portion thereof as his interest in the property owned by the Association bears, to the interest of all the Members in the property owned by the Association, shall be entitled to obtain from the creditor a release of any judgment or other lien which said creditor shall have filed or shall have the right to file against, or which will affect, such Member's Lot. The Association shall take no action authorized in this subsection without the prior written consent of the Declarant as long as the Declarant owns any Lots.

(p) Contracting for the management and maintenance of the Common Areas or other property owned by the Association and authorizing a management agent (who may be an affiliate of the Declarant) to assist the Association in carrying out its powers and duties by performing such functions as the submission of proposals, collection of Assessments, preparation of records, enforcement of rules and maintenance, repair and replacement of

the Common Areas or other Association property with funds as shall be made available by the Association for such purposes. The Association and its officers shall, however, retain at all times the powers and duties granted by the Declaration, including, but not limited to, the making of Assessments, promulgation of rules and execution of contracts on behalf of the Association.

(q) At its discretion, authorizing Members or other persons to use portions of the Common Areas or other property owned by the Association for private parties and gatherings and imposing reasonable charges for such private use.

(r) Exercising (i) all powers specifically set forth in the Declaration, the Articles, and these Bylaws, and (ii) all powers incidental thereto, and all other powers of a Florida corporation not for profit.

(s) Imposing a lawful fee in connection with the approval of the transfer, lease, or sale of Lots, not to exceed the maximum amount permitted by law in any one case.

(t) Contracting with and creating special taxing districts.

(u) Adopt and appoint executive committees.

(v) Conducting ongoing reporting for all governmental and or regulatory permits issued to the Declarant for construction and improvement of the "BRIARWOOD " Subdivision that require ongoing reporting and enforcing such permits until such time that all governmental or regulatory agency requirements have been satisfied. It is expressly understood that this obligation and any costs associated with carrying out this obligation shall be borne by the Association.

Anything herein to the contrary notwithstanding, no general funds of the Association shall be utilized for bringing, supporting, investigating, or otherwise abetting any legal action, claim or extra-judicial action except for (i) imposition, enforcement and collection of assessments, including lien rights, (ii) collecting of debts owned to the Association, (iii) bringing any contest or appeal of tax assessments relating to any property owned by the Association, (iv) actions brought by the Association to enforce the provisions of the Declaration, and (v) counterclaims brought by the Association in proceedings instituted against it, unless such legal action, claim or extra-judicial action shall be specifically approved for such purposes by seventy-five percent (75%) of the vote of the Members of the Association.

6. Officers.

6.1 Executive Officers. The executive officers of the Association shall be a President,

Vice-President, a Treasurer and a Secretary , all of whom shall be elected by the Board and who may be peremptorily removed at any meeting at which a quorum of Directors is attained by concurrence of a majority of all of the present Directors. The President and Vice- President shall be Directors. A person may hold more than one office, except that the President may not also be the Secretary. No person shall sign an instrument or perform an act in the capacity of more than one office. The Board from time to time shall elect such other officers and designate their powers and duties as the Board shall deem necessary or appropriate to manage the affairs of the Association. Officers need not be Members.

6.2 President. The President shall be the chief executive officer of the Association. He shall have all of the powers and duties that are usually vested in the office of president of an association.

6.3 Vice-President. The Vice-President shall exercise the powers and perform the duties of the President in the absence or disability of the President. He also shall assist the President and exercise such other powers and perform such other duties as are incident to the office of the vice president of an association and as shall otherwise be prescribed by the Directors.

6.4 Secretary. The Secretary shall keep the minutes of all proceedings of the Directors and the Members. He shall attend to the giving of all notices to the Members and Directors and other notices required by law. He shall have custody of the seal of the Association and shall affix it to instruments requiring the seal when duly signed. He shall keep the records of the Association, except those of the Treasurer, and shall perform all other duties incident to the office of the secretary of an association and as may be required by the Directors or the President.

6.5 Treasurer. The Treasurer shall have custody of all property of the Association, including funds, securities and evidences of indebtedness. He shall keep books of account for the Association in accordance with good accounting practices, which, together with substantiating papers, shall be made available to the Board of Directors at reasonable intervals and shall perform all other duties incident to the office of treasurer. All monies and other valuable effects shall be kept for the benefit of the Association in such depositories as may be designated by a majority of the Board.

6.6 Declarant Appointees. No officer appointed by the Declarant may be removed except as provided in Section 4.17 hereof and by law.

7. Compensation. Neither Directors nor officers shall receive compensation for their services as such, but may be compensated for services performed outside the scope of their service as officers or Directors.

8. Resignations. Any Director or officer may resign his post at any time by written

resignation, delivered to the President or Secretary, which shall take effect upon its receipt unless a later date is specified in the resignation, in which event the resignation shall be effective from such later date unless withdrawn. The acceptance of a resignation shall not be required to make it effective. The conveyance of all Lots owned by any Director or officer (other than appointees of the Declarant or other Directors or officers who are not Owners when elected or appointed) shall constitute a written resignation of such Director or officer.

9. Fiscal Management. The provisions for fiscal management of the Association set forth in the Declaration and Articles shall be supplemented by the following provisions:

9.1 Budget.

(a) Adoption By Board; Items. The Board shall from time to time, and at least annually, prepare a budget for the Common Expenses, determine the amount of Assessments payable by the Members to meet the expenses of the Association, and allocate and assess such expenses among the Members, in accordance with the provisions of the Declaration. Notwithstanding the foregoing, prior to the termination of the Class B Membership, an increase in the Common Expenses and the Annual Assessment shall require the approval of the Builder(s), which approval shall not be unreasonably withheld.

The budgets must reflect the estimated revenues and expenses for the year and the estimated surplus or deficit as of the end of the current year including all fees and charges for exterior maintenance, landscaping, upkeep and insurance, if applicable, of Common Areas and structures thereon. In addition to the annual operating expenses, and to the extent applicable, the budgets may include reserve accounts for capital expenditures and deferred maintenance. Reserves, however, may be waived in accordance with the Declaration and applicable Florida law. In the event of such waiver, the budget need not reflect or include reserve accounts for capital expenditures and deferred maintenance; provided, however the budget shall contain a disclosure stating reserves have been properly waived.

The adoption of the budgets for the Association by the Board shall comply with the requirements hereinafter set forth. A copy of the proposed budget shall be available for inspection by or mailed to each Member not less than fourteen (14) days prior to the meeting of the Board at which the budget will be considered, together with a notice of that meeting indicating the time and place of such meeting. The Board shall have the power to adopt the budget at the duly noticed meeting by a majority vote.

(b) Adoption by Membership. In the event that the Board shall be unable to adopt a budget in accordance with the requirements of Subsection 9.1(a) above, the Board may call a special meeting of Members for the purpose of considering and adopting such budget, which meeting shall be called and held in the manner provided for such special meetings in said subsection. Alternatively, the Board may propose a budget in writing to all Members of the Association or a specified

sub-group of Members, where applicable. If either such budget is adopted by a majority of the votes of Members to which the budget applies, present at such meeting, or receiving such written budget, upon ratification by a majority of the Board, it shall become the budget for such year.

9.2 Depository. The depository of the Association shall be such bank(s) or savings and loan association(s) in the State of Florida as shall be designated from time to time by the Directors and in which the monies of the Association shall be deposited. Withdrawal of monies from those accounts shall be made only by checks signed by such person or persons as are authorized by the Directors. All sums collected by the Association from Assessments or contributions to working capital or otherwise may be commingled in a single fund or divided into more than one fund, as determined by the Board.

9.3 Acceleration of Assessment Installments upon Default. If a Member shall be in default in the payment of an installment upon an Assessment for more than thirty (30) days, the Board or its agent may accelerate the remaining installments of the Annual Assessment upon written notice to such Member, and the then unpaid balance of the Assessment shall be due upon the date stated in the notice, but not less than five (5) days after delivery of the notice or ten (10) days after mailing of the notice, whichever shall first occur.

9.4 Fidelity Bonds. Fidelity bonds may be required by the Board for all persons handling or responsible for Association funds in such amount as shall be determined by a majority of the Board, but no less than $10,000 for each such person so bonded, if any. The premiums on such bonds shall be paid by the Association as a Common Expense.

9.5 Accounting Records and Reports. The Association shall maintain accounting records in the State of Florida, according to accounting practices normally used by similar associations or the manager under any applicable management contract. The records shall be open to inspection by Members or their authorized representatives at reasonable times and written summaries of them shall be supplied at least annually. The records shall include, but not be limited to, (a) a record of all receipts and expenditures, and (b) an account for each Lot designating the name and current mailing address of the Member, the amount of each Assessment, the dates and amounts in which the Assessments come due, the amount paid upon the account and the dates so paid, and the balance due.

Within ninety (90) days following the end of the fiscal year, the Association shall prepare or contract with a third party to prepare and complete a financial report for the previous twelve (12) months. Within 21 days after the final financial report is completed by the association or received from the third party, but not later than 120 days after the end of the fiscal year, the Association shall provide each Member with a copy of the annual financial report or a written notice that a copy of the annual financial report is available upon request at no charge to the Member. The financial report shall be prepared in accordance with Chapter 720,

Florida Statutes, and may consist of either financial statements presented in conformity with general accepted accounting principals or a financial report of actual receipts and expenditures, cash basis, which report must show the amounts of receipts by accounts and receipt classifications and may show the amounts of expenses by accounts and expense classifications, including, if applicable, but not limited to, the following:

(a) Cost for security;

(b) Professional and management fees and expenses;

(c) Taxes;

(d) Cost for Common Areas;

(e) Expenses for refuse collection and utility services;

(f) Expenses for lawn care;

(g) Cost for building maintenance and repair;

(h) Insurance costs;

(i) Administrative and salary expenses;

(j) General reserves, maintenance reserves and depreciation reserves; and

(k) Beginning and ending cash balances of the Association.

9.6 Application of Payment. All payments made by a Member shall be applied as provided in these Bylaws and in the Declaration or as determined by the Board.

9.7 Notice of Meetings. Notice of any meeting where Assessments against Members are to be considered for any reason shall specifically contain a statement that Assessments will be considered and the nature of any such assessments.

9.8 Declarant Exemption From Assessments for Lawsuits. The Declarant shall not be liable for the payment of any Assessments applicable to Lots it owns which relate in any way to the payment of legal or other fees to persons or entities engaged for the purpose of suing, or making, preparing or investigating possible claims against the Declarant.

10. Roster of Owners. The Association shall maintain current information regarding the title holders of all Owners. Such information shall be obtained by requiring each Member to file with the Association a copy of the deed or other document showing his ownership. The Association may rely upon the accuracy of any such information for all purposes until notified in writing of changes therein.

Only Members of record on the date notice of any meeting requiring their vote is given shall be entitled to notice of and to vote at such meeting, unless prior to such meeting other Members shall produce adequate evidence, as provided above, of their interest and shall waive in writing notice of such meeting.

11. Parliamentary Rules. Roberts' Rules of Order (latest edition) shall govern the conduct of the Association meetings when not in conflict with the Declaration, the Articles or these Bylaws.

12. Amendments. Except as otherwise provided in the Declaration, these Bylaws may be amended in the following manner:

12.1 A resolution for the adoption of a proposed amendment may be proposed either by a majority of the Board or by not less than 1/3 of the votes of Members of the Association. A majority of the Board shall thereupon adopt a resolution setting forth the proposed amendment and directing that it be submitted to a vote at a meeting of the Members, which may be the annual or a special meeting.

12.2 Written notice setting forth the proposed amendment or a summary of the changes to be effected thereby shall be given to each Member entitled to vote thereon within the time and in the manner provided in these Bylaws for the giving of notice of a meeting of the Members. If the meeting is an annual meeting, the proposed amendment or such summary may be included in the notice of such annual meeting.

12.3 At such meeting, a vote of the Members entitled to vote thereon shall be taken on the proposed amendment. The proposed amendment shall be adopted upon receiving the affirmative vote of at least a majority of the Members present in person or by proxy at the meeting (at which a quorum is attained).

12.4 Any number of amendments may be submitted to the Members and voted upon by them at any one meeting.

12.5 If all of the Directors and all of the Members eligible to vote sign a written statement manifesting their intention that an amendment to these Bylaws be adopted, then the amendment shall thereby be adopted as though the above requirements had been satisfied.

12.6 No amendment shall make any changes in the qualifications for membership nor in the voting rights of Members without approval by all of the Members and the joinder of all Institutional Mortgagees holding Institutional Mortgages upon the Lot(s). No amendment shall be made that is in conflict with the Declaration or the Articles. Prior to the closing of the sale of all Lots within the Community, no amendment shall make any changes which would in any way affect any of the rights, privileges, powers or options herein provided in favor of, or reserved to, the Declarant, unless the Declarant shall join in the execution of the amendment, including, but not limited to, any right of the Declarant to appoint Directors pursuant to these Bylaws.

12.7 No amendment to these Bylaws shall be made which discriminates against any Member(s), or affects less than all of the Members within the Community, without the written approval of all of the Members so discriminated against or affected.

12.8 Upon the approval of an amendment to these Bylaws, the certificate of amendment shall be executed and a copy shall be recorded in the public records of the County.

12.9 Notwithstanding the foregoing, the Federal Housing Administration and the Veterans Administration shall have the right to veto any amendments to these Bylaws as long as there is a Class B membership if such amendments require the review and approval of either agency in accordance with applicable regulations and if such agencies are providing financing to Homes in the Community.

12.10 Notwithstanding the foregoing, the Declarant shall have the right to unilaterally amended these Bylaws without the consent of any Owner or mortgagee for so long as the Declarant appoints a majority of the Board of Directors.

13. Rules and Regulations. The Board may, from time to time, adopt, modify, amend or add to rules and regulations concerning the use and operation of the Community, except that subsequent to the date control of the Board is turned over by the Declarant to Members other than the Declarant, Members of a majority of the Lots represented at a meeting at which a quorum is present may overrule the Board with respect to the adoption or modification of any rules and regulations. Copies of such rules and regulations shall be furnished by the Board to each affected Member not less than thirty (30) days prior to the effective date thereof. At no time may any rule or regulation be adopted which would prejudice the rights reserved to the Declarant.

14. Construction. Wherever the context so permits, the singular shall include the plural, the plural shall include the singular, and the use of any gender shall be deemed to include all genders. If any portion hereof shall be found by competent judicial authority to be unenforceable, then only that portion shall be deemed deleted and the remainder shall be given its nearest permissible meaning and effect.

15. Captions. The captions herein are inserted only as a matter of convenience and for reference, and in no way define or limit the scope of these Bylaws or the intent of any provision hereof.

16. Conflict. In the event there should be found any irreconcilable conflict among or between the Declaration, the Articles and/or these Bylaws and in the absence of any express language indicating which document controls the particular subject matter, then the provisions of the Declaration shall be paramount, the Articles next paramount and these Bylaws subordinate.

17. Indemnification of Officers and Directors. Subject to the further provisions of this Section, the Association shall indemnify and hold harmless all officers and Directors,

(and members of a Committee or Tribunal, as provided in **Section 18.3** hereof) past or incumbent, from and against all costs, claims, damages, expenses and liabilities of any kind whatsoever, including attorneys' fees and costs at all tribunal levels, arising out of the performance of such person's duties hereunder. Such indemnification and hold harmless provision shall (i) exist regardless of whether the Association itself is named as a party defendant or alleged to have any liability, (ii) include the payment of any settlements upon approval by the Board, and (iii) include indemnification of the estate and heirs of the indemnified party. Such indemnification and hold harmless provision shall not be applicable (i) to the extent the claim or liability is covered by insurance, or (ii) in the event a court of competent jurisdiction finally determines, after all appeals have been exhausted or not timely pursued, that the indemnified party did not act in good faith within what he reasonably believed to be the scope of his duty and/or authority and for purposes which he reasonably believed to be in the best interests of the Association or its Members generally and such court further specifically determines that indemnification should be denied. The provision of this Section may not be amended to terminate the effect hereof as to any persons who became officers or Directors while this Section was effective.

18. Suspension of Privileges; Fines. In the event of an alleged violation of the Declaration, the Articles, these Bylaws or the rules and regulations adopted hereunder, and after written notice of such alleged failure is given to the Member in the manner herein provided, the Board shall have the right, after the alleged violator has been given an opportunity for an appropriate hearing and upon an affirmative vote of the Board, to suspend or condition said Member's and his family's, guests' and tenants' right to the use of the Common Areas (except for the portions thereof which are necessary as a means of ingress and egress) and to fine such Member. Any such suspension shall be for a period of not more than thirty (30) days for any noncontinuing infraction, but in the case of a continuing infraction (including nonpayment of any Assessment after the same becomes delinquent) the suspension may be imposed for so long as the violation continues. No fine shall exceed the sum of $100.00 per violation. Repair or replacement costs shall not be deemed fines subject to the foregoing limitation. Any continuing violation shall be a separate violation for each day it continues. The failure of the Board to enforce the rules and regulations, these Bylaws, the Articles or the Declaration shall not constitute a waiver of the right to enforce the same thereafter. The remedies set forth above and otherwise provided by these Bylaws or by law shall be cumulative and none shall be exclusive. However, any individual must exhaust all available internal remedies of the Association prescribed by these Bylaws, or by any rules and regulations adopted by the Association, before that Member may resort to a court of law for relief from any provision of the Declaration, the Articles, these Bylaws or the rules and regulations. The rights of the Association to suspend voting rights, to impose interest charges, accelerate Assessment payments, or to otherwise enforce the payment of Assessments, as elsewhere provided in the Declaration and these Bylaws, shall not be subject to the provisions of this Section or require the notice and hearing provided for herein.

18.1 Written Complaint. A hearing to determine whether a right or privilege of a Member or any of his family or tenants ("Respondent") under the Declaration or these Bylaws should be suspended or conditioned or a fine imposed shall be

initiated by the filing of a written Complaint by any Member or by any officer or Director with the President or Secretary of the Association. The Complaint shall constitute a written statement of charges which shall set forth in ordinary and concise language the acts or omissions with which the Respondent is charged, to the end that the Respondent will be able to prepare his defense. The Complaint shall specify the specific provisions of the Declaration, the Articles, these Bylaws or the rules and regulations which the Respondent is alleged to have violated, but shall not consist merely of charges phrased in the language of such provisions without supporting facts.

18.2 Discovery. After initiation of a proceeding in which the Respondent is entitled to a hearing, the Respondent and the individual filing the Complaint, upon written request made to the other party, prior to the hearing and within fifteen (15) days after service by the Board of Directors of the Complaint or within ten (10) days after service of any amended or supplemental Complaint, is entitled to (1) obtain the names and addresses of witnesses to the extent known to the other party, and (2) inspect and make a copy of any statements, writings and investigative reports relevant to the subject matter of the hearing. Nothing in this Section, however, shall authorize the inspection or copying of any writing or thing which is privileged from disclosure by law or otherwise made confidential or protected as work product.

18.3 Tribunal. The Board shall appoint a Tribunal of at least three Members where applicable upon receipt of a written Complaint. No member of the Tribunal shall be a Director, Officers or employee of the Association, nor shall any member of the Tribunal be involved in any prior investigation of the matter on behalf of the Board nor related by blood or marriage to either the complaining party or the Respondent. In appointing the members of the Tribunal, the Board should make a good faith effort to avoid appointing any Members who are witnesses to the alleged violation giving rise to the Complaint or otherwise biased. The decision of the Board shall be final, except that the Respondent may challenge any member of the Tribunal for cause, where a fair and impartial hearing cannot be afforded, at any time prior to the taking of evidence of the hearing. In the event of such a challenge, the Board shall meet to determine the sufficiency of the challenge, without the President voting. If such challenge is sustained, the President shall appoint another Member to replace the challenged member of the Tribunal. All decisions of the Board in this regard shall be final. The Tribunal shall elect a Chairman. The Tribunal shall exercise all other powers relating to the conduct of the hearing. If the Tribunal, by majority vote does not approve a proposed fine or suspension, it may not be imposed.

18.4 Notice of Hearing. The Tribunal shall serve a notice of hearing, as provided herein, on all parties at least fourteen (14) days prior to the hearing.

18.5 Hearing.

(a) Whenever the Tribunal has commenced to hear the matter and a member

of the Tribunal is forced to withdraw prior to a final determination by the Tribunal, the remaining members shall continue to hear and decide the case. Oral evidence shall be taken only on oath or affirmation administered by an officer of the Association. The use of affidavits and written interrogatories in lieu of oral testimony shall be encouraged by the Tribunal.

(b) Each party shall have the right to be represented by counsel; to call and examine witnesses; to introduce exhibits; to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination; to impeach any witness regardless of which party first called him to testify; and to rebut the evidence against him. If the Respondent does not testify in his own behalf, he may be called and examined as if under cross-examination.

(c) The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining other evidence but shall not be sufficient in itself to support a finding, unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the extent that they are otherwise required by statute to be recognized at the hearing, and irrelevant and unduly repetitious evidence shall be excluded.

(d) Neither the accusing Member nor the allegedly defaulting Member must be in attendance at the hearing. The hearing shall be open to attendance by all Members where applicable. In rendering a decision, official notice may be taken at any time of any generally accepted matter within the Declaration, the Articles, these Bylaws, the rules and regulations or the workings of the Association.

18.6 Decision. The Tribunal will prepare written findings of fact and recommendations for consideration by the Board of Directors. The Tribunal shall make its determination only in accordance with the evidence presented to it and in accordance with these Bylaws. After all testimony and documentary evidence has been presented to the Tribunal, the Tribunal shall vote by secret written ballot upon the matter, with a majority of the entire Tribunal controlling. A copy of the findings and recommendations of the Tribunal shall be served by the President on each party in the matter and his attorney, if any. Disciplinary action and fines under the Declaration, these Bylaws or the rules and regulations shall be imposed only by the Board, and based upon the findings and recommendations of the Tribunal. The Board may adopt the recommendations of the Tribunal in their entirety, or the Board may reduce the proposed penalty and adopt the balance of

the recommendations. In no event shall the Board impose more stringent disciplinary action than recommended by the Tribunal. The decision of the Board shall be in writing and shall be served in the same manner as the findings and recommendations of the Tribunal. The decision of the Board shall become effective ten (10) days after it is served upon the Respondent, unless otherwise ordered in writing by the Board. The Board may order reconsideration at any time within fifteen (15) days following service of its decision on the parties on its own motion or upon petition by a party.

18.7 Suspension of Privileges for Failure to Pay Assessments. The Association may, without notice of a hearing, or an opportunity for a hearing, impose a suspension upon any Member because of the failure of the Member to pay assessments or other charges when due. However, in no event shall a suspension of common area use rights impair the right of an Owner or tenant of a Lot to have vehicular and/or pedestrian ingress to and egress from the Lot, including, but not limited to the right to park.

The foregoing was adopted as the Bylaws of BRIARWOOD HOMEOWNERS ASSOCIATION OF ALACHUA, INC., a corporation not for profit under the laws of the State of Florida, at its first meeting of the Board of Directors on the 10th day of November, 2019 ~~19~~ 20.

SUBJECT: Permit Number ERP-001-227428-2
Briarwood Subdivision Phase 1

Dear Craig Rouhier:

Enclosed is your ERP Individual Permit issued by the Suwannee River Water Management District on June 05, 2020. This permit is a legal document and should be kept with your other important documents. Permit issuance does not relieve you from the responsibility of obtaining any necessary permits from any federal, state, or local agencies for your project.

Noticing Your Permit:
For noticing instructions, please refer to the noticing materials in this package regarding closing the point of entry for someone to challenge the issuance of your permit. Please note that if a timely petition for administrative hearing is filed, your permit will become nonfinal and any activities that you choose to undertake pursuant to your permit will be at your own risk.

Compliance with Permit Conditions:
To submit your required permit compliance information, go to the District's website at https://permitting.sjrwmd.com/srepermitting/jsp/start.jsp. Click to sign-in to your existing account or to create a new account. Select the "Apply/Submit" tab, select "Submit Compliance Data", enter your permit number, and select "No Specific Date" for the Compliance Due Date Range. You will then be able to view all the compliance submittal requirements for your project. Select "the compliance item that you are ready to submit and then attach the appropriate information or form. The forms to comply with your permit conditions are available at floridaswater.com/permitting under the section "Handbooks, forms, fees, final orders". Click on forms to view all permit compliance forms, then scroll to the ERP application forms section and select the applicable compliance forms. Alternatively, if you have difficulty finding forms or need copies of the appropriate forms, please contact the Resource Management Division at (386) 362-1001.

Compliance with Other Permitting Programs:
This permit does not eliminate the necessity to obtain any required federal, state, local and special district authorizations prior to the start of any construction, alteration, operation, maintenance, removal or abandonment authorized by this permit.

The Suwannee River Water Management District did not issue a National Pollutant Discharge Elimination System (NPDES) permit for this project. If this project meets the thresholds such that a NPDES permit is required, you must apply to the Florida Department of Environmental Protection directly. More information about NPDES permits may be found online at

https://floridadep.gov/water/stormwater. **Failure to obtain a NPDES permit prior to construction could subject you to enforcement action by that agency.**

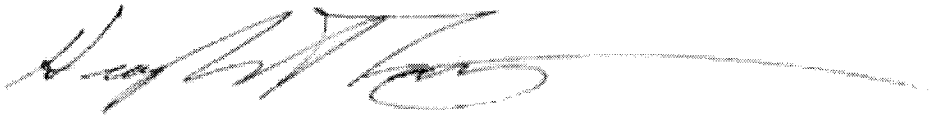
For projects which involve wetlands or surface waters, the Suwannee River Water Management District did not issue a federal authorization for use or impacts to wetlands under federal jurisdiction, this project. Therefore, you must apply directly to the US Army Corps of Engineers (USACE). More information about USACE permitting may be found online at https://www.saj.usace.army.mil/. **Failure to obtain USACE authorization prior to construction could subject you to federal enforcement action by that agency.**

Transferring Your Permit:
Your permit requires you to notify the District in writing within 30 days of any change in ownership or control of the project or activity covered by the permit, or within 30 days of any change in ownership or control of the real property on which the permitted project or activity is located or occurs. You will need to provide the District with the information specified in rule 62-330.340, Florida Administrative Code (F.A.C.). Generally, this will require you to complete and submit Form 62-330.340(1), "Request to Transfer Permit".

Please note that a permittee is liable for compliance with the permit before the permit is transferred. The District, therefore, recommends that you request a permit transfer in advance in accordance with the applicable rules. You are encouraged to contact District staff for assistance with this process.

Thank you and please let us know if you have additional questions. For general questions contact us at (386) 362-1001.

Sincerely,



Hugh Thomas

PERMITTEE:
Craig Rouhier
Troon Creek, LLC
405 Cinnamon Oak Court
Lake Mary, FL 32746

PERMIT NUMBER: ERP-001-227428-2
DATE ISSUED: June 05, 2020
DATE EXPIRES: June 05, 2025
COUNTY: Alachua
TRS: S8 T8S R18E

PROJECT: Briarwood Subdivision Phase 1

Upon completion, the approved entity to which operation and maintenance maybe transferred pursuant to rule 62-330.310 and 62-330.340 or 40B-4.1130, Florida Administrative Code (F.A.C) shall be:

Alachua North Community Association, Inc.
405 Cinnamon Oak Court
Lake Mary, FL 32746

Based on the information provided to the Suwannee River Water Management District (District), the above mentioned project has met the conditions of issuance as found in subsection 62-330.301, subsections 62-330.407 through 62-330.635, or subsection 40B-4.3030, F.A.C. The permit is hereby in effect for the activity description below:

This permit is for the construction and operation of a stormwater management system serving 9.17 acres of impervious surface on a project area of 28.97 acres, in a manner consistent with the application package and plans certified by David Glunt, P.E., of Spruce Creek Civil Engineering, Inc., on or before May 12, 2020.

As the permittee and/or operation and maintenance entity, it is your responsibility to ensure that adverse off-site impacts do not occur either during or after the construction. Any additional construction or alterations not authorized by this permit may result in flood control or water quality problems both on and off site and will be a violation of District rule.

You and any other substantially affected persons are entitled to request an administrative hearing or mediation. Please refer to the enclosed notice of rights.

1. All activities shall be implemented following the plans, specifications and performance criteria approved by this permit. Any deviations must be authorized in a permit modification in accordance with Rule 62-330.315, F.A.C. Any deviations that are not so authorized may subject the permittee to enforcement action and revocation of the permit under Chapter 373, F.S.

2. A complete copy of this permit shall be kept at the work site of the permitted activity during the construction phase, and shall be available for review at the work site upon request by the District staff. The permittee shall require the contractor to review the complete permit prior to beginning construction.

3. Activities shall be conducted in a manner that does not cause or contribute to violations of state water quality standards. Performance-based erosion and sediment control best management practices shall be installed immediately prior to, and be maintained during and after construction as needed, to prevent adverse impacts to the water resources and adjacent lands. Such practices shall be in accordance with the State of Florida Erosion and Sediment Control Designer and Reviewer Manual (Florida Department of Environmental Protection and Florida Department of Transportation June 2007), and the Florida Stormwater Erosion and Sedimentation Control Inspector's Manual (Florida Department of Environmental Protection, Nonpoint Source Management Section, Tallahassee, Florida, July 2008), which are both incorporated by reference in subparagraph 62-330.050(9)(b)5, F.A.C., unless a project-specific erosion and sediment control plan is approved or other water quality control measures are required as part of the permit.

4. At least 48 hours prior to beginning the authorized activities, the permittee shall submit to the District a fully executed Form 62-330.350(1), "Construction Commencement Notice,"[10-1-13], incorporated by reference herein (http://www.flrules.org/Gateway/reference.asp?No=Ref-02505), indicating the expected start and completion dates. A copy of this form may be obtained from the District, as described in subsection 62-330.010(5), F.A.C. If available, an District website that fulfills this notification requirement may be used in lieu of the form.

5. Unless the permit is transferred under Rule 62-330.340, F.A.C., or transferred to an operating entity under Rule 62-330.310, F.A.C., the permittee is liable to comply with the plans, terms and conditions of the permit for the life of the project or activity.

6. Within 30 days after completing construction of the entire project, or any independent portion of the project, the permittee shall provide the following to the Agency, as applicable:

a. For an individual, private single-family residential dwelling unit, duplex, triplex, or quadruplex — "Construction Completion and Inspection Certification for Activities Associated With a Private Single-Family Dwelling Unit" [Form 62-330.310(3)]; or

b. For all other activities — "As-Built Certification and Request for Conversion to Operational Phase" [Form 62-330.310(1)].

c. If available, an Agency website that fulfills this certification requirement may be used in lieu of the form.

7. If the final operation and maintenance entity is a third party:

    1. Prior to sales of any lot or unit served by the activity and within one year of permit issuance, or within 30 days of as-built certification, whichever comes first, the permittee shall submit, as applicable, a copy of the operation and maintenance documents (see sections 12.3 thru 12.3.3 of Volume I) as filed with the Department of State, Division of Corporations and a copy of any easement, plat, or deed restriction needed to operate or maintain the project, as recorded with the Clerk of the Court in the County in which the activity is located.

    2. Within 30 days of submittal of the as- built certification, the permittee shall submit "Request for Transfer of Environmental Resource Permit to the Perpetual Operation Entity" [Form 62-330.310(2)] to transfer the permit to the operation and maintenance entity, along with the documentation requested in the form. If available, an Agency website that fulfills this transfer requirement may be used in lieu of the form.

8. The permittee shall notify the District in writing of changes required by any other regulatory District that require changes to the permitted activity, and any required modification of this permit must be obtained prior to implementing the changes.

9. This permit does not:

    1. Convey to the permittee any property rights or privileges, or any other rights or privileges other than those specified herein or in Chapter 62-330, F.A.C.;

    2. Convey to the permittee or create in the permittee any interest in real property;

    3. Relieve the permittee from the need to obtain and comply with any other required federal, state, and local authorization, law, rule, or ordinance; or

    4. Authorize any entrance upon or work on property that is not owned, held in easement, or controlled by the permittee.

10. Prior to conducting any activities on state-owned submerged lands or other lands of the state, title to which is vested in the Board of Trustees of the Internal Improvement Trust Fund, the permittee must receive all necessary approvals and authorizations under Chapters 253 and 258, F.S. Written authorization that requires formal execution by the Board of Trustees of the Internal Improvement Trust Fund shall not be considered received until it has been fully executed.

11. The permittee shall hold and save the District harmless from any and all damages, claims, or liabilities that may arise by reason of the construction, alteration, operation, maintenance, removal, abandonment or use of any project authorized by the permit.

12. The permittee shall notify the District in writing:

    1. Immediately if any previously submitted information is discovered to be inaccurate; and

    2. Within 30 days of any conveyance or division of ownership or control of the property or the system, other than conveyance via a long-term lease, and the new owner shall request transfer of the permit in accordance with Rule 62-330.340, F.A.C. This does not apply to the sale of lots or units in residential or commercial subdivisions or condominiums where the stormwater management system has been completed and converted to the operation phase.

13. Upon reasonable notice to the permittee, District staff with proper identification shall have permission to enter, inspect, sample and test the project or activities to ensure conformity with the plans and specifications authorized in the permit.

14. If any prehistoric or historic artifacts, such as pottery or ceramics, stone tools or metal implements, dugout canoes, or any other physical remains that could be associated with Native American cultures, or early colonial or American settlement are encountered at any time within the project site area, work involving subsurface disturbance in the immediate vicinity of such discoveries shall cease. The permittee or other designee shall contact the Florida Department of State, Division of Historical Resources, Compliance and Review Section, at (850) 245-6333 or (800) 847-7278, as well as the appropriate permitting agency office. Such subsurface work shall not resume without verbal or written authorization from the Division of Historical Resources. If unmarked human remains are encountered, all work shall stop immediately and notification shall be provided in accordance with Section 872.05, F.S.

15. Any delineation of the extent of a wetland or other surface water submitted as part of the permit application, including plans or other supporting documentation, shall not be considered binding unless a specific condition of this permit or a formal determination under Rule 62-330.201, F.A.C., provides otherwise.

16. The permittee shall provide routine maintenance of all components of the stormwater management system to remove trapped sediments and debris. Removed materials

shall be disposed of in a landfill or other uplands in a manner that does not require a permit under Chapter 62-330, F.A.C., or cause violations of state water quality standards.

17. This permit is issued based on the applicant's submitted information that reasonably demonstrates that adverse water resource-related impacts will not be caused by the completed permit activity. If any adverse impacts result, the District will require the permittee to eliminate the cause, obtain any necessary permit modification, and take any necessary corrective actions to resolve the adverse impacts.

18. A Recorded Notice of Environmental Resource Permit may be recorded in the county public records in accordance with Rule 62-330.090(7), F.A.C. Such notice is not an encumbrance upon the property.

19. Operation and maintenance of the surface water management system shall be the responsibility of the permittee until such time as those responsibilities are transferred to the approved association. Prior to the association assuming operation and maintenance responsibilities, permittee shall request transfer to operation and maintenance entity.

20. Prior to a dedication or transfer of all or any part of the common properties which is directly or indirectly related to the surface water management system, the dedication or approval of the transfer must be authorized by the District through modification of any and all permits or authorizations issued by the District. Such modifications shall be made under the lawfully adopted rules of the District in effect at the time of application for modification.

21. Permittee shall submit to the District within 30 days of issuance of permit, proof that the Articles of Incorporation have been filed with the Secretary of State and that the corporation is in good standing.

22. Permittee shall submit to the District within 30 days of issuance of permit, proof that all surface water management systems are located on the common areas and that the common areas are owned or controlled by the homeowner's association.

23. Prior to the sale of any lot or parcel, the permittee must record Declarations of Covenants and Restrictions which include a restriction on the real property pursuant to section 704.06, F.S.; prohibiting all construction including clearing, dredging, or filling, except that which is specifically authorized by Environmental Resource permit, within the conservation areas delineated on the final plans and/or mitigation proposal approved by the District.

24. Prior to the Permittee seeking to transfer the operation and maintenance to a Homeowner's Association, the Permittee must demonstrate to the reasonable satisfaction of the Suwannee River Water Management District that over twenty-four (24) consecutive months have passed since the active operation of the Homeowner's Association commenced and the Permittee shall demonstrate to the Suwannee River Water Management District's satisfaction that the Homeowner's Association is an active, ongoing concern which the Permittee shall establish by

submitting copies of all minutes of meetings of members of the Association, the board of directors, copies of all operation and maintenance expenses incurred and documentation showing that all assessments that were levied have been collected and such other documentation as the Suwannee River Water Management District may reasonably deem necessary to establish that the Homeowner's Association is an active, functioning and ongoing concern.

25. The permittee shall include the finished floor elevations for the lots and the wetland delineation lines on the final subdivision plat and shall submit a copy of the final, approved plat to the District following recordation.

26. This permit does not authorize the permittee to cause any adverse impact to or "take" of state listed species and other regulated species of fish and wildlife. Compliance with state laws regulating the take of fish and wildlife is the responsibility of the owner or applicant associated with this project. Please refer to Chapter 68A-27 of the Florida Administrative Code for definitions of "take" and a list of fish and wildlife species. If listed species are observed onsite, FWC staff are available to provide decision support information or assist in obtaining the appropriate FWC permits. Most marine endangered and threatened species are statutorily protected and a "take" permit cannot be issued. Requests for further information or review can be sent to FWCConservationPlanningServices@MyFWC.com.

WITHIN 30 DAYS AFTER COMPLETION OF THE PROJECT, THE PERMITTEE SHALL NOTIFY THE DISTRICT, IN WRITING, THAT THE FACILITIES ARE COMPLETE.

NOTICE OF RIGHTS

1. A person whose substantial interests are or may be determined has the right to request an administrative hearing by filing a written petition with the Suwannee River Water Management District (District), or may choose to pursue mediation as an alternative remedy under Section 120.569 and 120.573, Florida Statutes, (F.S.), before the deadline for filing a petition. Choosing mediation will not adversely affect the right to a hearing if mediation does not result in a settlement. The procedures for pursuing mediation are set forth in Sections 120.569 and 120.57 F.S. Pursuant to Rule 28-106.111, Florida Administrative Code, (F.A.C.), the petition must be filed at the office of the District Clerk at District Headquarters, 9225 C.R. 49, Live Oak, Florida 32060 within twenty-one (21) days of receipt of written notice of the decision or within twenty-one (21) days of newspaper publication of the notice of District decision (for those persons to whom the District does not mail actual notice). A petition must comply with Chapter 28-106, F.A.C.

2. If the Governing Board takes action which substantially differs from the notice of District decision to grant or deny the pe1mit application, a person whose substantial interests are or may be determined has the right to request an administrative hearing or may choose to pursue mediation as an alternative remedy as described above. Pursuant to Rule 28-106.111, F.A.C., the petition must be filed at the office of the District Clerk at District Headquarters, 9225 C.R. 49, Live Oak, Florida 32060 within twenty-one (21) days of receipt of written notice of the decision or within twenty-one (21) days of newspaper publication of the notice of District decision (for those persons to whom the District does not mail actual notice). Such a petition must comply with Chapter 28-106, F.A.C.

3. A substantially interested person has the right to a formal administrative hearing pursuant to Section 120.569 and 120.57(1), F.S., where there is a dispute between the District and the party regarding an issue of material fact. A petition for formal hearing must comply with the requirements set forth in Rule 28-106.201, F.A.C.

4. A substantially interested person has the right to an informal hearing pursuant to Section 120.569 and 120.57(2), F.S., where no material facts are in dispute. A petition for an informal hearing must comply with the requirements set forth in Rule 28-106.301, F.A.C.

5. A petition for an administrative hearing is deemed filed upon receipt of the petition by the Office of the District Clerk at the District Headquarters in Live Oak, Florida.

6. Failure to file a petition for an administrative hearing within the requisite time frame shall constitute a waiver of the right to an administrative hearing pursuant to Rule 28-106.111, F.A.C.

7. The right to an administrative hearing and the relevant procedures to be followed is governed by Chapter 120, Florida Statutes, and Chapter 28-106, F.A.C.

8. Pursuant to Section 120.68, F.S., a person who is adversely affected by final District action may seek review of the action in the District Court of Appeal by filing a notice of appeal pursuant to the Florida Rules of Appellate Procedure, within 30 days of the rendering of the final District action.

9. A party to the proceeding before the District who claims that a District order is inconsistent with the provisions and purposes of Chapter 3 73, F. S., may seek review of the order pursuant to Section 373.114, F.S., by the Florida Land and Water Adjudicatory Commission, by filing a

request for review with the Commission and serving a copy of the Department of Environmental Protection and any person named in the order within 20 days of adoption of a rule or the rendering of the District order.

10. For appeals to the District Courts of Appeal, a District action is considered rendered after it is signed on behalf of the District, and is filed by the District Clerk.

11. Failure to observe the relevant time frames for filing a petition for judicial review, or for Commission review, will result in waiver of the right to review.

NOTICING INFORMATION

Dear Permittee:

Please be advised that the Suwannee River Water Management District (District) has not published a notice in the newspaper advising the public that it has issued a permit for this project.

Newspaper publication, using the District's form, notifies members of the public of their right to challenge the issuance of the permit. If proper notice is given by newspaper publication, then there is a 21-day time limit to file a petition challenging the issuance of the permit.

To close the point of entry for filing a petition, you may publish (at your own expense) a onetime notice of the District's decision in a newspaper of general circulation within the affected area as defined in Section 50.011 of the Florida Statutes. If you do not publish a newspaper notice, the time to challenge the issuance of your permit will not expire.

A copy of the notice and a partial list of newspapers of general circulation are attached for your convenience. However, you are not limited to those listed newspapers. If you choose to close the point of entry and the notice is published, the newspaper will return to you an affidavit as proof of publication. In accordance with 40B-1.1010(4), F.A.C., a copy of the affidavit shall be provided to the District within 14 days of publication. A scanned copy of the affidavit may be forwarded to Tilda Musgrove by email at *tjm@srwmd.org* (preferred method) or send the original affidavit of publication to:

Tilda Musgrove
Resource Management

NOTICE OF AGENCY ACTION TAKEN BY THE
SUWANNEE RIVER WATER MANAGEMENT DISTRICT

Notice is given that the following permit was issued on _____:
(Name and address of applicant)_____
permit#_____. The project is located in _____County, Section _____, Township _____ South, Range _____ East. The permit authorizes a surface water management system on _____ acres for _____ known as _____. The receiving water body is _____.
A person whose substantial interests are or may be affected has the right to request an administrative hearing by filing a written petition with the Suwannee River Water Management District (District). Pursuant to Chapter 28-106 and Rule 40BB-1.1010, Florida Administrative Code (F.A.C.), the petition must be filed (received) either by delivery at the office of the Resource Management Business Resource Specialist at District Headquarters, 9225 CR 49, Live Oak FL 32060 or by e-mail to tjm@srwmd.org, within twenty-one (21) days of newspaper publication of the notice of intended District decision (for those persons to whom the District does not mail or email actual notice). A petition must comply with Sections 120.54(5)(b)4. and 120.569(2)(c), Florida Statutes (F.S.), and Chapter 28106, F.A.C. The District will not accept a petition sent by facsimile (fax). Mediation pursuant to Section 120.573, F.S., is not available.

A petition for an administrative hearing is deemed filed upon receipt of the complete petition by the District Clerk at the District Headquarters in Live Oak, FL during the District's regular business hours. The District's regular business hours are 8 a.m. – 5 p.m., excluding weekends and District holidays. Petitions received by the District Clerk after the District's regular business hours shall be deemed filed as of 8 a.m. on the next regular District business day.

The right to an administrative hearing and the relevant procedures to be followed are governed by Chapter 120, Florida Statutes, Chapter 28-106, Florida Administrative Code, and Rule 40B-1.1010, Florida Administrative Code. Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means the District's final action may be different from the position taken by it in this notice. **Failure to file a petition for an administrative hearing within the requisite time frame shall constitute a waiver of the right to an administrative hearing. (Rule 28-106.111, F.A.C.).**

If you wish to do so, you may request the Notice of Rights for this permit by contacting the Business Resource Specialist in the Division of Resource Management (RM), 9225 CR 49, Live Oak, FL 32060, or by phone at 386.362.1001.

SUBDIVIDERS AGREEMENT FOR BRIARWOOD PHASE 2 AND PHASE 3

This SUBDIVIDERS AGREEMENT for Briarwood Phase 2 and Phase 3 (the "Agreement") is made this _____ day of _____, 2022.

BETWEEN

DEVELOPER: Troon Creek, LLC,
a Florida Limited Liability Company ("Developer")
Whose address is:
643 Egret Place Drive
Winter Garden, FL 34787

AND

CITY: CITY OF ALACHUA, a municipality in Alachua County, FL ("City")

RECITALS:

WHEREAS, the DEVELOPER is developing a residential subdivision in the City known as Briarwood Phase 2 and Phase 3 (the "Project"), legally described in attached Exhibit "A" (the "Property" or "Land") and further described in the Plat for Briarwood Phase 2 and Phase 3 as set forth in Plat Book _____ page _____ of the Public Records of Alachua County (the "Plat"), a copy of which is attached hereto as Exhibit "B";

WHEREAS, the Property or Land which is described in the Plat for the Project is owned by Troon Creek, LLC, a Florida Limited Liability Company, whose mailing address is: 405 Cinnamon Oak Court, Lake Mary, FL 32746;

WHEREAS, the Developer wishes to enter into a Subdividers Agreement with City as part of the City's site specific regulations for applications for development orders for the subdivision of land as further set forth and required in Section 2.4.10(G)(4) of the City's Land Development Regulations (the "LDRs");

WHEREAS, the Developer acknowledges that this Agreement is a valid exercise of the City's police powers and it is authorized by, among other things, Article VIII, Section 2(b) of the Florida Constitution, Section 163.3161, *et. seq.,* Fla. Stat., Section 163.3202, Fla. Stat., and Section 166.201 Fla. Stat.;

WHEREAS, the Developer acknowledges that this Agreement is governed by the City's LDRs and, as such, the Developer must utilize the administrative procedures contained in the LDRs in the event there is any dispute regarding or in any way arising out of this Agreement; and

WHEREAS, the Developer acknowledges that this Agreement is a regulatory agreement required as part of the process for the issuance of Development permits for the Project and, as such, Developer shall not have and waives any claim for monetary damages against the City in the event of any dispute regarding or in any way arising out of this Agreement.

NOW THEREFORE, in consideration of the foregoing recitals, the Developer and City hereby agree to and specify the following:

1. **Recitals:** The above information and recitals are true and correct and are incorporated as material terms of this Agreement by reference.

2. **Certificate of Concurrency Compliance:** The City agrees to reserve public facilities for the Project as set forth in the Certificate of Concurrency Compliance attached hereto as Exhibit "C" and incorporated herein by reference.

3. **Construction:** The Developer shall construct, at Developer's sole expense, the public and private improvements [including, but not limited to, roadways, streetlights, water facilities, wastewater facilities, electric system facilities, right of ways, easements, stormwater conveyance systems, and drainage facilities as reflected on the Plat which will be recorded for the Project (the "Improvements")], for the Project according to the specifications for MAJOR SUBDIVISIONS as set forth in the City's LDRs and in accordance with the design documents, including, but not limited to the Construction Plans prepared by the Developer's design engineer (the "Plans"), which were filed with the City by the Developer, and have been reviewed and approved by the City in accordance with the LDRs. Developer agrees to proceed with the construction of the Improvements for the Project, with the exception of the sidewalks depicted on the Construction Plans which sidewalks abut or are immediately adjacent to a residential house lots depicted on the Plat (herein referred as "House Sidewalk" or "House Sidewalks" which are further addressed in paragraph 15 below), in a diligent manner, and Developer shall complete these Improvements on or before September 28, 2023. Developer will be accessing the Project through the Briarwood Phase 1 Subdivision. Developer shall be responsible for any damages caused in or to the Briarwood Phase 1 Subdivision by any of the construction vehicles or equipment utilized on or in conjunction with the construction in the Project. In the event the City's Public Services Director, in his sole discretion, determines such damages have been sustained, he shall provide the Developer written notice of the damages with a time frame in which the Developer shall cure the damages. The failure of the Developer to timely cure the damages shall be a default under this Agreement and the City shall be able to make a claim for payment for the correction of damages under the Common Law Performance Bond referenced in paragraph 9 below.

4. **Drainage:** Drainage facilities for the Property shall be maintained in accordance with the approved Plans for the Project at the sole expense of the Developer.

5. **Fire Flow:** The Developer specifically acknowledges that future development and buildings constructed within the Project shall comply with the fire flow standards as set forth in the Florida Fire Prevention Code (the "FFPC"), which is adopted as part of the Florida Building Code (the "FBC"), as amended and effective at the time of such future development. It is the Developer's sole responsibility to comply with these fire flow standards. Nothing in this Agreement, including, but not limited to, the Plans and or the Certificate of Concurrency Compliance for the Project, attached hereto as Exhibit "C" in any way impacts or waives the requirement for future development and buildings within the Project from complying with the FFPC and FBC, as amended and effective at the time of such future development.

6. **Conveyance:** The Developer shall convey all of the required public Improvements to the City, however, the parties agree that the public Improvements shall not be accepted by the City until the public Improvements have been completed, approved by the City, a one-year warranty period as described below has concluded, and the City Commission of the City of Alachua (the "Commission") officially accepts the Improvements. Acceptance of the House Sidewalks shall be as set forth in paragraph 15 below.

7. **Compliance:** The Developer warrants that it will construct all of the Improvements in accordance with the approved Plans and Plat for the Project, City's LDRs, and all applicable regulations, ordinances, laws, rules and the terms of this Agreement.

8. **Recording:** The Plat for the Project shall be recorded by the Developer in the Public Records of Alachua County, Florida, immediately after its approval by the Commission. The Developer shall record the Plat and provide the City with a certified copy of the recorded Plat within one (1) business day of the recording of the Plat. The City shall record this Agreement within five (5) business days of receiving the certified copy of the recorded Plat. The Developer shall pay all costs associated with the recording of this Agreement.

9. **Surety Devices:** With the exception of the construction of the House Sidewalks, and in order to comply with Sections 2.4.10(G)(4), 6.10.2, and 7.4.1 of the LDRs, the Developer further warrants and agrees, as follows:

    a. Upon the approval of this Agreement and prior to the recordation of the Plat for the Project, Developer shall provide the City with a Common Law Performance Bond ("Bond") in a form acceptable to the City in the amount of $5,703,808.01 (120% of the $4,753,173.34 estimated construction costs as set forth in the Certification in attached Exhibit "D") as the surety instrument and guarantee of the satisfactory construction of all of the Improvements required for the Project in accordance with this Agreement. This Bond shall remain in full force and effect unit the terms of this Agreement have been fulfilled.
    b. Upon Developer's timely and satisfactory completion of the Improvements and the City's approval (but not acceptance) of these Improvements, and the Developer providing an acceptable maintenance surety instrument to the City in the amount of 10 percent of the certified value of the complete Improvements (approximately

$475,371.33 as set forth in the Certification in attached Exhibit "D"), the City will return the original $5,703,808.01 Common Law Performance Bond to the Developer, less any reductions requested by the City for the completion of any Improvements.

10. **Inspections:** Upon the City's approval of the Plans, the Plat, and the Developer's compliance with the terms of this Agreement, including surety instruments, the Developer may commence construction of the Improvements. Construction shall be completed on or before September 28, 2023 (with the exception of House Sidewalks – see paragraph 15 below). During the construction period, the Project's Engineer of Record, or Professional Engineer with a Professional Engineering Services Agreement with the City of Alachua, shall perform Construction Inspection Services (CIS) and shall prepare and provide to the City inspection reports at the following benchmarks:

    a. Inspection of Underground Stormwater System: at beginning of process; during 2 pipe laying activities; during 3 random backfilling operations; and inspection of the completed system by visual and TV camera.
    b. Inspections of sewer system: at the beginning of work; during 3 random manhole placements; 3 random pipe placements; 3 backfilling operations; and inspection of the completed system with TV camera.
    c. Inspection of water system: at the beginning of work; during all taps or city connections; 3 random pipe placements; 3 backfilling operations; and inspection of the completed system including disinfection and pressure testing.
    d. Inspection of the electrical conduit: at the beginning of work; during all city connections; 3 random pipe placements, 3 backfilling operations; and inspection of completed system.
    e. Inspection of Stormwater Management basin: at the rough grade stage, outfall placement; final grassing and inspection of completed system.
    f. Inspection of pavement: at sub grade of all roads for line and grade and yielding; lime rock base for placement and finish; asphalt inspections at the beginning of operations; at least 3 random quality control checks during placement, asphalt inspection; and inspection of completed pavement. If necessary, a thin asphalt coat shall be added to any areas of the streets in order to provide a smooth graded finish, in particular, around curbs.

    The Project's Engineer of Record or the Professional Engineer performing CIS shall submit the inspection reports to the City. The inspection reports shall show any discrepancies and shall note the correction of each discrepancy in a subsequent report. The Developer shall provide each inspection report to the City's Public Services Department with a copy to the City's Department of Planning and Community Development within three (3) business days of each inspection. City may, in its sole discretion, demand in writing the immediate correction of any discrepancies contained on any of the inspection reports within a reasonable period set forth in the written demand. If the correction is not completed in the timeframe in the demand, the City is authorized to make a demand on the Common Law Surety Bond for the amount needed in order to correct the discrepancy.

Upon completion of the Improvements, the Developer shall have the Project's Engineer of Record, or the Professional Engineer performing the CIS conduct a final inspection and compile a final punch list. Upon the Project's Engineer of Record or the Professional Engineer performing the CIS providing a final report to the Developer and the City indicating that all of the deficiencies noted in any inspection report and on the final punch list have been completed and the Improvements are in working order and in accordance with the Plans and LDRs, the LDR Administrator or designee shall thereafter perform a final inspection and provide a list specifying all defects, deficiencies, and necessary repairs to the Developer within 60 days of receipt of the final report. Upon completion of any and all repairs and a certification by the Project's Engineer of Record or the Professional Engineer performing the CIS that the Improvements have been completed in accordance with the requirements of this Agreement, the Plans, and the LDRs, the Project's Engineer of Record or the Professional Engineer performing the CIS shall submit a certified cost of construction for the completed Improvements. The Developer shall then provide a Common Law Performance Bond in the amount of 10% of the certified cost of construction as the one-year maintenance surety to the City as set forth in Paragraphs 9.b. above.

11. **No Final Inspections or Occupancy**: In the event the Developer conveys any interest, legal or equitable, to any property in the Project, notice hereby given to the Developer that the City shall not conduct a final inspection on any house nor will the City provide permanent City utility services to any house in the Project until the Improvements required in this Agreement have been completed and approved in accordance with this Agreement. The Developer is responsible for the repair of any Improvements damaged as a result of the construction of any single-family homes. Developer agrees that there is no reasonable business backed expectation that any purchasers of lots or houses will be able to occupy or inhabit houses in the Project until this approval of the Improvements has occurred.

12. **Warranty Period:** The Developer warrants all Improvements for the Project for a period of one year from the City's approval, other than routine maintenance. Should the City, in the City's sole discretion, deem repairs are needed to the Improvements, the City shall provide notice to the Developer and the repairs shall be made within thirty (30) days of written notice. In the event the Project's Engineer of Record determines that a requested repair will take more than thirty days to complete, the repair shall be completed in the amount of time determined in the sole discretion of the City's Public Services Director. The Developer shall be responsible for making all repairs so long as notice is sent or delivered to the Developer within the one-year warranty period. The warranty period shall be automatically extended until the completion of all requested repairs. If the Developer does not complete the repairs within thirty days from the notice, it shall constitute a breach of this Agreement.

13. **Inspections Following Warranty Period:** After the warranty period, the Developer shall submit a final certification prepared by the Developer's Engineer of Record that all of the Improvements have been completed and constructed in accordance with the plans and applicable regulations and are functional and in good working order. The installation of the public Improvements shall in no case bind the City to accept the public Improvements for public maintenance or operation until the Public Services

Director has approved that the Improvements to be constructed in accordance with the LDRs, the City of Alachua Requirements for Design and Construction, applicable Florida Department of Transportation standards, and all other applicable requirements and regulations and the Commission has accepted the public Improvements. Within 60 days of the Public Services Director's approval, the Commission will formally accept maintenance of the public Improvements and release the Maintenance Common Law Performance Bond. The maintenance of the stormwater management system shall be the responsibility of the Developer and its successors.

14. **Maintenance of Landscape Improvements within City Rights-of-Way:** The Developer agrees to construct, install and maintain all landscape improvements located within the right-of-way as shown in the approved Construction Plans for the Project at its sole cost and expense. Should the developer or successor fail to install or maintain the landscape improvements in accordance with the approved Construction Plans, the City may provide written notice to the Developer or its successor, specifying the nature of the deficiency. Within 30 days following receipt of such notice, the Developer or successor homeowner's association shall cause the appropriate repairs or cure to be effected. In the event damage or failure to maintain results in a situation where public safety is at risk, the City may, in its sole discretion, effect repairs to the Improvements without the need of prior notice to the Developer or its successor. The City will promptly bill the Developer, its successors or assigns. If the bill is not paid within 30 days, it shall be a default hereunder and the City shall have the right, but not the obligation, to make a claim under the Bond.

15. **Construction, Installation, and Surety Devices for House Sidewalks:** The Construction, deadlines and surety devices for the House Sidewalks shall be as follows:

    a. Construction Deadline: The developer shall complete the construction and installation of the House Sidewalks in accordance with the Plans and attached Exhibit E. The construction of all of the House Sidewalks shall be completed on or before September 28, 2024. If Developer has not completed all of the House Sidewalks by September 28, 2024, the City shall have the right, but not the obligation, to make a demand on the House Sidewalks Common Law Performance Bond describing in paragraph b. below, for completing as many of the remaining sidewalks as possible with this money. The City shall not, however, have any obligation to expend any money other than the proceeds from the House Sidewalk Common Law Performance Bond to construct sidewalks in the Project.
    b. Surety Devices: In order to comply with Sections 2.4.10(G)(4), 6.10.2, and 7.4.1 of the LDRs, the Developer shall provide the City with a Common Law Performance Bond, in a form acceptable to the City, as the surety instrument to guarantee the satisfactory completion of the House Sidewalks as required in this Agreement. The amount of the House Sidewalk Common Law Performance Bond shall be $245,875.08 ($204,895.90 x 120% of the certified estimated cost of completion in attached Exhibit E). Upon the satisfactory completion and inspection of the House Sidewalks, but not the acceptance, the Developer shall provide the

City with a Maintenance House Sidewalk Common Law Performance Bond in the amount of $20,489.59 ($204,895.90 x 10%) for the one-year maintenance period. The City will then release and return the House Sidewalk Common Law Performance Bond.

c. Final Approval and Acceptance: Within one year of the completion of all of the House Sidewalks, the City's Public Services Department will do a final inspection and notify the Developer in writing of any deficiencies, in the City's sole discretion. The Developer shall have 30 days to cure these deficiencies. If the Developer does not cure these deficiencies within 30 days, the City shall be authorized to have the work done and make a demand on the House Sidewalks Maintenance Common Law Performance Bond to pay for the remedial work. Once the remedial work is complete, the House Sidewalks will be submitted to the Commission for acceptance. After the Commission's acceptance of the House Sidewalks, the House Sidewalks Maintenance Common Law Performance Bond will be released and returned to the Developer.

d. The Developer shall have complete and exclusive liability for all claims and shall indemnify the City for all claims, including but not limited to claims for bodily injury and damages, in any way related to or arising out of the construction, completion or non-completion of the House Sidewalks undertaken by the Developer until the Commission has officially accepted the House Sidewalks.

16. **Non-Interest-Bearing Account:** All cash deposits made by Developer to the City under this Agreement shall be separately segregated on the books of the City and deposited into a non-interest-bearing bank account.

17. **No Inordinate Burden on Land:** The Developer further agrees that the requirements under this Agreement in no way inordinately burdens any existing use of the Land or vested right to specific use of the Land described in Exhibit "A" and set forth in the Plat to be recorded for the Project, attached hereto as Exhibit "B".

18. **Withholding Permits:** The City may, in its sole discretion, withhold any and all inspections, permits, and/or certificates for the Project if such action is deemed necessary by the City to secure the Developer's compliance with the terms of this Agreement.

19. **Compliance with Other Laws:** Nothing contained in this Agreement shall relieve the Developer or its successor or assigns from obtaining any local, regional, state or federal permits or complying with any ordinances, laws, rules, or regulations applicable to the development of the Project.

20. **Police Powers:** In the event the Developer, the Developer's agents, contractor, subcontractors, or anyone else acting on behalf of the Developer or the Developer's contractor or subcontractors may be liable or responsible, fails to comply with any applicable ordinance, law, rule or regulation and such failure tends to or does pose an imminent threat or danger to life or of great bodily injury to any person working on the

job or to any member of the general public, the City, in its sole discretion through its City Manager or designee, has the right to exercise its police powers and to stop work on the Project until appropriate corrective measures are taken, without limiting any other remedies available to the City.

21. **Indemnity:** The Developer shall indemnify and hold harmless the City of Alachua, its officers, agents, employees, attorneys, or anyone's action directly or indirectly on behalf of the City, from and against all claims, damages, losses, and expenses, including reasonable attorney's fees, arising out of or resulting from a loss in performance of work, down-time of equipment, or any claim that may arise from bodily injury, sickness, disease or death, or the injury to or destruction of tangible property, including the loss of use resulting therefrom, caused in whole or in part by a negligent or wrongful act or omission on the part of the Developer, Developer's agent, contractor, subcontractors, or anyone directly or indirectly employed or working on behalf of the Developer for whose acts the Developer or its agent, contractors, or subcontractors may be liable or responsible. The Developer further agrees that the Developer shall not insulate itself from liability or responsibility to the City for a default in or failure to perform any of the terms of this Agreement, or from responsibility under this indemnification clause by employment of independent contractors or subcontractors or other entities. The Developer shall remain liable to the City notwithstanding any attempt by the Developer to pass any responsibility set forth herein to its contract, subcontractors, or other agent or employee.

22. **Payments:** Any payments due from the Developer to the City shall be made either by bank check or cashier's check payable to the City of Alachua, Florida, and provided to the City at the address in Paragraph 25 below.

23. **Agreement Runs with Land:** This Agreement shall be recorded in the Public Records of Alachua County, Florida and shall run with the Land.

24. **Default by Developer:** Should Developer fail to complete the Improvements in accordance with this Agreement, the City shall be entitled to make immediate demand on any Common Law Performance Bond provided by Developer hereunder, and also be entitled to any other remedies allowed by law. The City's rights to declare a default are cumulative and the City's failure to declare a default at any time shall not waive its right to declare a future default.

25. **Notices:** Except as otherwise provided in this Agreement, any notice, request, or approval, from either party to the other party must be in writing and sent by certified mail, return receipt requested, or by personal delivery. Such notice will be deemed to have been received when either deposited in the United States Postal Service mailbox or personally delivered with a signed proof of delivery. For purposes of notice, the parties and their respective representatives and addresses are:

Developer/Owners: *Via USPS or* *Hand Delivery:*	Troon Creek, LLC 643 Egret Place Dr. Winter Garden, FL 34787

26. **Binding Effect:** The City and Developer each bind the other and their respective successors and assigns to all of the terms, conditions, covenants and provisions of this Agreement.

27. **Severability:** If any provision of this Agreement is declared void by a court of law, all other provisions will remain in full force and effect.

28. **Not Assignable Without Approval:** This Agreement shall not be assignable by the Developer without the written approval of the Commission.

29. **Enforcement:** The failure of either City or Developer to exercise any right under this Agreement shall not waive such right in the event of any future default or non-compliance with this Agreement.

30. **Jurisdiction and Venue:** This Agreement is governed in accordance with the laws of the State of Florida. Venue for any action regarding this Agreement shall be in the Circuit Court in Alachua County, Florida.

31. **Amendment:** This Agreement may only be amended by mutual written agreement by the City and the Developer with prior approval of the Commission.

32. **Legal Advice:** The Developer and the City have each had the advice of their respective attorneys before entering into this Agreement, including all exhibits hereto.

33. **Joint Preparation:** This Agreement has been drafted with participation of the City and the Developer and shall not be construed against either the City or Developer on account of draftsmanship.

34. **Captions and Headings:** Paragraph headings are for convenience only and shall not be used to construe or interpret this Agreement.

35. **Time of Essence:** Time is of the essence in complying with each and every term and condition of this Agreement.

36. **Entire Agreement:** This Agreement constitutes the entire agreement of the City and the Developer and supersedes all prior written or oral agreements, understanding or representations.

37. **Exclusive Remedy:** In the event of any question or dispute arising out of or related to this Agreement, the sole and exclusive remedy of the Developer against the City, after Developer exhausts all administrative remedies in the City's LDRs, shall be an action for declaratory judgment. Developer specifically waives all other remedies it may have against the City. In no event shall Developer have a cause of action for monetary damages against the City for anything in any way related to or arising out of this Agreement.

38. **Sovereign Immunity:** The City does not waive its sovereign immunity in entering into this Agreement. Nothing herein, expressed or implied, waives or should be construed to be a waiver or an attempt to waive the sovereign immunity of the City under the Florida Constitution and the laws of the State of Florida.

39. **No Future Representations**: The City's approval of this Subdividers Agreement for Briarwood Phase 2 and Phase 3 does not in any way imply, represent, require or guarantee that the City will approve the application for any other phase of the development of Briarwood.

IN WITNESS WHEREOF, City and Developer have hereunto set their hands and seals the day and year first above written.

CERTIFICATE OF CONCURRENCY COMPLIANCE FOR BRIARWOOD PHASE 2 AND PHASE 3

This Certificate of Concurrency Compliance ("Certificate") is hereby issued to Troon Creek, LLC, a Florida Limited Liability Company authorizes to transact business in the State of Florida and ("Developer/Owner") by City of Alachua, Florida ("City") this ___ day of _____, 2022.

RECITALS

WHEREAS, the Developer/Owner is developing a residential subdivision in the CITY known as Briarwood Phase 2 and Phase 3 (the "Project"), legally described in attached Exhibit '1'.

WHEREAS, the Developer/Owner has secured a Subdivider Regulatory Agreement for the Project from the City for the Project (herein "Subdivider Agreement") as part of the City's site specific requirements for applications for Development permits for the subdivision as further set forth in Section 2.4.10(G)(4) of the City's Land Development Regulations (the "LDRs");

WHEREAS, the LDRs provide in Article 2, Section 2.4.14 for the issuance of a Certificate of Concurrency Compliance by the City as to provide a mechanism for reviewing applications for development approval to ensure that no development order is issued unless there is adequate public facility capacity for roads, sanitary sewer, solid waste, stormwater management, potable water, recreation, or public school facilities. This review is part of a regulatory program of the City to ensure that the adopted level of service standard for each public facility is available to serve development concurrent with the impacts of development;

WHEREAS, Section 2.4.14, requires that a project have one or more of the following land development permits in order to be eligible for issuance of a Certificate of Concurrency Compliance;

WHEREAS, the Project is zoned Residential Single Family- 4 ("RSF-4");

WHEREAS, the Project has an approved preliminary plat approval for a residential subdivision for the Project;

WHEREAS, the Project is now ready to proceed to approval of a Final Plat comprised of 145 residential lots;

WHEREAS, the Developer/Owner intends to immediately initiate construction on the Project;

WHEREAS, the Developer/Owner of the Project agrees to submit payment for sewer connection fees as determined in the City's Capital Facilities charges and as set forth in Section

38-139 of the City of Alachua Code of Ordinances, as those fees exist prior to the final inspection of each residential unit;

WHEREAS, the Developer/Owner of the Project further agrees to submit payment for water connection fees as determined in the City's Capital Facilities charges and as set forth in Section 38-139 of the City of Alachua Code of Ordinances, as those fees exist prior to the final inspection of each residential unit; and

WHEREAS, the City has determined that adequate water and wastewater capacity exists to the Project;

WHEREAS, the Developer/Owner acknowledges that this Certificate of Concurrency Compliance is a valid exercise of the City's police powers and is authorized by, among other things, Article VIII, Section 2(b) of the Florida Constitution, Section 163.3161, *et. seq.,* Fla. Stat., Section 163.3202, Fla. Stat., and Section 166.201 Fla. Stat.;

WHEREAS, the Developer/Owner acknowledges that this Certificate of Concurrency Compliance is governed by the City's LDRs and, as such, the Developer/Owner must utilize the administrative procedures contained in the LDRs in the event there is any dispute regarding this Certificate; and

WHEREAS, the Developer/Owner acknowledges that this Certificate of Concurrency Compliance constitutes a regulatory agreement required as part of the process for the issuance of Development permits for the Project and, as such, Developer/Owner has no claim for monetary damages against the City in the event of any dispute regarding this Certificate, Developer/Owner's sole remedy for any dispute in any way relating to this Certificate is an action for declaratory relief, and nothing in this Certificate expressed or implied waives or should be construed to as a waiver or attempted waiver by the City of its sovereign immunity under the Florida Constitution and the laws of the State of Florida;

NOW THEREFORE, BASED UPON THE FOREGOING RECITALS, findings of fact and conclusion of law, the City issues this Certificate of Concurrency Compliance subject to the following conditions of issuance:

1. The above recitals are true and correct and are incorporated into this Certificate of Concurrency Compliance by reference.

2. The City will reserve 36,250 gallons per day (145 lots x 250 gallons per day) of wastewater capacity for the 145 units proposed in the Project. This capacity reservation is intended solely for residential uses to be constructed within the Project as defined by applicable development permits including, but not limited to construction plans and Subdivider Agreement, on file with the City.

3. The City will reserve 39,785 gallons per day (145 lots x 275 gallons per day) of water capacity for the 145 units proposed in the Project. This capacity reservation is intended solely for residential uses to be constructed within the Project as defined

by applicable development permits including, but not limited to construction plans and Subdivider Agreement, on file with the City.

4. The City will reserve the following trips of traffic capacity for the 145 units proposed in Briarwood Phase 2 and Phase 3 as defined by applicable development permits, including construction plans and subdividers agreement, on file with the City: 1,369 Average Annual Daily Trips ("AADT") and 144 Peak Hour Trips along CR 235- A (north of US Highway 441); 868 AADT and 91 Peak Hour Trips along US Highway 441(from I-75 to CR 235-A); 87 AADT and 9 Peak Hour Trips along US Highway 441 (from CR 235-A to NW 188th Street).

5. The City will reserve 1.81 acres (2.5 persons per household x 145 units x 5 acres per 1,000 persons) of recreation capacity for the 145 units proposed in Briarwood Phase 2 and Phase 3 as defined by applicable development permits, including but not limited to the construction plans and subdividers agreement, on file with the City.

6. The City will reserve 264.63 tons per year (0.73 tons per capita per year x 2.5 persons per household x 145 units) of solid waste capacity for the 145 units proposed in Briarwood Phase 2 and Phase 3 as defined by applicable development permits on file, including but not limited to, construction plans and subdividers agreement, on file with the City.

7. The City will reserve seventeen (17) student stations in the Alachua School Concurrency Service Area (ACSA) for elementary schools, nine (9) student stations in the Alachua SCSA for middle schools, and thirteen (13) student stations in the Alachua SCSA for high schools, for the 145 units proposed in Briarwood Phase 2 and Phase 3.

8. This Certificate of Concurrency Compliance shall remain in effect for a period of one (1) year from the date of the approval of the Subdivider Agreement between the parties hereto.

9. It is the intent of the City and Developer/Owner that this Certificate of Concurrency Compliance be incorporated into and considered a part of the Subdividers Regulatory Agreement executed by the Developer/Owner and City for the Project dated the ___ day of _____, 2022. Failure to comply with the term of that Subdivider Regulatory Agreement shall result in the termination of the reservations in this Certificate.

10. This Certificate of Concurrency Compliance shall not be construed to be an absolute guarantee for the reservations should events occur which are outside the control of the City.

THIS CERTIFICATE OF CONCURRENCY COMPLIANCE IS ISSUED this ____day of _____, 2022, and is subject to the terms and findings as stated herein.

Re: Briarwood, Phases 2 and 3

TITLE OPINION

Dear Sirs:

This is to certify that I have examined the public records of Alachua County, Florida, covering a period of time from the earliest public records up to and including September 2, 2022, as to the property described on the attached Exhibit A.

From such examination, it appears that the merchantable fee simple title to the above-described property is vested in TROON CREEK LLC, a Florida limited liability company, subject, however, to the following items:

1. **Liens, encumbrances, adverse claims or other matters, if any, first appearing in the public records or attaching subsequent to September 2, 2022.**

2. **All assessments and taxes for the year 2022 and all subsequent years.**

3. **Rights and interests of any parties in possession of the property, whose claims do not appear of record.**

4. **Any encroachments, easements, measurements, variation, in area or content, party walls, or other facts, which a correct survey of the premises would show.**

5. **Any action by any municipal or governmental agency thereto or hereafter taken for the purpose of regulating the use, occupancy, or zoning of the property or any building or structure thereon.**

6. **Any easement, or claims of easements, not shown by the public records.**

7. **Easement from Golden Pond Farms, Inc. to the City of Alachua as recorded in Official Record Book 4830, Page 1459 of the Public Records of Alachua County, Florida.**

8. **Easement from Golden Pond Farms, Inc. to the City of Alachua as recorded in Official Record Book 4830, Page 1465 of the Public Records of Alachua County, Florida.**

9. **Easement from Golden Pond Farms, Inc. to the City of Alachua as recorded in Official Record Book 4830, Page 1472 of the Public Records of Alachua County, Florida.**

10. **Lift Station parcel deeded to the City of Alachua in Official Record Book 4830, Page 1485.**

Sincerely,

Carl L. Johnson

JAG Program - Project Summary

Problem Identification (PID)

Instructions: The Problem Identification is a key element of any grant application. Responses in this section should describe the problem(s) to be addressed or solved with the funding in a clear, concise manner. Applicants may wish to consider and include relevant data (quantitative or qualitative) to support the issue identified. Applicants are strongly encouraged to use evidence-based practices in solving their identified problems. To search for evidence-based programs and practices, search https://crimesolutions.ojp.gov/.

PID1: Describe all hazards, risks, or concerns the funding will address.

Provide light for officers on patrol when either working night shift or buildings where there is no light or full light would not be tactically safe.

PID2: Describe why this project is a priority for the agency, county, and/or state.

Current gun light no longer supported by manufacturer. In order to meet needs of the department all lights must be replaced to adequately provide for patrol division.

PID3: Describe any existing resources or actions being used to address the problem(s). If it is a new problem, please identify how you plan to address the issue.

At present officers without newer gun lights are utilizing hand held flashilights. The mounted gun lights enhance officer manuever ability and is more in line with current industry standard.

Review the program area definitions attached below:

JAG Program Area definitions.pdf

PID4: Select the appropriate program area for this project.

- ◉ 01 - Law Enforcement
- ○ 02 - Crime Lab/Forensics
- ○ 03 - Crime Prevention
- ○ 04 - Prosecution
- ○ 05 - Public Defense
- ○ 06 - Courts
- ○ 07 - Corrections
- ○ 08 - Community Corrections
- ○ 09 - Reentry Services
- ○ 10 - Behavioral Health
- ○ 11 - Assessment/Evaluation
- ○ 12 - Crime Victim/Witness

PID5: Describe how the project aligns with the selected program area.

Lights are necessary for a variety of Law Enforcement functions, more specifically clearing buildings and dark or obscured areas.

Federal/State Priorities

Federal priorities are identified in the program solicitation, and Florida's JAG strategic plan can be accessed below:

JAG Strategic Plan

PID6: Does the project align with a federal priority, or a priority identified in Florida's JAG strategic plan?

◉ Yes
○ No

If yes, state which priority and briefly explain how this project addresses the identified priority.

Public Safety - Outfitting sworn personnel with these gun lights will directly impact operational activity. Gun lights assist in the operational activities faced daily by Law Enforcement.

PID7: Is the proposed project a continuation from the previous year?

◉ Yes
○ No

PID8: Describe the previous grant's funding source (including program, award number, and project period).

APD Light Holsters. 2022-JACG-ALAC, 2-4B-029, 10/01/2021 - 06/30/2022

PID9: Describe the progress and activities completed under the previous award.

Holsters that accomodated the new gun lights were deployed in the prior program year. There are still older gun lights that are no longer supported by the manufacturer and cannot be repaired. In order to outfit our remaining officers we need to replace the older gun lights.

PID10: Describe any issues, barriers, and/or delays under the previous award.

None were identified.

Scope of Work (SOW)

Instructions: The Scope of Work provides important details on the tasks and activities to be completed under the grant award. Applicants are strongly encouraged to review the OCJG Grant Writing Guide for more information related to the Scope of Work and project deliverables.

NOTE: Information in this section will be used by OCJG's assigned grant manager to write the contract deliverables to satisfy state contracting requirements identified in Section 215.971, Florida Statutes. It is important to provide clear responses to the questions below.

SOW1: Describe all major tasks and activities to be performed under the award.

Agency must detemine the number of obsolete gun lights that are in need of replacement. We will then begin procurement procedures as dictated by agency purchasing policies.

SOW2: Describe the expected outcome as a result of the tasks/activities identified in SOW1.

All remaining officers with obsolete gun lights will be provided with the newer lights secifically fitted for the holsters procured in prior year grant project.

SOW3: Describe who will benefit from the tasks, activities, and outcomes identified above.

The immediate benefit will be for the officers being outfitted with the new equipement. This in turn provides them with the necessary equipment to perform their duties and responsibilties for the agency, thus serving the community at large.

SOW4: Describe the entity (or entities) responsible for completing activities under this project.

The Alachua Police Department.

SOW5: Describe and/or provide the location of where project activities will be performed.

15000 NW 142nd Avenue

Alachua, Florida 32615

SOW6: Describe how the performance and completion of EACH identified task/activity will be verified.

An inventory will be conducted to determine how many of the new gun lights are needed, which will prompt agency's procuremnt process.

SOW7: Describe what source documentation will be maintained and provided to OCJG for payment requests for EACH activity identified above.

Copies of packing slips to verify quantity received, billing invoices, and remittance from organization for payment.

JAG Program - Spending Plan

Personnel

This category includes paying costs for salaries and overtime. This section should not include any fringe benefits.

Will you be using funds to support personnel costs?

- ○ Yes
- ◉ No

Fringe Benefits

This category includes costs associated with paying the fringe benefits associated with salaries and overtime costs above. This may include: FICA, Medicare, Retirement, Health Insurance, Life Insurance, Worker's Comp, etc.

Travel

This category includes costs associated with travel. NOTE: Registration fees do not go in the Travel Category; they should be reflected in the "Other Cost" category.

Will you be using grant funds to support travel costs?

- ○ Yes
- ◉ No

Equipment

This category includes costs for non-consumable items in excess of the organization's capital outlay threshold, or in the absence of an established threshold $5,000, that has a useful life of more than one year. This may include equipment that does not meet the preceeding criteria but is inventoried by the recipient organization.

Will you be using grant funds to purchase equipment?

- ◉ Yes
- ○ No

If yes, how much grant funding is being allocated to equipment costs?

$2,727.00

Briefly describe how each equipment item listed in the budget is necessary for the success of the project.

Providing gun lights for officers will enhance maneuver ability and would be tactically safe.

Briefly describe the procurement method that will be used for each type of equipment listed in the budget.

In accordance with department's purchasing policy and procedures, the purchase threshold for this project does not exceed this grant award, and the requested equipment for purchase does not fall under capital outlay. As a result, this will be a direct purchase from identified vendor that carries this specific gun light.

Does your organization have a written inventory policy/procedure?

- ◉ Yes
- ○ No (a condition may be applied to the award).

Upload your organization's inventory policy.

20220830131111704.pdf

Supplies

This category includes costs for small, consumable project supplies. These typically are below the organization's capital outlay threshold, have a useful life of less than a year, and/or are not inventoried on a regular schedule.

Will you be using grant funds to purchase supplies?

- ○ Yes
- ◉ No

Contractual Services

This category includes third-party agreements with a vendor, provider, consultant, etc. to assist in accomplishing the goals and objectives of the project.

There are two types of contractual relationships recognized under federal awards. For a visual flowchart of the two types and what is required for each, please see our "Understanding Contractual Services under Federal Awards" resource.

Will you be using funds to support third-party agreements (contractual services)?

- ○ Yes
- ◉ No

Other Costs

This category includes costs that do not fall into any other category. These items may include things such as rental agreements, utilities, subscriptions, training registrations, etc.

Will you be using grant funds to support other costs?

- ○ Yes
- ◉ No

Indirect Costs

Federal recipients may elect to use a portion of funding for indirect costs.

Will you be using grant funds to support indirect costs?

- ○ Yes
- ◉ No

JAG Program - Certifications & Forms

Required Forms/Certifications for All Applicants

Lobbying, Debarment, and Drug Free Workplace

All applicants are required to complete and submit the Lobbying, Debarment, and Drug Free Workplace Certification with each application submission.

Upload the completed certification below.

img20220831_09082347.pdf

Subrecipient Management Questionnaire

All applicants are required to complete and submit the Subrecipient Management Questionnaire (SMQ) form with their application. This form is used to help evaluate the applicant organization's existing internal controls related to the management of federal grant funds. FDLE will utilize this form as a "risk assessment" to determine the appropriate level of monitoring (desk or onsite) for the subaward.

Upload the completed SMQ form below.

City of Alachua SMQ.pdf

Upload additional attachments to accompany your completed SMQ.

Equal Employment Opportunity (EEO)

Civil Rights Training (*NEW*)

As a condition of the federal JAG award, FDLE requires applicants (and subrecipients) to complete a two part Civil Rights Training and provide copies of the training certificates upon request. To access the training, please visit our Civil Rights Training for Grantees webpage. At a minimum, the applicant grant manager must complete the training.

Have you completed the Civil Rights Training for Grantees modules?

- ○ Yes
- ◉ No (a condition will be added to award)

EEO Certification (EEOC)

All applicants are required to submit an EEO Certification (EEOC) annually.

FDLE strongly recommends the use of the OJP Office for Civil Rights, EEO Reporting Tool to complete this certification, especially for applicants who are required to prepare an EEO Plan (EEOP), or Utilization Report. However, in absence of using the EEO Reporting Tool, you may choose to submit the PDF certification with your application.

Upload completed EEO Certification below.

EEO.pdf

EEO Plan (EEOP)

Applicants with more than 50 employees who also receive a single award of $25,000 or more in funding from the U.S. Department of Justice (regardless of if it is passed through FDLE), must complete and submit their EEO Plan (EEOP), also known as a Utilization Report, to OJP's Office for Civil Rights.

This process must be completed using the EEO Reporting Tool. OJP's Office for Civil Rights has published an assistance tool to assist applicants with this process.

Does your organization have 50 employees or more?

- ◉ Yes
- ○ No

Does your organization receive a single award of $25,000 or more from any U.S. Department of Justice grant program?

- ○ Yes
- ◉ No

No Plan Required (Less than $25,000 in DOJ funding)

Based on your response, you are only required to submit the EEO Certification above. You may move to the next section.

Project Specific Certifications

Ballistic Vest Certification

Applicants proposing to use grant funds to procure ballistic vests must ensure the vests are American-made, ordered to fit the user, and are compliant with NIJ Ballistic/Stab Standards. In addition, applicants purchasing routine-duty body armor must complete the Ballistic Vests (Mandatory Wear) Certification with their application.

Is this application proposing to use grant funds for ballistic vests?

- ○ Yes
- ◉ No

Body Worn Camera Certification

Applicants proposing to use grant funds to procure body worn camera equipment and supplies must complete the Body Worn Camera Policy Certification with their application.

NOTE: Grant funds can only support licensing, storage, and warranties during the grant period. If these costs extend past the grant period they will be pro-rated from the date of purchase.

Is this application proposing to use grant funds for body cameras?

- ○ Yes
- ◉ No

Confidential Funds Certification

Applicants proposing to use their grant to support confidential fund activities must complete the Confidential Funds Certification with their application. Additionally, applicants must have written policies and procedures to ensure confidential funds are managed in accordance with federal guidelines. Agencies who do not have a written policy may consider formalizing and adopting polices based off of our example policy provided on our website.

Is the applicant proposing to use the grant to support confidential fund activities?

- ○ Yes
- ◉ No

Suitability to Work With Minors

Applicants proposing to use grant funds that involve interacting with minors must make a written determination of each indiviudals suitability to work with minors. For more information on this requirement, please review our Suitability to Work with Minors training slides.

In order to facilitate compliance with this requirement, FDLE has two forms that must be completed for any program involving interactions with minors:

- **Suitability to Work and/or Interact with Minors Certification (SWIMC)**
- **Suitability to Work and/or Interact with Minors Tracking (SWIMT)**

Is the applicant proposing to use grant funds for activities that directly involve working with or interacting with minors?

- ○ Yes
- ◉ No

Telecommunications and Video Surveillance Services and/or Equipment

Applicants proposing to use grant funds to procure telecommunications and/or video surveillance equipment and/or services must complete a TVS certification with their application. For more information on this requirement, please review the FAQs and the training posted to our webpage.

Is the applicant proposing to use grant funds for telecommunications or video surveillance equipment/services?

- ○ Yes
- ◉ No

Task Force Activities

Applicants proposing to use funds to support any task force activities (personnel, overtime, equipment, supplies, service agreements, etc.) must provide a task force personnel roster at the time of application. In addition, the applicant is responsible for ensuring all task force members complete the required BJA Center for Task Force Integrity and Leadership online training once every four years. The completion certificates for each member on the roster must be provided to OCJG.

Note: For any task force members who have not completed the training or have expired training certificates, a withholding of funds condition will be placed on the award until valid certificates are provided for each member on the task force roster.

Is the applicant proposing to use grant funds to support task force activities?

- ○ Yes
- ◉ No

NEPA

Applicants proposing to use funds for "minor renovations", mounting items to the exterior of an existing building/structure (i.e. surveillance cameras), meth lab clean up activities, and some forensic processing requires approval from BJA's National Environmental Policy Act (NEPA) coordinator. Any applicants proposing projects that meet the criteria for NEPA approval are required to complete the BJA CATEX Checklist form and upload it with their grant.

Note: Applicants should not expend any grant funds until NEPA approval is obtained. If BJA denies the approval, you will not be reimbursed for the NEPA related expenses.

Is the applicant proposing to use grant funds for any NEPA related activities?

- ○ Yes
- ◉ No

JAG Pre-Approvals

JAG funds may not be used to pay for any of the following items unless pre-approved by the BJA Director:

1. **Vehicles, vessels, and aircraft (excluding police cruisers, police boats, and police helicopters). Note: Pick-up trucks require BJA approval;**
2. **Luxury items;**
3. **Real estate;**
4. **Construction projects (other than correctional institutions); and/or**
5. **UAS/UAV/US systems and equipment.**

See BJA's JAG FAQs for more information on the approval process. OCJG grant managers will review the application and seek more information for any items that may require BJA pre-approval.

Budget/Procurement Review

Sole Source

The use of noncompetitive procurement methods (i.e. sole source) for grant funded purchases and procurement contracts is strongly discouraged. However, there are three scenarios in which sole source is allowable:

1. **The item or service is only available from one source. This does not mean a particular brand name of a product justifies a sole source, it is the item itself. For example, procuring electronic control devices cannot be a sole source because these less-lethal devices are available to purchase from Taser International and various other vendors.**
2. **A public emergency exists that will result in harmful delays if formal competition is required. This requires official written declaration of the public emergency by an authorized official (i.e. President, Governor, Mayor, etc.). The ability to purchase non-competitively under a declaration of public emergency expires when the written declaration expires.**
3. **Inadequate competition was noted after soliciting a number of sources. Documentation of the solicitations from each source must be maintained to support the noncompetitive procurement.**

Applicants expecting to purchase grant-funded items non-competitively must complete the OCJG Sole Source Justification Approval form. If the total procurement, regardless of how much is grant funded, exceeds the federal simplified acquisition threshold (currently $250,000), the OCJG grant manager must coordinate federal sole source approval, which may require additional information.

Are any items in the budget being procured noncompetitively?

- ○ Yes
- ◉ No

State-Term or Alternate Source Contracts

Federal procurement regulations allow for grant-funded items to be piggybacked off of other existing contracts with other entities. This is often referred to as alternate source contracting and is often used by OCJG recipients when procuring off of a State-Term Contract. Applicants proposing to use this method of procurement are required to describe and provide the contract number they are using for the alternate source procurement.

Are any items in the budget being procured from an existing Florida State-Term Contract?

- ○ Yes
- ◉ No

Are any items in the budget being procured from any other Alternate Source Contract?

- ○ Yes
- ◉ No

Instructions: Before completing this form, applicants should refer to the regulations cited below to determine which certifications are required. Using this form, applicants may certify their compliance with the following requirements: 28 CFR Part 69, "New Restrictions on Lobbying;" 28 CFR Part 67, "Government-wide Debarment and Suspensions (Non-procurement);" and 28 CFR 83, "Government-wide Requirements for Drug Free Workplace (Grants)," as applicable. The certifications attested to on this form shall be treated as a material representation of fact and will be relied upon as such when the Office of Criminal Justice Grants makes award determinations for a covered transaction, grant, or cooperative agreement.

1. Lobbying

As required by Section 1352, Title 31 of the U.S. Code, and implemented at 28 CFR Part 69, for persons entering into a grant or cooperative agreement over $100,000, as defined at 28 CFR Part 69, the applicant certifies that:

a) No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the making of any federal grant, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal grant or cooperative agreement.

b) If any funds other than federal appropriated funds have been paid or will be paid to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form LLL – "Disclosure of Lobbying Activities", in accordance with its instructions.

c) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subgrants, contracts under grants and cooperative agreements, and subcontracts) and that all subrecipients shall certify and disclose accordingly.

2. Debarment, Suspension and Other Responsibility Matters

As required by Executive Order 12549, Debarment and Suspension, and implemented at 28 CFR Part 67 -

a) The applicant certifies that it and its principals:

i. Are not presently debarred, suspended, proposed for debarment, declared ineligible, sentenced to a denial of federal benefits by a State or Federal court, or voluntarily excluded from covered transactions by any federal department or agency;

ii. Have not within a three-year period preceding this application been convicted of or had a civil judgement rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

iii. Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State, or local) with commission of any of the offenses enumerated in paragraph (a)(ii) of this certification; and

iv. Have not within a three-year period preceding this application had one or more public transactions (Federal, State or local) terminated for cause or default.

b) Where the applicant is unable to certify to any of the statements in this certification, he or she shall attach an explanation to this application.

3. Drug Free Workplace

As required by the Drug-Free Workplace Act of 1988, and implemented at 28 CFR Part 67, Subpart F, as defined at 28 CFR Part 67 Sections 67.615 and 67.620 –

a) The applicant certifies that it will or will continue to provide a drug-free workplace by:

i. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the subgrantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

ii. Establishing an on-going drug-free awareness program to inform employees about –
